The Kindergarten Log Volume 1:

The kindergarten log Mary Jackson Ellis, Jewell Sears, 1955 **Simplified Signs: A Manual Sign-Communication System for Special Populations, Volume 1.** John D. Bonvillian, Nicole Kissane Lee, Tracy T. Dooley, Filip T.

Loncke, 2020-07-30 Simplified Signs presents a system of manual sign communication intended for special populations who have had limited success mastering spoken or full sign languages. It is the culmination of over twenty years of research and development by the authors. The Simplified Sign System has been developed and tested for ease of sign comprehension, memorization, and formation by limiting the complexity of the motor skills required to form each sign and by ensuring that each sign visually resembles the meaning it conveys. Volume 1 outlines the research underpinning and informing the project and places the Simplified Sign System in a wider context of sign usage historically and by different populations. Volume 2 presents the lexicon of signs totalling approximately 1000 signs each with a clear illustration and a written description of how the sign is formed as well as a memory aid that connects the sign visually to the meaning that it conveys. While the Simplified Sign System originally was developed to meet the needs of persons with intellectual disabilities, cerebral palsy, autism, or aphasia, it may also assist the communication needs of a wider audience such as healthcare professionals, aid workers, military personnel, travellers, or parents and children who have not yet mastered spoken language. The system also has been shown to enhance learning for individuals studying a foreign language. Lucid and comprehensive, this work constitutes a valuable resource that will enhance the communicative interactions of many different people and will be of great interest to researchers and educators alike.

TV journalist Elizabeth E. M. Danniher will tell you she committed two sins: she didn't stay young and she made an enemy of a powerful news executive, her ex. She used to break national news. Now her top story as the Helping Out reporter at dinky KWMT TV in Sherman, Wyoming, is getting a defective toaster repaired. Soon she's in a battle of wills with ex-football player turned journalist Mike Paycik. Does he see her as a handy rung on his career ladder, a potential partner in fighting crime, or something more? And there's the matter of a deputy sheriff missing or murdered. Elizabeth finds herself investigating at the insistence of a little girl who doesn't so much ask for help as demand. Elizabeth proves her father's innocence. Not that enigmatic rancher Thomas Burrell makes investigating easy. She, Mike, and more colleagues heat up this cold case fast. Learning Cottonwood County's secrets. Tough, funny, and determined, Elizabeth wrestles with isolation, keeping a professional edge, an evolving self-image. Oh yes, and a rental unaffectionately known as the Hovel and a standoffish stray dog.
