Searing of New York City ... Charles A. Searing,1906 **Better in the Poconos** Lawrence Squeri,2010-08-02 When Antoine Dutot opened the Kittatinny Hotel later specialized ethnic resorts catered to the minority populations of Philadelphia and New York and in the 1940s and 1950s the Poconos earned its reputation as a honeymoon paradise This evolution continues today the land of

romance has given way to the ski resorts and water slides enjoyed by today's vacationing families. Poconos resort owners and innkeepers have long recognized the cutthroat competition inherent in the vacation business. Early on they realized that they were vying not only with each other but also with other resorts first in the Catskills and on the New Jersey shore and then in Florida in the Caribbean and even in Europe. Better in the Poconos illustrates the strategies by which resorts in northeastern Pennsylvania responded to these market forces. They were compelled to provide superior service and amenities as well as novel amusements and activities for their guests. In the latter half of the twentieth century, for example, super resorts started to supplant the old hotels; the new resorts could offer year-round activities thanks to the invention of artificial snow. Similarly, honeymoon hotels declined as couples resorts, retreats that boasted such innovations as the heart-shaped bathtub and the Jacuzzi in the shape of a tall champagne glass emerged on the Poconos scene. Better in the Poconos recreates that scene and the people who brought it to life: not only the innkeepers, souvenir sellers, laborers, and service workers but also the community leaders and visionaries who promoted the vacation economy and sought to guide it. The proper Victorians, the devoted sportsmen, the young newlyweds, the families and singles, the staid ladies of the Women's Christian Temperance Union, and the sinners whose vices they wished to temper: the members of the Ku Klux Klan, the rich Quakers, the Jewish socialists, and the immigrants—all these and more make up the humanly rich mosaic of the Poconos. **Sale Anderson**
