4110 TPX of the countdown to the Millennium the 20th century brimmed with color Longtime Pantone collaborators and color gurus Leatrice Eiseman and Keith Recker identify more than 200 touchstone works of art products decor and fashion and carefully match them with 80 different official PANTONE color palettes to reveal the trends radical shifts and resurgences of various hues This vibrant volume takes the social temperature of our recent history with the panache that is uniquely Pantone

Designing Liners Anne Wealleans,2006-09-27 This in depth history of the interior design of ocean liners surveys the transient history of interior design in relation to the development of passenger shipping from commissioning by the line owners methods and sources for the original creation of designs through to its construction use and influence It is a short lived branch of architecture and design lasting an average of fifteen years As the design and taste mirrors and reinforces cultural assumptions about national identity gender class and race not only did the interiors of ocean going liners reflect the changing hierarchies of society and shifting patterns in globalization but the glamour and styling of the liners were reflected back into the design of interiors on land Combining design history architecture history material and visual cultures Designing Liners is a richly multidisciplinary work for those studying or researching this application of interior design

The City Allen J. Scott,Edward W. Soja,1996 Los Angeles has grown from a scattered collection of towns and villages to one of the largest megacities in the world The editors of THE CITY have assembled a variety of essays examining the built environment and human dynamics of this extraordinary modern city emphasizing the dramatic changes that have occurred since 1960 58 illustrations

Making the Modern Terry Smith,1993 Smith reveals how this visual revolution played an instrumental role in the complex psychological social economic and technological changes that came to be known as the second industrial revolution From the role of visualization in the invention of the assembly line to office and building design to the corporate and lifestyle images that filled new magazines such as Life and Fortune he traces the extent to which the second wave of industrialization engaged the visual arts to project a new iconology of progress

American Art Deco Carla Breeze,2003 Art Deco architecture flourished in large cities and small towns throughout America in the 1920s and 1930s The style is now captured in over 500 color photos of 75 lavish and innovatively designed buildings across the country that have been preserved both outside and in giving the full scope of this beloved exciting style

A History of Interior Design John F. Pile,2005 Delivers the inside story on 6 000 years of personal and public space John Pile acknowledges that interior design is a field with unclear boundaries in which construction architecture the arts and crafts technology and product design all overlap

Interior Design Since 1900 (Fourth) (World of Art) Anne Massey,2020-04-14 Newly updated and overflowing with color this well established history of interior design describes and illustrates each movement and change in taste throughout the twentieth century Interior design experienced an extraordinary amount of changes in taste and style during the twentieth century From William Morris and the Arts and Crafts

movement to expressionism postmodernism and green design Interior Design Since 1900 charts them all Featuring more than two hundred color illustrations of interiors from around the world this book reveals the fundamental changes in style that occurred throughout the century The 1900s saw the emergence of professional designers and a growing appetite to redesign homes to keep up with popular fashion In recent decades the focus has shifted toward public spaces and sustainable design In this survey Anne Massey explores the social political economic and cultural contexts of these developments This book has been a classic introduction to interior design for almost thirty years The new fourth edition is brought up to date with a chapter on transnational design encompassing midcentury modernist work in Singapore and Sri Lanka as well as more recent interior spaces including luxury hotels in Dubai and a contemporary art museum in Cape Town Through this book Massey shows how a shared language of design and cutting edge technology are reshaping interiors around the globe

Interwar Gavin Stamp, 2024-03-07 A FINANCIAL TIMES BOOK OF THE YEAR 2024 A Country Life Architecture Book to Read in 2025 Elegant erudite and entertaining a superbly detailed picture of an architectural era The Times A magnificent monument in itself to a fine architectural writer Simon Heffer Telegraph British architecture between the wars is most famous for the rise of modernism the flat roofs clean lines and concrete of the Isokon flats in Hampstead and the Penguin Pool at London Zoo but the reality was far more diverse As the modernists came of age and the traditionalists began to decline there arose a rich variety of styles and tastes in Britain and across the empire a variety that reflected the restless zeitgeist of the years before the Second World War At the time of his death in 2017 Gavin Stamp one of Britain's leading architectural critics was at work on a deeply considered account of British architecture in the interwar period correcting what he saw as the skewed view of earlier historians who were unable to see past modernism Beginning with a survey of the modern movement after the armistice Interwar untangles the threads that link lesser known movements like the Egyptian revival with the enduring popularity of the Tudorbethan to chronicle one of Britain's most dynamic architectural periods The result is more than an architectural history it is the portrait of a changing nation As an account of the period that still shapes much of Britain's towns and cities Gavin Stamp's final work is the definitive history of British architecture between the Great War and the Blitz

Off the Wall Lena Lenček, Gideon Bosker, 2004 Hypnotic flowering vines black and white Op Art odysseys and seas of patriotic warships are just some of the beautiful strange and fantastic patterns that have adorned the walls of homes the world over In the tradition of best seller Fabulous Fabrics of the 50s this home decor reference book entertains while it inspires with flawless reproductions of 150 classic and unique wallpapers many of which are drawn from the collections of the Cooper Hewitt National Design Museum Smithsonian Institution Covering every decade of the century Off the Wall celebrates robust pattern and detail in all their manifestations Lively text and captions help to capture the designers trends and world events relevant to each piece and the broader evolution of the genre from a 1948 mural of rural America replete with plump livestock and ripening fields to the boldly colored abstractions produced in the 1950s by Herman

Miller for MOMA A useful resource for collectors designers decorators and artists Off the Wall is a colorful and captivating tribute to a widely appreciated medium *Twentieth Century Limited* Jeffrey Meikle,2010-06-04 Classic indispensable introduction to industrial design in the last century *The Complete Costume Dictionary* Elizabeth J.
