The Kidnapping Of The President:

The Kidnapping of the President Charles Templeton,1974 The President of the United States kidnapped and held hostage at the brink of dath the frightening culmination of the political madness that has wracked America in recent years This suspense ridden novel proves it to be possible as Charles Templeton brings the reader face to face with that ordeal His vivid action packed story is so true to life so authentic in its smallest detail that readers will have to remind themselves it s only fiction so far *The kidnapping of the President* Charles Templeton,1977 *The Presidents We Imagine* Jeff Smith,2009-03-19 In *The Presidents We Imagine* Jeff Smith examines the presidency s ever changing place in the American imagination Ranging across different media and analyzing works of many kinds some familiar and some never before studied he explores the evolution of presidential fictions their central themes the impact on them of new and emerging media and their largely unexamined role in the nation s real politics **The Green Bag** ,1902 Includes index 1 v *A History of the National Capital from Its Foundation Through the Period of the Adoption of the Organic Act* Wilhelmus Bogart Bryan,1916

The President's Daughter Lawrence Omene,2006-02 Betty Smith daughter of the president of the United States is a rare combination of extreme beauty and intelligence She is also a unique product of a new form of security initiative Betty is a walking weaponry entity She can operate literally any type of weaponry system has extensive knowledge of technology and geography and is fluent in six languages Her extensive training has been kept secret unknown to even her closest confidants including the President and First Lady Betty journeys through a sequence of encounters with Islamic fundamentalists First she is kidnapped but the abductors soon find out that they made a great mistake and they pay dearly for it The counteroffensives Betty launches and the subsequent engagement with other terrorists prove that she is certainly not just a girl next door but also a product of hardcore military training and a blend of all the branches of Special Forces In the end the toughest challenge she faces is with her own fellow citizens When her father s heart fails and he needs a donor for a heart transplant operation Betty is lied to about the identity of the donor This level of betrayal is utterly overwhelming and unacceptable to Betty And she s going to make sure that someone answers for it [The Social History of Crime and Punishment in America](#) Wilbur R. Miller,2012-07-20 Several encyclopedias overview the contemporary system of criminal justice in America but full understanding of current social problems and contemporary strategies to deal with them can come only with clear appreciation of the historical underpinnings of those problems Thus this five volume work surveys the history and philosophy of crime punishment and criminal justice institutions in America from colonial times to the present It covers the whole of the criminal justice system from crimes law enforcement and policing to courts corrections and human services Among other things this encyclopedia explicates philosophical foundations underpinning our system of justice charts changing patterns in criminal activity and subsequent effects on legal responses identifies major periods in the development of our system of criminal justice and explores in the first four volumes supplemented by a fifth volume containing annotated

primary documents evolving debates and conflicts on how best to address issues of crime and punishment Its signed entries in the first four volumes supplemented by a fifth volume containing annotated primary documents provide the historical context for students to better understand contemporary criminological debates and the contemporary shape of the U S system of law and justice President's Kill List Luca Trenta,2024-05-31 From Fidel Castro to Qassem Soleimani the US government has been involved in an array of assassinations and assassination attempts against foreign leaders and officials The President s Kill List reveals how the US government has relied on a variety of methods from the use of poison to the delivery of sniper rifles and from employing hitmen to simply laying the groundwork for local actors to do the deed themselves It shows not only how policymakers decided on assassination but also the level of Presidential control over these decisions Tracing the history of the US government s approach to assassination the book analyses the evolution of assassination policies and for the first time reveals how successive administrations through private justifications and public legitimations ensured assassination remained an available tool **Public Papers of the Presidents of the United States** United States. President,1978 **Public Papers of the Presidents of the United States, Jimmy Carter, 1978, Book 1: January 1 to June 30, 1978** Jimmy Earl Carter, *Report of the President's Special Review Board* United States. President's Special Review Board,1987 *The New York Times Current History* ,1917 He Has Shot the President! Don Brown,2014-04 Covers the assassination of Abraham Lincoln and the manhunt that followed **Investigation of the Assassination of President John F. Kennedy** United States. Warren Commission,1964 Warren Commission hearings

The President's Daughter James Patterson,Bill Clinton,2021-06-07 A rocket ride of a thriller the 1 New York Times bestselling blockbuster by President Bill Clinton and James Patterson the dream team Lee Child All Presidents have nightmares This one is about to come true Every detail is accurate because one of the authors is President Bill Clinton The drama and action never stop because the other author is James Patterson Matthew Keating a one time Navy SEAL and a past president has always defended his family as staunchly as he has his country Now those defenses are under attack A madman abducts Keating s teenage daughter Melanie turning every parent s deepest fear into a matter of national security As the world watches in real time Keating embarks on a one man special ops mission that tests his strengths as a leader a warrior and a father The authors first collaboration The President Is Missing a 1 New York Times bestseller and the 1 bestselling novel of 2018 was praised as ambitious and wildly readable New York Times Book Review and a fabulously entertaining thriller Pulitzer Prize winning author Ron Chernow **The President's Daughter** Annette Broadrick,2010-08-01 Never falter Never flinch And never let anyone get too close Steely Special Agent Nick Logan knew the rules for protecting the First Family What he didn t know was why Ashley Sullivan the president s all too distracting daughter would balk at his assignment as her bodyguard and sabotage his self control Chaste yet alluring Ashley seemed intent on uncovering the man behind Nick s rock hard muscles and mirrored shades But didn t this innocent see the dangers all around her The danger in

such a man's kiss Worse who would protect Ashley's bodyguard once he broke the rules Once he got too close to the president's daughter

For Whom the Dogs Spy Raymond A. Joseph, 2015-01-06 When the 2010 earthquake struck Haiti Raymond Joseph the former Haitian ambassador to the United States found himself rushing back to his beloved country The earthquake ignited a passion in Joseph inspiring him to run for president against great competition including two well known Haitian pop stars his nephew Wyclef Jean and Michel Martelly But he couldn't compete in a democratic system corrupt to the core Joseph's insider's account having served four presidents explores the country's unfolding democracy He unearths the hidden stories of Haiti's cruel dictators focusing on the tyranny of François Papa Doc Duvalier who used the legend of voodoo to bewitch the country into fearing him Joseph's terrifying experiences while infiltrating the father-son regime are chilling Threatened by Duvalier's budding gestapo-like police Joseph sought sanctuary in America His grueling experience in Haitian politics gave him a unique outlook on international affairs and he excelled in his ambassadorial career in the United States Deep personal knowledge of politics allows Joseph to speak candidly about Haitian history Readers will be surprised at how important the country of Haiti has been in global and especially American history In this decades spanning work he challenges common misconceptions about Haiti The country is rarely referenced without a mention of it being the poorest in the Western Hemisphere a reductive label unfit for summarizing its rich history There is no discussion around Haitian history beyond the war of independence In *For Whom the Dogs Spy* Raymond Joseph provides a compelling modern day look at Haiti like no other With this book Ambassador Raymond Joseph warns readers about Haiti's current political leaders attempts to impose a new dictatorship His hope is that Haiti can right itself despite the destruction it has suffered at the hands of man and nature
