The Detective Novel Of Manners Hedonism Morality And The Life Of Reason:

The Detective Novel of Manners Hanna Kurz Charney, 1981 The detective novel a genre long associated with reading for escape is here found to be the literary successor to the nineteenth century English novel of manners The author examines the works of Agatha Christie Dorothy Sayers and Rex Stout among others **An Introduction to the Detective Story** LeRoy Panek, 1987 This book traces the origins of the detective story presents the literary and cultural forces that have influenced it follows its development and discusses some of the major authors who have contributed to its evolution and popularity Adapted from the author's Preface *A History of American Crime Fiction* Chris Raczkowski, 2017-10-26 A History of American Crime Fiction places crime fiction within a context of aesthetic practices and experiments intellectual concerns and historical debates generally reserved for canonical literary history Toward that end the book is divided into sections that reflect the periods that commonly organize American literary history with chapters highlighting crime fiction's reciprocal relationships with early American literature romanticism realism modernism and postmodernism It surveys everything from 17th century execution sermons the detective fiction of Harriet Spofford and T S Eliot's *The Waste Land* to the films of David Lynch HBO's *The Sopranos* and the podcast *Serial* while engaging a wide variety of critical methods As a result this book expands crime fiction's significance beyond the boundaries of popular genres and explores the symbiosis between crime fiction and canonical literature that sustains and energizes both *The Annotated Innocence of Father Brown* G. K. Chesterton, 2012-04-26 Father Brown an ordinary priest whose unremarkable exterior conceals extraordinary crime solving ability is celebrated for his solutions to metaphysical mysteries a genre perfected by his creator G K Chesterton More than lighthearted comedies built around puzzling crimes these superbly written tales contain deeply perceptive philosophical reflections *The Innocence of Father Brown* 1911 was the first collection of stories featuring the ecclesiastical sleuth and is widely considered the best In this annotated edition of the collection the Chesterton scholar Martin Gardner provides detailed notes and background information on various aspects of such stories as *The Blue Cross* *The Secret Garden* *The Invisible Man* *The Hammer of God* *The Eye of Apollo* and seven more as well as an informative introduction and an extensive bibliography Included also are eight illustrations reproduced from the first edition The result is an indispensable companion for all Chesterton enthusiasts and a perfect introduction for anyone who has yet to meet the incomparable Father Brown *And Then There Were Nine-- More Women of Mystery* Jane S. Bakerman, 1985 Within the formulas of crime fiction this collection ranges from writers Daphne du Maurier and Margery Allingham whose names are synonymous with conventional subgenres of crime fiction through Patricia Highsmith and Shirley Jackson who deliberately set conventions aside or who moved those conventions into other realms Most important perhaps Jackson Highsmith and E X Ferrars depict civilizations that are not essentially orderly that are not founded upon a commonly understood concept of justice where one must make her own order *Christianity and the Detective Story* Anya Morlan, Walter Raubicheck, 2014-08-11 Christianity

and the Detective Story is the first book to gather together academic criticism on this particular connection between religion and popular culture The articles cover the origin of this relationship in the works of G K Chesterton examine its development through the Golden Age of mystery writers such as Dorothy L Sayers and include discussions of recent and contemporary television crime dramas The volume makes a strong case for viewing mystery writing as a valid means of providing both entertainment and religious insight *Economic Investigations in Twentieth-Century Detective Fiction* Yan

Zi-Ling,2016-03-09 In his study of Golden Age and hard boiled detective fiction from 1890 to 1950 Yan Zi Ling argues that these two subgenres can be distinguished not only by theme and style but by the way they structure knowledge value and productive labour Using the detective as a reference point and enactor of socially based interests Yan shows that Golden Age texts are distinguished by their conservatism and not only by their conservatism with the detectives actions serving to stabilize institutions with specific ideological aims In contrast the criminal investigations of the hard boiled detective who is poorly aligned with institutions and strong interest groups reveal the fragility of the status quo in the face of escalating cycles of violence Key to Yan s discussion are theories of exchange value and the gift the latter of which he suggests is more akin to detective work than is wage labour Analyzing texts by a wide range of authors that includes Arthur Conan Doyle Agatha Christie Dashiell Hammett Raymond Chandler Dorothy Sayers Raoul Whitfield George Harmon Coxe and Mickey Spillane Yan demonstrates that the detective s truth generating function most often characterized as a process of discovery rather than creation is in fact crucial to the institutional and class based interests that he or she serves *Anatomy of*

Murder Carl Darryl Malmgren,2001 Mystery fiction takes place in a centered world one whose most distinctive characteristic is motivation of behavior and signs Built on a faith in foundations it insists upon the solidity of social life the validity of social conventions and the sanctity of signs Mystery assures us that motives exist for both words and deeds Mayhem and Murder Heta Pyrhönen,1999-01-01 Both detective and reader attempt to solve the crimes in detective novels relying on the same motifs but employing different narrative interpretations to do so A unique and lucid examination of a complex genre

Ezra Pound's and Olga Rudge's The Blue Spill Ezra Pound,Olga Rudge,2019-01-10 Written during the Italian winter of 1930 The Blue Spill is an unfinished detective novel written by Ezra Pound the leading figure of modernist poetry in the 20th century and his long time companion Olga Rudge Published for the first time in this authoritative critical edition the novel reflects both Rudge s and Pound s voracious reading of popular fiction as it echoes and parodies such writers as Agatha Christie Dorothy L Sayers and P G Wodehouse Based on the original manuscripts of the novel this critical edition includes annotation and textual commentary throughout The book also includes critical essays exploring the contexts of the work from the dynamics of artistic collaboration to the growing popularity of detective fiction at the beginning of the 20th century Taken together this unique publication sheds new light on the relationship between the literary avant garde and popular culture in the modernist period **Encyclopedia of the British Novel** Virginia Brackett,Victoria Gaydosik,2015-04-22

Praise for the print edition comprehensive Recommended *Modern British Women Writers* Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer's background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography American Studies Jack Salzman, American Studies Association, 1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 *Murder Most Fair* Michael Cohen, 2000 The treatment of formal features is historical Jacket *We Must Have Certainty* J. Kenneth Van Dover, 2005 We Must Have Certainty surveys the development of the genre of the detective story from its origins in the mid nineteenth century to its current profile in the early twenty first century It locates a principal appeal of the genre in the nature of the world that the detective necessarily inhabits a world of more or less realistic violence and excitement and at the same time a world that always in the end makes sense It suggests that there is a significance to a popular narrative formula that requires that an initial world of suspicion and uncertainty be inevitably transformed by the detective into a world of clarity and order Though scholarship in the field is acknowledged the author's citations are most often from detective stories themselves The essays are written in an accessible style those who have read a few novels in the genre as well as those who have read many will find the book stimulating and provocative Hard-Boiled Erin Smith, 2010-07-07 An examination of the culture that produced and supported pulp fiction **The Moral Fiction of Raymond Chandler** Kenneth Philip Boas, 1992 Duchess of Death Richard Hack, 2009-07-01 As the author of more than eighty books and short story collections including *And Then There Were None* *The Mysterious Affair at Styles* and *Murder at the Vicarage* Agatha Christie is the most popular novelist in history with more than two billion books of her work sold worldwide Nearly as famous for her aversion to the press as she was for creating Hercule Poirot and Miss Marple Christie made no secret of her need for privacy She lived a life shrouded in secrecy and nearly fifty years after her passing fans are still curious about her life beyond the pages Drawing upon more than 5 000 previously unpublished letters notes and documents award winning biographer Richard Hack allows Christie to write again *Duchess of Death* is her story as full of romance travel wealth and scandal as any mystery Christie ever crafted **The Public Eye** Robert P Winston, Nancy C Mellerski, 1992-09-15 The Akunin Project Elena V. Baraban, Stephen M. Norris, 2021-02-01 The Akunin Project is the first book to study the fiction and popular history of Grigorii Chkhartishvili one

of the most successful writers in post Soviet Russia In the first two decades of the twenty first century Chkhartishvili published over sixty books under the pen names Anatolii Brusnikin Anna Borisova Akunin Chkhartishvili and most commonly Boris Akunin His series featuring the tsarist secret policeman Erast Fandorin has sold over 15 million books in Russia alone making Akunin one of the bestselling authors of the post Soviet era Combining intertextuality allusions pastiche and other markers of postmodern playfulness many of Akunin s works have been translated into English and have also been adapted for film and television Akunin s public profile has been further enhanced by his active involvement in mass political protests against Vladimir Putin Despite Akunin s international reputation as a celebrated writer there is very little critical work on his literary output and his mysterious persona Bringing together scholars of literature history and culture The Akunin Project fills this gap by exploring the author s bestselling adventure novels and recent histories of the Russian state The book includes translations of five short works previously unavailable in English as well as an interview with the author
