GERMAN GENERALS AT WAR 1940-5

DAVID DOWNING

The Devils Virtuosos German Generals At War 1940 5

Charles D. Pettibone

The Devils Virtuosos German Generals At War 1940 5:

The Devil's Virtuosos David Downing, 1978 **Unknown Generals - German Corps Commanders In World War II** Major French L. MacLean, 2014-08-15 This study is an historical analysis of the background and demonstrated leadership attributes of 332 World War II German corps commanders on the Eastern Italian and Western Fronts Overall characteristics are determined based on each officer's experience and performance based on available historical records These records focus on age nobility background education branch previous command and staff positions membership in the General Staff demonstrated military achievement promotion and subsequent higher command Among the many conclusions which could be drawn from this investigation are most successful corps commanders possessed an excellent educational background performed well in previous significant command and staff positions and demonstrated the capability for independent action and political factors played a minor role in the selection of officers for corps command The study concludes that the Eastern Western and Italian Fronts all had competent German corps commanders conducting operations no Front had a preponderance of successful commanders to the detriment of the other two THE ORGANIZATION AND ORDER OF BATTLE OF MILITARIES IN WORLD WAR II Charles D. Pettibone, 2014-04 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only with the division and corps level of a country's army Most higher commands are not covered This book deals with all the branches of a country's military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command structure for the other military branches are included Second it attempts to give an overall command structure of the country's military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commanders and their dates of tenure This book includes those but also lists their next duty assignments or where they went after leaving the post One can literally trace a general officer's career through the upper echelons of command making this completely different from all the other Order of Battle books on the market *The Organization and Order of Battle of Militaries in World War II* Charles D. Pettibone, 2012-01-16 There are numerous Order of Battle books on the market So what makes this one so special Why should one decide on this particular book Most Order of Battle books usually deal only at the division and corps level of a country's army Most higher commands are not covered This book deals with all the branches of a country's military giving a breakdown of all the major echelons of command from theater down to brigade under each component army group armies corps division and brigade and the equivalent command for the other military branches are included Second it attempts to give an overall command structure of the country's military showing the central headquarters command structure as well as the major components army groups armies corps etc Third most Order of Battle books list the commander and their dates of tenure This one includes those but also lists their next duty

assignments or where they went after leaving the post One can literally trace a general officers career through the upper echelons of command making this series completely different from all the others on the market **Great Warrior**

Leaders/thinkers ,1989 **The Organization and Order of Battle of Militaries in World War II** D. Pettibone Charles

D. Pettibone, Charles D. Pettibone, 2009-11 The Wehrmacht's Last Stand Robert M. Citino, 2020-07-09 By 1943 the war was lost and most German officers knew it Three quarters of a century later the question persists What kept the German army going in an increasingly hopeless situation Where some historians have found explanations in the power of Hitler or the role of ideology Robert M Citino the world s leading scholar on the subject posits a more straightforward solution Bewegungskrieg the way of war cultivated by the Germans over the course of history In this gripping account of German military campaigns during the final phase of World War II Citino charts the inevitable path by which Bewegungskrieg or a war of movement inexorably led to Nazi Germany s defeat The Wehrmacht s Last Stand analyzes the German Totenritt or death ride from January 1944 with simultaneous Allied offensives at Anzio and Ukraine until May 1945 the collapse of the Wehrmacht in the field and the Soviet storming of Berlin In clear and compelling prose and bringing extensive reading of the German language literature to bear Citino focuses on the German view of these campaigns Often very different from the Allied perspective this approach allows for a more nuanced and far reaching understanding of the last battles of the Wehrmacht than any now available With Citino s previous volumes Death of the Wehrmacht and The Wehrmacht Retreats The Wehrmacht s Last Stand completes a uniquely comprehensive picture of the German army s strategy operations and performance against the Allies in World War II **The Longest Winter** Alex Kershaw, 2007-04-02 The epic story of the

vastly outnumbered platoon that stopped Germany s leading assault in the Ardennes forest and prevented Hitler s most fearsome tanks from overtaking American positions On a cold morning in December 1944 deep in the Ardennes forest a platoon of eighteen men under the command of twenty year old lieutenant Lyle Bouck were huddled in their foxholes trying desperately to keep warm Suddenly the early morning silence was broken by the roar of a huge artillery bombardment and the dreadful sound of approaching tanks Hitler had launched his bold and risky offensive against the Allies his last gamble and the small American platoon was facing the main thrust of the entire German assault Vastly outnumbered they repulsed three German assaults in a fierce day long battle killing over five hundred German soldiers and defending a strategically vital hill Only when Bouck s men had run out of ammunition did they surrender to the enemy As POWs Bouck s platoon began an ordeal far worse than combat survive in captivity under trigger happy German guards Allied bombing raids and a daily ration of only thin soup In German POW camps hundreds of captured Americans were either killed or died of disease and most lost all hope But the men of Bouck s platoon survived miraculously all of them Once again in vivid dramatic prose Alex Kershaw brings to life the story of some of America s little known heroes the story of America s most decorated small unit an epic story of courage and survival in World War II and one of the most inspiring stories in American history **Special**

Bibliographic Series US Army Military History Research Collection,1978 *The Era of World War II* Louise A. Arnold-Friend,1979 **El Alamein and the Struggle for North Africa** Jill Edwards,2012-10-01 This new collection of studies presents fresh insights into a war fought over unusually difficult terrain and with exceptional supply demands From the ongoing Italian geomorphic study of the Alamein arena to individual memories of non combatant Alexandrians from the Free French to the seasoned colonial forces of Australia India New Zealand and South Africa and from vital naval engagements and the siege of Malta to the study of Rommel s leadership and the Churchill Montgomery duo this book presents the reader with a detailed yet broad reassessment of the complexities of the war in North Africa between 1941 and 1943 its technology philosophy military doctrine strategy tactics logistics and the associated local and international politics Writing from the perspectives of some of the many nations whose armies were involved in the conflict fifteen historians bring to their work the precision of their national historical archival sources in clear and spritely narratives *The End* Ian Kershaw,2012-08-28 From the author of *To Hell and Back* a fascinating and original exploration of how the Third Reich was willing and able to fight to the bitter end of World War II Countless books have been written about why Nazi Germany lost the Second World War yet remarkably little attention has been paid to the equally vital questions of how and why the Third Reich did not surrender until Germany had been left in ruins and almost completely occupied Drawing on prodigious new research Ian Kershaw an award winning historian and the author of *Fateful Choices* explores these fascinating questions in a gripping and focused narrative that begins with the failed bomb plot in July 1944 and ends with the death of Adolf Hitler and the German capitulation in 1945 *The End* paints a harrowing yet enthralling portrait of the Third Reich in its last desperate gasps Special Bibliography ,1977 Snow & Steel Peter Caddick-Adams,2015 A new assessment of the Battle of the Bulge the largest and bloodiest battle fought by U S forces in World War II offers a balanced perspective that considers both the German and American viewpoints and discusses the failings of intelligence Hitler s strategic grasp effects of weather and influence of terrain and differences in weaponry understanding of aerial warfare and doctrine *National Union Catalog* ,1983 **Armor** ,1982 The magazine of mobile warfare **National Union Catalog, 1980** ,1981 **National Union Catalog** Library of Congress,1979 Includes entries for maps and atlases **The Devil's Virtuosos** ,1977 Beskrivelse af tyske operationer under 2 Verdenskrig og de tyske officerer der var ansvarlige for planl gning og gennemf relse Air University Review ,1980-03

As recognized, adventure as without difficulty as experience practically lesson, amusement, as competently as contract can be gotten by just checking out a books **The Devils Virtuosos German Generals At War 1940 5** as a consequence it is not directly done, you could take even more not far off from this life, on the order of the world.

We offer you this proper as skillfully as simple exaggeration to acquire those all. We have enough money The Devils Virtuosos German Generals At War 1940 5 and numerous books collections from fictions to scientific research in any way. in the middle of them is this The Devils Virtuosos German Generals At War 1940 5 that can be your partner.
