expression of terror and Mortimer saw the footprints of a gigantic hound near the body A series of mysterious events in London seems to indicate that Henry is in real danger persuading Holmes to take up the case a complex mystery that leads from the streets of London to the barren moors of Devon and the deadly bogs of the Grimpen Mire with a scattering of clues and seemingly unrelated events along the way to make this classic tale a thoroughly enjoyable and well plotted mystery story all the more so because of the presence of Holmes and Watson Sir Arthur Conan Doyle 1859 1930 is known the world over as the creator of the famous consulting detective Sherlock Holmes but was a prolific writer who produced a large body of work ranging from non fiction and full length novels to a wide variety of short stories Doyle s first major success as a writer came with the debut of Sherlock Holmes in the 1887 publication of A Study in Scarlet Holmes was a popular sensation and more stories followed By 1891 Sherlock Holmes was enough to provide Doyle a living but Doyle came to resent Holmes who kept him from what he considered more important work In 1893 he killed Holmes as the detective and his archenemy Professor Moriarty plunged to their deaths at Reichenbach Falls in The Final Problem It was no mere publicity stunt Doyle considered himself finished with Mr Sherlock Holmes The public uproar in reaction to Holmes death shocked Doyle with even his own mother complaining and as the clamor continued he was forced to bring the detective back in The Hound of the Baskervilles published to a vast public sigh of relief in 1901 Ironically the character Doyle resented as a distraction from serious work would ultimately appear in fifty six short stories and four novels together with countless adaptations to films television cartoons and modern pastiches by an assortment of authors Other Sherlock Holmes classics available from Apex Publications in large print editions are The Adventures of Sherlock Holmes The Sign of the Four A Study in Scarlet The Memoirs of Sherlock Holmes The Return of Sherlock Holmes and His Last Bow **The Hound of the Baskervilles** Arthur Conan Doyle, Sir, 2017-04-02 For centuries a hellish demonic hound has haunted the Baskerville family damning them to early and violent deaths The most famous and celebrated case of Sherlock Holmes long and distinguished career pits the master detective against the legend of the Hound as he tries to solve the murder of Sir Charles Baskerville in time to save his heir Sir Henry from a similar fate Large Print of the HOUND of the BASKERVILLES Arthur Conan Doyle, 2015-01-21 Of the origin of the Hound of the Baskervilles there have been many statements yet as I come in a direct line from Hugo Baskerville and as I had the story from my father who also had it from his I have set it down with all belief that it occurred even as is here set forth And I would have you believe my sons that the same Justice which punishes sin may also most graciously forgive it and that no ban is so heavy but that by prayer and repentance it may be removed Learn then from this story not to fear the fruits of the past but rather to be circumspect in the future that those foul passions whereby our family has suffered so grievously may not again be loosed to our undoing Know then that in the time of the Great Rebellion the history of which by the learned Lord Clarendon I most earnestly commend to your attention this Manor of Baskerville was held by Hugo of that name nor can it be gainsaid that he was a most wild profane and godless man This in truth his neighbours might have

pardoned seeing that saints have never flourished in those parts but there was in him a certain wanton and cruel humour which made his name a by word through the West It chanced that this Hugo came to love if indeed so dark a passion may be known under so bright a name the daughter of a yeoman who held lands near the Baskerville estate But the young maiden being discreet and of good repute would ever avoid him for she feared his evil name So it came to pass that one Michaelmas this Hugo with five or six of his idle and wicked companions stole down upon the farm and carried off the maiden her father and brothers being from home as he well knew When they had brought her to the Hall the maiden was placed in an upper chamber while Hugo and his friends sat down to a long carouse as was their nightly custom Now the poor lass upstairs was like to have her wits turned at the singing and shouting and terrible oaths which came up to her from below for they say that the words used by Hugo Baskerville when he was in wine were such as might blast the man who said them At last in the stress of her fear she did that which might have daunted the bravest or most active man for by the aid of the growth of ivy which covered and still covers the south wall she came down from under the eaves and so homeward across the moor there being three leagues betwixt the Hall and her father s farm It chanced that some little time later Hugo left his guests to carry food and drink with other worse things perchance to his captive and so found the cage empty and the bird escaped Then as it would seem he became as one that hath a devil for rushing down the stairs into the dining hall he sprang upon the great table flagons and trenchers flying before him and he cried aloud before all the company that he would that very night render his body and soul to the Powers of Evil if he might but overtake the wench And while the revellers stood aghast at the fury of the man one more wicked or it may be more drunken than the rest cried out that they should put the hounds upon her Whereat Hugo ran from the house crying to his grooms that they should saddle his mare and unkennel the pack and giving the hounds a kerchief of the maid s he swung them to the line and so off full cry in the moonlight over the moor Now for some space the revellers stood agape unable to understand all that had been done in such haste But anon their bemused wits awoke to the nature of the deed which was like to be done upon the moorlands Everything was now in an uproar some calling for their pistols some for their horses and some for another flask of wine But at length some sense came back to their crazed minds and the whole of them thirteen in number took horse and started in pursuit The moon shone clear above them and they rode swiftly abreast taking that course which the maid must needs have taken if she were to reach her own home

Supernatural forces brought justice to him Now it appears that those forces have returned when Charles Baskerville is found dead and beside him are the tracks of a gigantic hound Sherlock Holmes travels to the desolate moors and with the help of Dr Watson he investigates And he must move quickly before the spectral hound strikes again These books are great gifts for someone you care about who needs a larger size print to be able to enjoy these wonderful stories **The Hound of the Baskervilles** Sir Arthur Conan Doyle, 2021-05-03 Full and original version Excellent text formatting The table of contents is very accurate Standard printing Hound of the Baskervilles is the third four crime novel written by Sir Arthur Conan Doyle in the presence of Detective Sherlock Holmes The series which was serialized in Strand Magazine from August 1901 to April 1902 is based in Dartmore Devon in the west of England and tells the story of a murder inspired by the legend of a terrifying and evil supernatural dog Sherlock Holmes and his companion Dr Watson are investigating This was Holmes first appearance since considering his death in The Final Problem and the success of The Hound of the Baskervilles led to the final revival of the character
