The Holocaust The History Of The Jews In Romania 4:

The Ghetto in Global History Wendy Z. Goldman, Joe William Trotter, Jr., 2017-11-27 The Ghetto in Global History explores the stubborn tenacity of the ghetto over time As a concept policy and experience the ghetto has served to maintain social religious and racial hierarchies over the past five centuries Transnational in scope this book allows readers to draw thought provoking comparisons across time and space among ghettos that are not usually studied alongside one another The volume is structured around four main case studies covering the first ghettos created for Jews in early modern Europe the Nazis use of ghettos the enclosure of African Americans in segregated areas in the United States and the extreme segregation of blacks in South Africa The contributors explore issues of discourse power and control examine the internal structures of authority that prevailed and document the lived experiences of ghetto inhabitants By discussing ghettos as both tools of control and as sites of resistance this book offers an unprecedented and fascinating range of interpretations of the meanings of the ghetto throughout history It allows us to trace the circulation of the idea and practice over time and across continents revealing new linkages between widely disparate settings Geographically and chronologically wide ranging The Ghetto in Global History will prove indispensable reading for all those interested in the history of spatial segregation power dynamics and racial and religious relations across the globe

The Origins and Onset of the Romanian Holocaust Henry Eaton, 2013-05-15 The first mass killings of the Romanian Holocaust in late June to early July 1941 brutally claimed thousands of victims and marked the beginning of the government's plan to cleanse the land of Jews Moreover of all the Third Reich's allies only Romania undertook its genocide campaign without the intervention of Himmler's SS In The Origins and Onset of the Romanian Holocaust author Henry Eaton traces the historical path to this tragedy by examining both Romania's antisemitic history and looking at the initial mass killings in detail First Eaton traces the roots of the Romanian government's decision to exterminate Jews in Romania and in its annexed areas through its long and often violent antisemitic past While the decision to target the Jews might have been ordered by dictator Ion Antonescu and his top civil and military officials Eaton argues that it found its basis in an entrenched cultural abuse of Jews dating back to the nineteenth century In the second section Eaton analyzes the Romanian government's first killing operations the execution of 311 Jewish men women and children at St nca Rosnovanu by men of the Romanian 6th Cavalry Regiment the great pogrom in the city of Iasi triggered by agents of the government's intelligence service and the two death trains in which some 2 700 pogrom survivors perished in freight cars turned into ovens by the summer heat In the final chapters Eaton examines the victims and perpetrators in detail and addresses the possible German connections to the killings The Origins and Onset of the Romanian Holocaust persuasively challenges the idea that Romania's adoption of murder as state policy was due to outside pressure Eaton's volume will be illuminating reading for Holocaust studies scholars and readers interested in World War II history
