**God Authored and Approved Brain Drain** Emmanuel Oghenebrorhie, 2012-03-15 The term Brain Drain or Best Brains Drain carting away is only a derogatory reference to God intended concept of maximizing the spectacularly skilled persons He sent to live and add great value to mankind in each generation It is peddled by persons who have failed in their responsibility to manage such special God sent individuals to benefit themselves and their territory optimally When some fail examinations rather than take responsibility for their poor performance and double their efforts to turn their failure in their success they would choose to find fault with the examiners script markers and graders The two major ways to stop acclaimed oppression is either to make the oppressor stop any how or resist the oppressor into stopping When Laban would not stop cheating Jacob commonsense made Jacob opt to withdraw his services from Laban's employment without notice He did not continue to shout blue murder without doing something tangible from his own end In fact Jacob did not waste his time seeking mediation by the elders or leaders and rulers of Laban's nation of Haran also known as Padan Aram Some call it taking charge of how others treat you Prolonged accusation of being oppressed is a sign of weakness or laziness foolishness planlessness and even outright stupidity After prolonged mourning over being mocked for childlessness Hannah made concerted effort to put an end and God blessed her effort to the regret of her mocker and maligner Enjoy a happy reading
