The Christ-Haunted Landscape Susan Ketchin,2009-11-12 Here are Susan Ketchin s discerning interviews with twelve southerners living and writing in the South and along with a piece of fiction by each are her penetrating commentaries about the impact of southern religious experience on their work A little more than a generation ago Flannery O Connor made a startling observation about herself and her fellow southerners By and large she said people in the South still conceive of humanity in theological terms While the South is hardly Christ centered it is most certainly Christ haunted The southerner who isn t convinced of it is very much afraid that he may have been formed in the image and likeness of God Guided by O Connor s perceptive commentary about southerners in general Susan Ketchin has created a deeply revealing collection that mirrors the pervasive role of religion in the literature by the recent generation of notable southern writers Ketchin confirms that old time religion remains a potent force in the literature of the contemporary South **My Generation** William

Styron,2015-06-02 A vital illuminating collection of the Pulitzer Prize and National Book Award winner s elegant passionately engaged nonfiction *My Generation* is the definitive gathering of William Styron s nonfiction exposing the core of this greatly gifted highly convivial and profoundly serious artist from his literary emergence in the 1950s to his death in 2006 Here are fifty years of Styron s essays memoirs reviews op eds articles eulogies and speeches reflecting the same brilliant style and informed thinking that he brought to his towering fiction and to a deeply committed public life Including many newly collected and never before published items this compendium ranges from the original mission statement of *The Paris Review*

which Styron helped found in 1953 to a 2001 tribute to his friend Philip Roth creating an essential overview of arts and letters during the post World War II years In these pages Styron writes vividly of childhood days in Tidewater Virginia spent going to movies not reading books It does not mean the death of literacy or creativity if one is drenched in popular culture at an early age He recalls being among the group of soldiers who would have been sent to invade Japan and were saved by Truman's decision to drop the atomic bomb which Styron feels was the right choice even though its absolute rightness can never be proved And he writes as few others have about midlife battles with clinical depression a pain that is all but indescribable and therefore to everyone but the sufferer almost meaningless Here too are Styron's personal encounters with world leaders fellow authors and friends each of whom comes memorably to life Styron recalls sharing contraband Cuban cigars with JFK a naughty memento a conversation piece with a touch of scandal getting lost in the snow with Robert Penn Warren and party hopping with the young James Jones an experience he likens to keeping company with a Roman emperor The beginnings of his masterpieces *The Confessions of Nat Turner* and *Sophie's Choice* are chronicled here along with the controversy that greeted the former upon its 1967 publication Throughout Styron celebrates the men and women of his generation whose lives were forged in the crucible of World War II Whether he's recounting a walk with his dog musing on the Modern Library's list of the hundred best English language novels of the twentieth century or contemplating America's fraught racial legacy from his point of view as the grandson of a woman who owned slaves William Styron writes always in urgent finely calibrated prose These fascinating pieces bring readers closer to this great writer and the world he observed interacted with and changed Praise for *My Generation* William Styron's *My Generation* Collected Nonfiction is both unsurpassably charming and unflinchingly honest whether recounting the fallout from *The Confessions of Nat Turner* or reminiscing about the slave owning grandmother who warned him never to forget he was a Southerner *Vogue* At its most accomplished Styron's non fiction mixes a conscientious richly traditional prose style with a strong current of fellow feeling a certain awe at the human condition which is what gives power to his best fiction Styron stood tall in his generation and the best of him will stand up over time *USA Today* A must for every Styron fan's library *BBC* *The Nation*, 1922
