

about policies of the Central Government in fields belonging it. He questions a little later the assumption that regional problems in Indonesia could be resolved by larger doses of autonomy (p. 230).

He asks whether the rest of Indonesia could survive effectively as a political unit or a series of units, without Java? One cannot but agree with him that a fundamental improvement in the country's total financial position appears to be the way to cure the disabilities about which the regions complain. While President Soekarno's attempts to build up an image of a great and powerful Indonesia through his speeches and actions may play their role in building up Indonesian unity and in weakening regional loyalties, his country has to tackle tasks of economic construction in a determined manner to solve the regional problems.

The Decline of Constitutional Democracy in Indonesia. By HERBERT FEITH. Cornell University Press, Ithaca, New York, 1962. Pp. 618. Maps, Bibliography. U.S. \$9.50.

It is doubtful if any newly emergent nation in the world has had its birth throes recorded in more detail or from more points of view than has Bung Karno's Indonesia. A substantial proportion of the data which has been amassed has been brought together, collated and interpreted by the group of scholars who participated in the Modern Indonesia Project at Cornell University; their joint contribution to present and future understanding of the problems of political and economic development, not only in Indonesia but in other newly independent countries as well, has been very great. The volume here under review, one of the series produced under the auspices of the Cornell project, is an attempt to analyze Indonesia's experiment with constitutional democracy, under a parliamentary system, between 1949 and 1957 and to pinpoint the reasons for its abandonment.

Before we examine in some detail the main themes of the book, it is worthwhile to look at Feith's basis assumptions: namely, that when Indonesia attained her independence, she adopted a system of government which met the tests of constitutional democracy; and that this system formed the basis of government there through seven Cabinets and for seven and a half years, being abandoned
