**North Carolina Women** Michele Gillespie,Sally G. McMillen,2015-07-01 By the twentieth century North Carolina s  
progressive streak had strengthened thanks in large part to a growing number of women who engaged in and influenced  
state and national policies and politics These women included Gertrude Weil who fought tirelessly for the Nineteenth  
Amendment which extended suffrage to women and founded the state chapter of the League of Women Voters once the  
amendment was ratified in 1920 Gladys Avery Tillett an ardent Democrat and supporter of Roosevelt s New Deal became a  
major presence in her party at both the state and national levels Guion Griffis Johnson turned to volunteer work in the  
postwar years becoming one of the state s most prominent female civic leaders Through her excellent education keen legal  
mind and family prominence Susie Sharp in 1949 became the first woman judge in North Carolina and in 1974 the first  
woman in the nation to be elected and serve as chief justice of a state supreme court Throughout her life the Reverend Dr  
Anna Pauline Pauli Murray charted a religious literary and political path to racial reconciliation on both a national stage and  
in North Carolina This is the second of two volumes that together explore the diverse and changing patterns of North  
Carolina women s lives The essays in this volume cover the period beginning with women born in the late nineteenth and  
early twentieth centuries but who made their greatest contributions to the social political cultural legal and economic life of  
the state during the late progressive era through the late twentieth century      **Practical Theology for Aging** Derrell R.  
Watkins,2013-01-11 Learn new approaches for strengthening the religious bonds of our aging population Through Scripture  
studies and the personal experiences of religious leaders and congregants Practical Theology for Aging offers new concepts  
for ministering to our older population Each chapter looks at a different concern for the elderly and addresses it with the

assurance that aging is part of God's great work. From scientific models and case studies to passages from both the Old and New Testaments, this volume illuminates the power of faith in keeping the elderly whole and well. *Practical Theology for Aging* reveals several barriers to the spiritual wellness of our elders. These include society's stereotypical views of frailty and incompetence in older people, the lack of common support by communities of faith, and the dissatisfaction of the elderly with outdated traditional answers to their concerns of aging, suffering, and death. Each barrier can be overcome by utilizing the practical theology you will find in this book. Restated throughout the volume is the message that the journey into old age does not have to be filled with dread and fear but can be seen as a path to spiritual maturity. This book has practical suggestions that address God's purpose for aging: why do we have to grow old, sexual health for senior citizens, the suffering and physical debilitation that sometimes accompany aging, afflictions like dementia and Alzheimer's disease, and how to minister to the unresponsive. The inclusion of spirituality in rehabilitation to heal the whole person after catastrophic illness or injury, preaching to senior citizens as opposed to preaching to a younger congregation, so much more. *Practical Theology for Aging* presents tips and strategies for spiritual advisement as well as traditional quotes and references reminding us to respect and honor our aging men and women. Whether you are a religious leader, caretaker, family member, or esteemed elder, this book is vital for strengthening spirituality in the elderly and promoting their inclusion into the religious community. *Thoughts that Feed the Resilient Mind*. Dr. Robin R. Laysears-Smith, 2013-10. *Thoughts that Feed the Resilient Mind* offers inspirational, challenging affirmations and provoking ideas to nurture the resilient mind. These thoughts provide enhancement to self-empowerment, spiritual awareness, and alternative ways of thinking and responding to life. The words in this work can help you maintain resiliency through adverse, traumatic, and difficult times. It may inspire you to respond with positive actions, uplift you, encourage you, and transcend your thoughts to feed the resilient mind. This is a guide for anyone wanting to stay resilient through unwanted events such as loss of a job, a loved one, or a troubled relationship, or having trouble staying resilient when things do not go as planned. One may ask, How often does one have to practice resiliency in order to count resiliency as an attribute to their character? Resilience is necessary to grow through recovery and life's challenges and uncomfortable situations. It is imperative that we respond and not react. Responding takes effort and application of spiritual principles such as love, forgiveness, and trust. Reacting usually results in needing forgiveness for inappropriate responses. We are responsible for our own healing, learning, and growth. **Jet**, 1995-06-26. The weekly source of African American political and entertainment news. [Black Firsts](#).
