The Hispanic Labyrinth Xavier Rubert de Ventós, 1991 **The Hispanic Labyrinth** Xavier Rubert de Ventós, In its original Spanish language version this tour de force was awarded the famed Espejo de Espana prize Rubert de Ventós examines the ambiguous yet highly charged relationships between Spain and the American nations of the Western hemisphere Writing with the grace and charm that characterizes the best of the pensador tradition the author has produced a fundamental treatise on social development With his deep appreciation for the indigenous populations of South and Central America Rubert de Ventós offers a comparative perspective on the two major forms of colonization in the Americas that of Spain and of the United States leading to the provocative conclusion that each should have learned from the traditional rather than the modern lives of the other He emphasizes with great precision distinctions in relative stages of industrialization in the West differences between Catholic and Protestant faiths the variety of legal codes imposed on Latin America and above all the fine but critical differences between civilization and evangelization Rubert de Ventós's effort is exemplary for its immersion into the actual patterns of culture found in the encounter of civilizations He engages in no harshness no condemnation no trivial pursuit of post mortem name calling Rather he has a keen sense of the historical the theological and the inevitable Written for the general reader and specialist in area studies alike providing a deep sense of anthropology as well as history *The Hispanic Labyrinth* has an ambitious aim to give all concerned in this relationship a sense of common cause in building democracy in the process of global interaction Xavier Rubert de Ventós holds the chair in Esthetics at the University of Barcelona He is a Santayana Fellow at Harvard University and a founding member of the New York Institute for the Humanities He has held visiting professorships at the University of Cincinnati and the University of California at Berkeley He is the author of works in Spanish and Catalan including *On Modernity The Theory of Sensibility* and other books on philosophical themes He is also a deputy to the European Parliament *The Hispanic Labyrinth* is translated from Spanish by Mary Ann Newman teacher of Spanish American literature in New York City *The Hispanic Labyrinth* Xavier Rubert de Ventós, 2024-12-06 In its original Spanish language version this tour de force was awarded the famed Espejo de Espana prize Rubert de Ventós examines the ambiguous yet highly charged relationships between Spain and the American nations of the Western hemisphere Writing with the grace and charm that characterizes the best of the pensador tradition the author has produced a fundamental treatise on social development With his deep appreciation for the indigenous populations of South and Central America Rubert de Ventós offers a comparative perspective on the two major forms of colonization in the Americas that of Spain and of the United States leading to the provocative conclusion that each should have learned from the traditional rather than the modern lives of the other He emphasizes with great precision distinctions in relative stages of industrialization in the West differences between Catholic and Protestant faiths the variety of legal codes imposed on Latin America and above all the fine but critical differences between civilization and evangelization Rubert

deVentos's effort is exemplary for its immersion into the actual patterns of culture found in the encounter of civilizations. He engages in no harshness, no condemnation, no trivial pursuit of post mortem name calling. Rather, he has a keen sense of the historical, the theological, and the inevitable. Written for the general reader and specialist in area studies alike, providing a deep sense of anthropology as well as history. *The Hispanic Labyrinth* has an ambitious aim to give all concerned in this relationship a sense of common cause in building democracy in the process of global interaction. Xavier Rubert deVentos holds the chair in Esthetics at the University of Barcelona. He is a Santayana Fellow at Harvard University and a founding member of the New York Institute for the Humanities. He has held visiting professorships at the University of Cincinnati and the University of California at Berkeley. He is the author of works in Spanish and Catalan including *On Modernity*, *The Theory of Sensibility*, and other books on philosophical themes. He is also a deputy to the European Parliament. *The Hispanic Labyrinth* is translated from Spanish by Mary Ann Newman, teacher of Spanish American literature in New York City.

The End of the Spanish Empire, 1898-1923 Sebastian Balfour, 1997. This is the first full account in any language of Spain's disastrous war with the United States in 1898, in which she lost the scattered remnants of her old empire. It is also the first comprehensive analysis of the ensuing political and social crisis in Spain, stretching from the loss of the Empire to the military coup of 1923. Sebastian Balfour weaves together political, economic, and social history in his study of the reaction to war and crisis by a wide range of participants, from rioters to rulers. He examines the rise of Catalan nationalism, the fruitless efforts of politicians and intellectuals to regenerate Spain from above, the disintegration of Spain's political system before 1923, and the creation of an imperial myth in the subsequent dictatorship of Primo de Rivera and Franco. This is essential reading for anyone wishing to understand the roots of the Spanish crisis in the first half of the twentieth century.

Las Culturas y Civilizaciones Latinoamericanas Floyd Merrell, María Teresa DePaoli, 2016-11-14. *Las culturas y civilizaciones latinoamericanas* has been updated. This textbook not only describes the history of Latin America but it sets a mood that allows the reader to get a genuine sense of the languages, cultures, and civilizations of this complex and colorful land. It provides an account of how Columbus's voyages gave rise to utopian dreams, the ramifications of which led to a brilliant display of hybrid cultures, changed the ethnic composition of two continents, accelerated lines of commerce, and refashioned the Western World's diet. The textbook takes the reader through the discovery, conquest, and colonization of the New World and on to independence and the national period. In addition, each chapter offers general concepts, important terms, questions, and topics for classroom debates. Comprehensive and compelling, this book chronicles the history of an important region in a way that will interest students and teachers alike.

Slavery and the Culture of Taste Simon Gikandi, 2014-04-27. It would be easy to assume that in the eighteenth century, slavery and the culture of taste, the world of politeness, manners, and aesthetics, existed as separate and unequal domains, unrelated in the spheres of social life. But to the contrary, *Slavery and the Culture of Taste* demonstrates that these two areas of modernity were surprisingly entwined. Ranging across Britain, the antebellum

South and the West Indies and examining vast archives including portraits period paintings personal narratives and diaries Simon Gikandi illustrates how the violence and ugliness of enslavement actually shaped theories of taste notions of beauty and practices of high culture and how slavery's impurity informed and haunted the rarified customs of the time Gikandi focuses on the ways that the enslavement of Africans and the profits derived from this exploitation enabled the moment of taste in European mainly British life leading to a transformation of bourgeois ideas regarding freedom and selfhood He explores how these connections played out in the immense fortunes made in the West Indies sugar colonies supporting the lavish lives of English barons and altering the ideals that defined middle class subjects Discussing how the ownership of slaves turned the American planter class into a new aristocracy Gikandi engages with the slaves own response to the strange interplay of modern notions of freedom and the realities of bondage and he emphasizes the aesthetic and cultural processes developed by slaves to create spaces of freedom outside the regimen of enforced labor and truncated leisure Through a close look at the eighteenth century's many remarkable documents and artworks *Slavery and the Culture of Taste* sets forth the tensions and contradictions entangling a brutal practice and the distinctions of civility **The Mexicans** Floyd

Merrell, 2018-02-15 This book captures and reveals the intriguing complexities of daily life in Mexico from its artistic pursuits to its political and economic patterns It is of interest to students who during their professional career expect to come into contact with citizens of Mexican origin in the United States **Contested Ground** Donna J. Guy, Thomas E.

Sheridan, 1998-04 The Spanish empire in the Americas spanned two continents and a vast diversity of peoples and landscapes Yet intriguing parallels characterized conquest colonization and indigenous resistance along its northern and southern frontiers from the role played by Jesuit missions in the subjugation of native peoples to the emergence of livestock industries with their attendant cowboys and gauchos and threats of Indian raids In this book nine historians three anthropologists and one sociologist compare and contrast these fringes of New Spain between 1500 and 1880 showing that in each region the frontier represented contested ground where different cultures and polities clashed in ways heretofore little understood The contributors reveal similarities in Indian-white relations military policy economic development and social structure and they show differences in instances such as the emergence of a major urban center in the south and the activities of rival powers The authors also show how ecological and historical differences between the northern and southern frontiers produced intellectual differences as well In North America the frontier came to be viewed as a land of opportunity and a crucible of democracy in the south it was considered a spawning ground of barbarism and despotism By exploring issues of ethnicity and gender as well as the different facets of indigenous resistance both violent and nonviolent these essays point up both the vitality and the volatility of the frontier as a place where power was constantly being contested and negotiated The Unconverted Self Jonathan Boyarin, 2011-05-14 The *Unconverted Self* proposes that questions of difference inside Christian Europe not only are inseparable from the painful legacy of colonialism but also reveal Christian domination to be a fragile

construct Boyarin compares the Christian efforts aimed toward European Jews and toward indigenous peoples of the New World bringing into focus the intersection of colonial expansion with the Inquisition and adding significant nuance to the entire question of the colonial encounter Publisher description **Landscapes of Fraud** Thomas E. Sheridan, 2016-05-26

From the actions of Europeans in the seventeenth century to the real estate deals of the modern era people making a living off the land in southern Arizona have been repeatedly robbed of their way of life History has recorded more than three centuries of speculative failures that never amounted to much but left dispossessed people in their wake This book seeks to excavate those failures to examine the new social spaces the schemers struggled to create and the existing social spaces they destroyed Landscapes of Fraud explores how the penetration of the evolving capitalist world system created and destroyed communities in the Upper Santa Cruz Valley of Arizona from the late 1600s to the 1970s Thomas Sheridan has melded history anthropology and critical geography to create a penetrating view of greed and power and their lasting effect on those left powerless Sheridan first examines how O odham culture was fragmented by the arrival of the Spanish telling how autonomous communities moving across landscapes in seasonal rounds were reduced to a mission world of subordination Sheridan then considers the fate of the Tumac cori grant and Baca Float No 3 another land grant He tells the unbroken story of land fraud from Manuel Mar a G ndara s purchase of the abandoned Tumac cori grant at public auction in 1844 through the bankruptcy of the shady real estate developers who had fraudulently promoted housing projects at Rio Rico during the 1960s and 70s As the Upper Santa Cruz Valley underwent a wrenching transition from a landscape of community to a landscape of fraud the betrayal of the O odham became complete when land that most elemental form of human space was transformed from a communal resource into a commodity bought and sold for its future value Today Mission Tumac cori stands as a romantic icon of the past while the landscapes that supported it lay buried under speculative schemes that continue to haunt our history
