The Dermatology And Syphilology Of The Nineteenth Century

Alfred W. Crosby Jr.

The Dermatology And Syphilology Of The Nineteenth Century:

The Dermatology and Syphilology of the Nineteenth Century John Thorne Crissey, Lawrence Charles Parish, 1981-09-01 Archives of Dermatology and Syphilology, 1928 British Journal of Dermatology and Syphilology, 1920 *Skin Immune System (SIS)* Jan D. Bos, 1997-04-10 Immunodermatology is a field covering the majority of skin diseases including the most prevalent ones in the general population The Second Edition of Skin Immune System SIS discusses immune mediated skin diseases and disease groups in which the SIS plays a role It covers major findings in immunophysiology and immunopathology that have occurred since the introduction of the First Edition in 1990 As the subtitle indicates the Second Edition adds a new emphasis on cutaneous immunology and also includes new information on immune based therapeutic interventions and methods such as phototherapy and the immunological therapy of skin cancer The book contains Part I with introductory chapters Part II with descriptions of the cellular elements and Part III which describes the humoral and molecular components of SIS Part IV follows to integrate the facts described in Parts II and III into concepts of pathophysiology It contains a number of concepts entitled response patterns that describe how the constitutional elements of SIS work together New in this edition are the descriptions of immunodermatological diseases individually described in Part V Part VI is also all new and summarizes principles of immunotherapy **Prostitution, Race and Politics** Philippa Levine, 2013-01-11 In addition to shouldering the blame for the increasing incidence of venereal disease among sailors and soldiers prostitutes throughout the British Empire also bore the burden of the contagious diseases ordinances that the British government passed By studying how British authorities enforced these laws in four colonial sites between the 1860s and the end of the First World War Philippa Levine reveals how myths and prejudices about the sexual practices of colonized peoples not only had a direct and often punishing effect on how the laws operated but how they also further justified the distinction between the colonizer and the colonized *Eponyms and Names in Obstetrics and Gynaecology* Thomas F. Baskett, 2019-01-24 Few specialties have a longer or richer eponymous background than obstetrics and gynaecology Eponyms add a human side to an increasingly technical profession and represent the historic tradition and language of the speciality This collection aims to perpetuate the names and contributions of pioneers and offer introductory profiles to the founders in whose steps we follow This third edition includes 26 new entries as well as expanded detail illustration and quotation for existing entries Biographical data and historical and medical context are discussed for each of the 391 names with reference to 34 countries reflecting the field's far reaching origins More than 1700 original references feature alongside an extensive bibliography of more than 2500 linked references to assist readers searching for more detailed information This is a volume for physicians midwives medical historians medical ethicists and all those interested in the history and evolution of obstetrical and gynaecological treatment **Bibliography of the History of Medicine**, 1984 **Vitiligo** Rolf Krauss, Als entstellende Hautkrankheit war Vitiligo in der Vormoderne ein Grund f r Diskriminierung Im

Extremfall kam es zur sozio kulturellen Ausstoßung nämlich im biblischen Israel und in Alt Persien im stlichen Iran blieb die Ausstoßung bis ins 19 Jahrhundert erhalten Die griechisch r mischen iranischen j dischen und christlichen sowie die arabischen Traditionen ber diskriminierende Vitiligo sind in den Quellen vernetzt Beispielsweise erkl ren mittelalterlich rabbinische Bibel bersetzungen aus dem Hebr ischen ins Arabische den sogenannten biblischen Aussatz Tzaraat als Baras wie Vitiligo im Arabischen heisst W hrend sich die iranischen und arabischen Traditionen bis heute gehalten haben sind die anderen im Mittelalter verschwunden Bei den abendl ndischen rzten ging das antike Wissen ber Vitiligo verloren und musste im 19 Jahrhundert neu begr ndet werden Die vorliegende medizin und kulturgeschichtliche Untersuchung gr ndet nicht auf retrospektiver Diagnose sondern auf lebendig gebliebenen Traditionen und interkulturellen Zusammenh ngen The Itch ,2022-05-12 Scabies is a parasitic disease caused by the human itch mite *Sarcoptes scabiei* which burrows through the skin leading to an intensely itchy rash The scabies mite which is just smaller than can be visualized by the naked eye to most mates and lays eggs in the human skin which hatch and mature thereby propagating its life cycle A diagnosis of scabies causes many patients anxiety and consternation The Itch Scabies details the essential clinic details of scabies what it is how to diagnose it how to treat it and examines common pitfalls in its recognition and cure The methods of transmission of scabies and its level of contagiousness are also discussed in detail Accounts of scabies date back to antiquity this book reveals a history which is replete with medical and scientific missteps The scabies mite was in fact the first infectious organism to ever be discovered which represents a underrecognized landmark in the development of modern medicine In spite of this however because it cannot be easily studied in the lab our current knowledge of scabies is somewhat limited Much of our current clinical understanding of scabies derives from a most unusual set of human experiments performed on conscientious objectors by Kenneth Mellanby in Britain during World War II Through its use of clinical vignettes and images this book brings the fascinating story of scabies to light and will be of interest to medical practitioners historians of medicine and the general public alike Transactions of the Section on Dermatology and Syphilology of the American Medical Association American Medical Association. Section on Dermatology and Syphilology,1921 *Transactions of the Section on Dermatology and Syphilology of the American Medical Association at the Annual Session* American Medical Association. Section on Dermatology and Syphilology,1921 **Transactions of the Section on Dermatology and Syphilology of the American Medical Association** ,1921 **Pox** Deborah Hayden,2008-08-04 Was Beethoven experiencing syphilitic euphoria when he composed Ode to Joy Did van Gogh paint Crows Over the Wheatfield in a fit of diseased madness right before he shot himself Was syphilis a stowaway on Columbus s return voyage to Europe The answers to these provocative questions are likely yes claims Deborah Hayden in this riveting investigation of the effects of the Pox on the lives and works of world figures from the fifteenth through the twentieth centuries Writing with remarkable insight and narrative flair Hayden argues that biographers and historians have vastly underestimated the influence of what Thomas Mann called this

exhilarating yet wasting disease Shrouded in secrecy syphilis was accompanied by wild euphoria and suicidal depression megalomania and paranoia profoundly affecting sufferers worldview their sexual behavior and personality and of course their art Deeply informed and courageously argued Pox has already been heralded as a major contribution to our understanding of genius madness and creativity

Immunology of Sexually Transmitted Diseases D.J. Wright, 2012-12-06 Twelve contributions present clinicians and pathologists with current immunological developments on the subject Space has also been devoted to drug allergy relevant to treatment of STD and to discussion of the roles of clinician and pathologist in future research Annotation copyright Book News Inc

The Columbian Exchange Alfred W. Crosby Jr., 2003-04-30 Thirty years ago Alfred Crosby published a small work that illuminated a simple point that the most important changes brought on by the voyages of Columbus were not social or political but biological in nature The book told the story of how 1492 sparked the movement of organisms both large and small in both directions across the Atlantic This Columbian exchange between the Old World and the New changed the history of our planet drastically and forever The book *The Columbian Exchange* changed the field of history drastically and forever as well It has become one of the foundational works in the burgeoning field of environmental history and it remains one of the canonical texts for the study of world history This 30th anniversary edition of *The Columbian Exchange* includes a new preface from the author reflecting on the book and its creation and a new foreword by J R McNeill that demonstrates how Crosby established a brand new perspective for understanding ecological and social events As the foreword indicates *The Columbian Exchange* remains a vital book a small work that contains within the inspiration for future examinations into what happens when two peoples separated by time and space finally meet

The Body Project Joan Jacobs Brumberg, 2010-06-09 The award winning author of *Fasting Girls* explores what teenage girls have lost in this new world of freedom and consumerism a world in which the body is their primary project Fascinating riveting Women and girls should read this fine book together The New York Times Book Review A hundred years ago women were lacing themselves into corsets and teaching their daughters to do the same The ideal of the day however was inner beauty a focus on good deeds and a pure heart Today American women have more social choices and personal freedom than ever before But fifty three percent of our girls are dissatisfied with their bodies by the age of thirteen and many begin a pattern of weight obsession and dieting as early as eight or nine Why In *The Body Project* historian Joan Jacobs Brumberg answers this question drawing on diary excerpts and media images from 1830 to the present Tracing girls attitudes toward topics ranging from breast size and menstruation to hair clothing and cosmetics she exposes the shift from the Victorian concern with character to our modern focus on outward appearance in particular the desire to be model thin and sexy Compassionate insightful and gracefully written *The Body Project* explores the gains and losses adolescent girls have inherited since they shed the corset and the ideal of virginity for a new world of sexual freedom and consumerism a world in which the body is

their primary project *The Book of Skin* Steven Connor,2009-01-15 It is the largest and perhaps the most important organ of our body it covers our fragile inner parts defines our social identities and channels our sensory experiences And yet we rarely give a thought With *The Book of Skin* Steven Connor aims to change all that offering an intriguing cultural history of skin Connor first examines physical issues such as leprosy skin pigmentation cancer blushing and attenuations of erotic touch He also explains why specific colors symbolize certain emotions such as green for envy or yellow for cowardice as well as why skin is the focus of destructive rage in many people s violent fantasies *The Book of Skin* then probes into how skin has been such a powerfully symbolic terrain in photography religious iconography cinema and literature From the Turin shroud to Ralph Ellison s *Invisible Man* to plastic surgery *The Book of Skin* expertly examines the role of skin in Western culture A compelling read that penetrates well beyond skin deep *The Book of Skin* validates James Joyce s declaration that modern man has an epidermis rather than a soul Richly conceived and elaborately thought out No flicker of meaning has escaped Connor s ferocious all seeing eye Guardian **The Scars of Venus** J.David Oriel,2012-12-06 In the last decade of the 15th century a new and deadly disease called Morbus Gallicus or syphilis appeared and spread rapidly throughout Europe The effects of syphilis were so severe that it and those suffering from it where regarded with horror and despair It is difficult for the modern reader to appreciate the fog of confusion which surrounded sexually transmitted diseases in earlier times Those suffering with these diseases were often condemned as victims of their own sinful lust of the flesh a judgement attitude which hindered most of the early attempts at control and treatment Despite this general attitude there were some doctors who persevered in their attempts to understand the causes and discover treatments for syphilis and other sexually transmitted diseases *The Scars of Venus* is illustrated with pictures of people places instruments and documents It presents the historical background and achievements of the early venereologists through to the current venereologists fight against HIV This book will be of interest to anyone concerned with venereal diseases doctors nurses counsellors laboratory workers medical historians and those working in the areas of public world health and the spread of infectious diseases **Surgery, Skin and Syphilis** Philip K. Wilson,2016-08-22 Daniel Turner s prolific writings provide valuable insight into the practice of a commonplace Enlightenment London surgeon Examining his personal professional and genteel achievements Enhances our understanding of the boundary between surgeons and physicians in Enlightenment marketplace practice Turner s pioneering writing on skin disease *De Morbis Cutaneis* emphasizes the skin s role as a physical and professional boundary between university educated physicians who treated internal disease and apprentice trained surgeons relegated to the care of external disorders Turner s career long crusade against quackery and his voluminous writings on syphilis a common surgical disorder provide a refined view into distinction between orthodox and quack practices in eighteenth century London

Right here, we have countless books **The Dermatology And Syphilology Of The Nineteenth Century** and collections to check out. We additionally present variant types and plus type of the books to browse. The welcome book, fiction, history, novel, scientific research, as competently as various other sorts of books are readily easy to get to here.

As this The Dermatology And Syphilology Of The Nineteenth Century, it ends occurring brute one of the favored books The Dermatology And Syphilology Of The Nineteenth Century collections that we have. This is why you remain in the best website to look the incredible book to have.
