Guéranger, 2010-08-31 The majority of the explanations in this work come from the writings of Prosper Louis Pascal Guéranger 1805-1875 They have herein been compiled and edited for the Ancient Roman Rite Liturgies which were used during the period of 1806-1925 I have translated all Latin into English and have edited the Ancient Roman Rite Liturgy into modern English while retaining the original meanings This work explains the Holy Sacrifice of the Mass for that Ancient Roman Rite Liturgy which was given to us by Christ and passed on by His disciples to Holy Mother Church **The Holy Sacrifice of the Mass Explained** Martin (von Cochem), 1996 *The Holy Sacrifice of the Mass Explained in Sermons, a Course of Seven Lenten Sermons, Including a Sermon for Good Friday and Eleven Sermons on the Sacred Heart* Joseph Fuhlrott, 2018-11-04 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Magnificent Holy Sacrifice of the Mass Explained** Mary Ann Wheeler, 2018-03-26 A comprehensive overview of all that pertains to the Holy Sacrifice of the Mass This book is put together in a user friendly way to get a to the point yet rich understanding of the Mass It is spiral bound for effortless use reference and copying It is printed in a large easy to read font along with a bullet point format where the reader can find answers to the most asked questions about the Holy Sacrifice of the Mass It also includes worksheets ready for copying for homeschool or classroom In this book you will learn Why we go to Church on Sunday How to prepare for Holy Mass Who can offer the Holy Sacrifice of the Mass About the Vestments worn by the Priest The different parts of the Mass About the Sacred Mystery and greatest Miracle The effects of receiving Holy Communion An overview of the Mass laid out for at a glance comprehension **An Explanation of the Holy Sacrifice of the Mass** Michael Francis Howley, 1894

The Holy Sacrifice of the Mass Rev Nicholas Gihl, Brother Hermenegild, 2014-10-19 As the Holy Sacrifice of the Mass is the centre of Catholic worship and life a more profound knowledge of the Mass is considered essential and most desirable for all the faithful but especially for the priest Although literature on this subject is rather abundant the present volume which has been drawn from every available source at the Author's command may not be deemed superfluous Its object is in the main both practical and ascetical to appeal not only to the understanding but also to inflame the heart and to move the

will The selection and the treatment of the matter have necessarily been directed to this object As it is not our intention to present a purely scientific and exhaustive treatise on the Eucharistic Sacrifice but to build upon the foundation of scientific studies and inferences a work useful and practical for the clergy certain questions of scientific and historic nature may receive scarcely more than a brief and passing mention Denis the Carthusian In this writing it was not my intention in expounding the words of the Mass as devoutly as I could to raise any question or touch on anything but what might move the heart and excite to devotion Therefore all polemical critical quotations and statements open to contradiction have as much as possible been avoided In disputed points we have always seriously and carefully weighed the reasons pro and con but in the book itself we have merely stated what appeared to us the most solidly grounded As edification and devotion must at all times rest on theological truth and emanate from it it became necessary to present the Dogma and Rite of the Eucharistic Sacrifice clearly thoroughly and correctly according to the spirit and intention of the Church thus only do the ascetical considerations and applications find a solid foundation to rest on For without truth piety is feeble and without piety truth is sterile and void Suarez In the explanation of the Rite we have strictly adhered to the words and actions of the liturgical formulae endeavoring at the same time in accordance with approved ecclesiastical tradition to avoid as far as possible all subjectivism and artificiality A correct and clear understanding as well as frequent consideration of the profound and mystical Rite of the Mass will in all probability be the best means to enable the priest to refrain from a thoughtless habitual mannerism and lead him to celebrate the adorable mysteries of the Altar with becoming attention devotion and reverence The priest who studies this book will moreover find manifold reasoning and argument wherewith to direct the faithful according to their capacity in the proper understanding of the Divine Sacrifice and in their fervent recourse to the Eucharistic fount of grace The authorities of the Church have often impressed upon pastors that this is a chief duty of directors of souls for the conscientious discharge of which they shall have to render an account before God Although this volume is principally intended for the use of the clergy it has been so arranged that the more highly cultured of the laity may also peruse it with profit
