Edwards,2025-08-28 For medieval and early modern Europeans the Devil and his demonic minions were seen as increasingly active They tempted monks tortured the unwary and conspired against humanity They were responsible for waves of heresy plague famine and religious division and they formed unholy alliances foreshadowing the approaching Apocalypse and End Times Bringing together eighteen internationally recognized specialists *A Companion to the Devil and Demons* explores the latest research on premodern European beliefs about the Devil and demons With chapters ranging from scholastic and necromantic perceptions of demons to the place of demons within witch trials connections between demons and non human beings and media that spread ideas about demons it argues for the centrality and durability of demon knowledge in European culture Contributors to this volume Philip C Almond Robin B Barnes Dean Phillip Bell Michelle D Brock Fabi n Alejandro Campagne David J Collins SJ Ismael del Olmo Kathryn A Edwards Lizanne Henderson David Johannes Olszynski Richard Raiswell Juanita Feros Ruys James Sharpe Julien V ron se Rita Voltmer Hans de Waardt Gary K Waite and Charles Zika      **Dinosaur in a Haystack** Stephen Jay Gould,2011-10 Gould s seventh collection of essays covers a wide range of subjects in natural history literature and popular culture from the wisdom of Charles Darwin to that of the Old Testament Psalms from the dinosaurs of Jurassic Park to the dinosaurs of the latest scientific theories from the thwarted humanity of the Frankenstein monster to the inhuman fallacies of eugenics and other pseudoscience With black and white illustrations Here is a new collection of Gould s unexpected connections between evolution and all manner of subjects literature high among them Gathered from his monthly column in *Natural History* magazine these articles should delight surprise and inform his vast readership as have his six prior volumes of essays Somehow the light bulb pops on every month as his deadline approaches some glowing fact pulled out of memory often a line from Shakespeare or Tennyson that illumines a generality Gould wishes to discuss Nature red in tooth and claw Lord Alfred s line induces dilations on the extent science can inform moral matters not much Gould believes a remembrance

of the infamous Wansee protocol prompts Gould's denunciation of the genocidal looting of evolutionary theory and by extension its vulnerability to ignoramuses in general. These two examples of the Gouldian essay method fortunately don't foreshadow a gloomy parade of topics Gould can as easily alight at the fun house where mass culture absorbs ideas about evolution through movies of monsters run amok from Frankenstein to Jurassic Park. In other essays he plunges directly into matters of evolutionary interpretation but customarily employs a literary twist who else but Gould could link Edgar Allan Poe with his own area of professional eminence the paleontology of snails. A discovery awaits in every essay in every haystack which solidifies Gould as one of the most eloquent science popularizers writing today.

**The Final Atonement of Christ** Mark Shipowick, The Final Atonement calls the attention of the church to Christ's imminent cleansing of the sanctuary as graphically depicted in the apocalyptic prophecies of scripture. It unpacks many components associated with end time events both earthly and heavenly including the prophetic import of the unique turmoil of the early 2020s. It points readers forward to the momentous events in the courts of heaven and among the nations of earth foretold by inspiration that lie just ahead. Mark Shipowick does another deep dive into the apocalyptic prophecies in this complement to his previous volume Two Temples One Message. The author highlights several pivotal occurrences from the past globally and even domestically and emphasizes their relevance to the overarching conflict between Christ and Satan. He identifies a pattern of repetition and proposes that some of these historical events will unfold again. Along that vein he prompts readers to reexamine certain stances well established in Adventist orthodoxy and provides intriguing corroboration of his unorthodox conclusions from the pen of inspiration. Readers are encouraged to carefully and prayerfully study and determine their level of agreement for themselves with the cases Shipowick has built. They will identify the burden on his heart to see his brethren comprehensively prepared for Jesus to finalize His victory over the wretched enemy, restore His cherished people to His image and lead them home at last.
