

THE DEVELOPMENT OF AMERICAN POLITICAL THOUGHT

Fall 2010

THE COURSE surveys the development of American political thought from the age of revolution through the late twentieth century with an emphasis on the moments of special significance for the evolution of American political key concepts and institutions. All readings are selected from primary materials - founding documents, speeches, platforms, statements, essays, Supreme Court decisions, and letters - in an effort to understand American political mind through the arguments of its most prominent political actors.

REQUIREMENTS. Students will be required to make four oral in-class presentations summarizing the readings, write two short papers, and participate in class discussions of the materials. Grades will be determined as follows: oral in-class presentations 80%, two short papers 20%.

OCTAVIAN ROSKE, Associate Professor, University of Bucharest. Published *Contemporary American Fiction, 1975-1985*, 1989; *American Conservative Tradition, 1783-1860*, 1998; *Repressive Mechanisms in Romania, 1945-1989. Biographical Dictionary*, 2001- 2009.

CLASS SCHEDULE

WEEK 1: *Introduction. Method. Sources. Requirements*

WEEK 2: *Challenging the British Empire: The Spirit of Revolution*

Readings: Declaration and Resolves of the First Continental Congress, 1774, in George B. de Huszar, Henry W. Littlefield, and Arthur W. Littlefield, *Basic American Documents*, Ames, Iowa, Littlefield: Adams and Co., 1956, pp.33-37. Charles Inglis, The True Interest of America Impartially Stated, 1776. http://www.ahp.gatech.edu/true_interest_1776.html.

WEEK 3: *The Philosophy of Government: Constitution of the United States*

The Development Of American Political Thought

Charles Edward Merriam

The Development Of American Political Thought:

The Development of American Political Thought William Seal Carpenter, 1968 **American Political Ideas** Charles Edward Merriam, 1920 **American Political Ideas; Studies in the Development of American Political Thought 1865-1917** Charles Edward Merriam, 2023-07-18 In this groundbreaking work Charles Edward Merriam provides a comprehensive overview of the development of American political thought from 1865 to 1917 Drawing on his extensive knowledge of American history and politics Merriam offers readers a fascinating and enlightening glimpse into this crucial period in our nation's history This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **A History of American Political Thought** A. J. Beitzinger, 2011-08-05 This book provides a descriptive analysis and critical discussion of the origins development and interrelationships of American political ideas against the background of the birth growth and crises of the republic and the major historical movements of thought Main emphasis is on the idea of constitutionalism and related concepts of higher law liberty justice equality democracy and the balanced state as well as underlying notions of human nature motivation and behavior *American political Ideas* Charles Edward Merriam, 1923 [The Development of American Political Thought....](#) William Seal Carpenter (juriste.), 1968 **American political ideas** Charles Edward Merriam, 1920 **The Development of American Political Thought, Etc** Jacob Mark JACOBSON, 1932 *Development of American Political Thought* Jacob Mark Jacobson, Thornton Anderson, 1961 *The Development of American Political Thought, a Documentary History* Jacob Mark Jacobson, 1941 **In Quest of Freedom** Alpheus Thomas Mason, Richard H. Leach, 2012-04-01 *History of American Political Thought* Raymond Garfield Gettell, 1928 **A History of American Political Theories** Charles Edward Merriam, 2015-06-16 Excerpt from A History of American Political Theories The development of American political theories has received surprisingly little attention from students of American history Even the political ideas of the Revolutionary fathers and the tenets of such important schools as those represented by Jefferson and Adams have not been carefully analyzed or put in their proper perspective The political theory of the controversies over slavery and the nature of the Union has generally been presented from the partisan point of view while recent tendencies in political thought have received no adequate notice In explanation of this fact it might be said that until very recent times but little interest has been manifested in systematic politics But while it is true that Americans have never developed systems of politics after the philosophic fashion of the Germans there has been no dearth of political theory from the days of the Puritans to the present time About

History of American Political Thought Bryan-Paul Frost,Jeffrey Sikkenga,2003-01-01 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection Americal Political Ideas

Charles Edward Merriam,1926 **History of American Political Thought** Bryan-Paul Frost,Jeffrey Sikkenga,2003-07-14 Revised and updated this long awaited second edition provides a comprehensive introduction to what the most thoughtful Americans have said about the American experience from the colonial period to the present The book examines the political thought of the most important American statesmen activists and writers across era and ideologies helping another generation of students scholars and citizens to understand more fully the meaning of America This new second edition of the book includes new essays on Walt Whitman Lyndon Baines Johnson Ronald Reagan and Barack Obama Significant revisions and additions have also been made to many of the original essays increasing the breadth and depth of the collection *Free Government in the Making* Alpheus Thomas Mason,Gordon E. Baker,1985 An authoritative and comprehensive collection of essays by America s most formative political thinkers this classic anthology has now been thoroughly revised and updated The fourth edition features extensive new coverage of the role women have played in the development of American political thought from 1790 to the present as well as new documentation on the contributions of minorities With its clear introductory essays preceding original source selections and helpful chronological organization this text provides students with keen insights into the growth and development of political theory and thought particularly American political thought

A History of American Political Theories Charles Edward Merriam,Sidney A. Pearson, Jr.,2007-12 A History of American Political Theory is a comprehensive attempt to understand the full sweep of American political thought since the founding Working within the liberal progressive tradition Merriam reviewed American political history in its entirety from the founding down to his own day He was not out to reduce political thought to a single element such as economics alone his aim was to encompass the whole of modern social science The political science of the liberal progressive tradition has roots and

assumptions that were born in this period and nurtured by scholars such as Merriam The progressive tradition in general and Merriam in particular interpreted the rise of a new science of politics that would be required for the liberal progressive world view he represented His work stands at a momentous fork in the road two great traditions of how American democracy should be understood interpreted and analyzed parted company and afterward each went their separate ways These traditions are represented respectively by the founders and the liberal progressives There was much at stake in these academic debates though the consequences were not entirely foreseen at the time An overview of the authors works and general source material covered in History of American Political Theories is impressive Merriam viewed the study of American democracy as an eclectic activity embracing the broadest definition of the social sciences with particular emphasis on psychology Such a transformation required that the social sciences be grouped as a whole rather than fragmented into separate and distinct academic departments Charles Merriam 1874 1953 was professor of political science at the University of Chicago He served on the Research Committee on Social Trends under President Hebert Hoover and on the National Resources Planning Board under President Franklin D Roosevelt He is known as the father of the behavioral movement in political science and believed that theories of political process needed to be linked to practical political activity Sidney A Pearson Jr is professor emeritus of political science at Radford University He is the series editor of Library of Liberal Thought at Transaction Publishers In addition he also wrote new introductions for Presidential Leadership The New Democracy and Party Government all available from Transaction A History of American Political Theories Charles Edward Merriam, 1910
 American Political Thought Morton J. Frisch, Richard G. Stevens, The Second World War was a crisis not just for America but for the whole of Western Civilization and in the wake of that war a new crisis arose which came to be called the Cold War Just when that gave the appearance of being resolved the world reached a new juncture a new crisis which Samuel P Huntington dubbed the clash of civilizations The statesmen having political responsibility in confronting the first three crises in America s history came as close to philosophic grasp of the problems of liberal democracy as one could demand from those embroiled in the active resolution of events Their reflection of political philosophy in the full sense informed their actions
