Marcel A. Müller

The King James Bible Translators:

Translating for King James John Bois, Ward Allen, 1993 Ward Allen's Translating for King James Notes Made by a Translator of King James's Bible is a fascinating look at how the best selling book of all time took shape and sound The recovery of thirty nine amazingly legible pages of John Bois's private notes reveals how a committee of scholarly translators urged and argued bickered and shouted into being the most glorious document in the history of the English language Book jacket **The King James Bible Translators** Olga S. Opfell, 1982 **English Language Bible Translators** William E. Paul, 2009-05-01 More than 300 Bible or New Testament translations including the popular King James Version have been produced in English in the past 600 years These various translations both obscure and well known were undertaken by diligent individuals working either alone or in committees known to number more than 100 This reference work provides information about the men and women who produced English language translations Arranged alphabetically by surname each of the 346 entries includes biographical and vocational information notes on the various editions produced samples of their translation and other pertinent facts In cases where translations were done by committee the chairpersons and project initiators are covered Important anonymous translations are also included Translation that Openeth the Window David G. Burke, 2009 In celebration of the work of the translators of the King James Bible and the fruit of their labors the authors of this volume representing a wide range of disciplines and perspectives examine the cultural and religious monument that is the King James Bible After David G. Burke's introduction to the volume Alister McGrath Benson Bobrick Lynne Long and John R. Kohlenberger III explore in part 1 The World of Bible Translation before the King James Version In part 2 A. Kenneth Curtis Barclay M. Newman and Charles Houser and Jack Lewis investigate The Making of the King James Bible In part 3 Leonard J. Greenspoon Cheryl J. Sanders Lamin Sanneh David Lyle Jeffrey and James R. White review The World of Bible Translation after the King James Bible Paperback 296 pages **The Translators to the Reader** Miles Smith, 1935 THE KING JAMES BIBLE Edward D. Andrews, 2018-08-10 The King James Version of the Bible King James, Murat Ugray, 2014-09-23 The King James Version KJV commonly known as the Authorized Version AV or King James Bible KJB is an English translation of the Christian Bible for the Church of England begun in 1604 and completed in 1611 First printed by the King's Printer Robert Barker this was the third translation into English to be approved by the English Church authorities The first was the Great Bible commissioned in the reign of King Henry VIII and the second was the Bishops Bible of 1568 In January 1604 King James I convened the Hampton Court Conference where a new English version was conceived in response to the perceived problems of the earlier translations as detected by the Puritans a faction within the Church of England James gave the translators instructions intended to guarantee that the new version would conform to the ecclesiology and reflect the episcopal structure of the Church of England and its belief in an ordained clergy The translation was done by 47 scholars all of whom were members of the Church of England In common with most other translations of the period the New Testament

was translated from Greek the Old Testament was translated from Hebrew text while the Apocrypha were translated from the Greek and Latin In the Book of Common Prayer 1662 the text of the Authorized Version replaced the text of the Great Bible for Epistle and Gospel readings and as such was authorized by Act of Parliament By the first half of the 18th century the Authorized Version was effectively unchallenged as the English translation used in Anglican and Protestant churches Over the course of the 18th century the Authorized Version supplanted the Latin Vulgate as the standard version of scripture for English speaking scholars Today the most used edition of the King James Bible and often identified as plainly the King James Version especially in the United States closely follows the standard text of 1769 edited by Benjamin Blayney at Oxford Editorial Criticism F H A Scrivener and D Norton have both written in detail on editorial variations which have occurred through the history of the publishing of the Authorized Version from 1611 to 1769 In the 19th century there were effectively three main guardians of the text Norton identified five variations among the Oxford Cambridge and London Eyre and Spottiswoode texts of 1857 such as the spelling of farther or further at Matthew 26 29 In the 20th century variations between the editions was reduced to comparing the Cambridge to the Oxford Distinctly identified Cambridge readings included or Sheba Josh 19 2 sin 2 Chr 33 19 cliffs Job 30 6 vapour Psalm 148 8 flieth Nah 3 16 further Matt 26 39 and a number of other references In effect the Cambridge was considered the current text in comparison to the Oxford Cambridge University Press introduced a change at 1 John 5 8 in 1985 reverting its longstanding tradition of having the word spirit in lower case to have a capital letter S It has also done the same in some of its publications in Acts 11 12 and 11 28 These are instances where both Oxford and Cambridge have now altered away from Blayney s 1769 Edition The distinctions between the Oxford and Cambridge editions has been a major point in the Bible version debate Differences among Cambridge editions in the 21st century has become a potential theological issue particularly in regard to the identification of the Pure Cambridge Edition Translation The English terms rejoice and glory stand for the same word in the Greek original In Tyndale Geneva and the Bishops Bibles both instances are translated rejoice In the Douay Rheims New Testament both are translated glory Only in the Authorized Version does the translation vary between the two verses In the Old Testament the translators render the Tetragrammaton YHWH by the LORD in later editions in small capitals as LORD or the LORD God The King James Version at 400 David G. Burke, John F. Kutsko, Philip H. Towner, 2013-10-14 In this collection of essays thirty scholars from diverse disciplines offer their unique perspectives on the genius of the King James Version a translation whose 400th anniversary was recently celebrated throughout the English speaking world While avoiding nostalgia and hagiography each author clearly appreciates the monumental formative role the KJV has had on religious and civil life on both sides of the Atlantic and beyond as well as on the English language itself In part 1 the essayists look at the KJV in its historical contexts the politics and rapid language growth of the era the emerging printing and travel industries and the way women are depicted in the text and later feminist responses to such depictions Part 2 takes a closer look at the KJV as a translation and

the powerful precedents it set for all translations to follow with the essayists exploring the translators principles and processes with close examinations of Bancroft s Rules and the Prefaces assessing later revisions of the text and reviewing the translation s influence on the English language textual criticism and the practice of translation in Jewish and Chinese contexts Part 3 looks at the various ways the KJV has impacted the English language and literature the practice of religion including within the African American and Eastern Orthodox churches and the broader culture The contributors are Robert Alter C Clifton Black David G Burke Richard A Burridge David J A Clines Simon Crisp David J Davis James D G Dunn Lori Anne Ferrell Leonard J Greenspoon Robin Griffith Jones Malcolm Guite Andrew E Hill John F Kutsko Seth Lerer Barbara K Lewalski Jacobus A Naud David Norton Jon Pahl Kuo Wei Peng Deborah W Rooke Rodney Sadler Jr Katharine Doob Sakenfeld Harold Scanlin Naomi Seidman Christopher Southgate R S Sugirtharajah Joan Taylor Graham Tomlin Philip H Towner David Trobisch and N T Wright

The King James Only Controversy James R. White,2009-06 Authoritative answers defending the modern translations from those who say the King James is the only true Bible shows how Bible translation actually works

The Translators to the Readers: Preface to the King James Version Of 1611 King James Translators,2017-10-13 It is a shame that in most King James Bibles today the rather long dedication and epistle from the Translators is missing This is primarily done to save on printing and shipping costs Whether out of interest for the King James Bible or the broader context of the history of Biblical transmission and translation or simply as an important 17th century artefact this document is an invaluable historical work in its own right It is a work of its own merit and worthy to be read by all Christians everywhere The KJV is one of the most important documents in the history of English literature and so we thought it appropriate to present it here so that you can have a better understanding and appreciation of the English Bible we hold in our hands today We hope and pray it is a blessing to you

New King James - The Bridge Bible David W. Daniels,2020-05-20 Is The New King James Bible Just An Updated King James It promised to be a 5th edition of the KJV preserving the originally intended meaning of every verse Did publishers and translators keep their promise Author David Daniels shows us in this book that the classical language including the thees and thous is not all that was changed In fact this Bible is not a King James at all Some of the updates actually change doctrines I M NOT SAYING WHAT COULD HAPPEN I M SHOWING YOU WHAT DID HAPPEN DAVID W DANIELS It cannot be a true King James if salvation is changed from a finished work to an unfinished process 1 Corinthians 1 18 How can you know you are saved Or in Matthew 7 14 where it says Because narrow is the gate and difficult is the way which leads to life God did not make the way difficult Salvation is as close as our mouth and our heart These tiny changes as well as others like it have made a big difference moving people from faith to doubt in God and His words But there s more The publishers of the New King James said themselves that their goal was to provide a transitional bridge to a modern Bible and they sell plenty of them As people get used to seeing words changed in their Bible they soon will accept a Bible that changes even more Eventually you have a Bible with wording vague enough in many key areas that all the world s

religions will be able to fit their doctrines into it This is actually part of the larger plan for everyone to accept one world Bible for the Antichrist s coming one world religion How do we counter this By teaching our children how to read the clear words of the King James we can bring faith and not doubt to the next generation In fact as you will see in this book if previous generations had done this the New King James would never have been made *Translating the Bible Literally* Michael T. Schmid,2016-05-31 Differences in translation between so called literal Bible versions make it quite appropriate to re evaluate what is meant by the label literal What do different literal Bible translations have in common How do they differ How do we account for possible different concepts of literalness How is the concept of literalness applied to the making of a Bible translation To answer these questions the author compares three literal Bible translations the King James Version the New American Standard Bible and the English Standard Version For each of these versions the historical background and the writings of the translators themselves are analysed The book concludes with a comparison of the three translations in their renderings of selected examples from the Gospel of John *The Hidden King James Bible* Deane Kogelschatz,2003-02-18 Sex violence cruelty and a fair and just God who punishes others for what someone else has done are some of the subjects covered in *The Hidden King James Bible* What The Translators didn t Want You to Know From the Creation performed by the seven Elohim in the first book of Genesis to The Revelation the only book of the KJV Bible directly created by God and untouched by man this book exposes the translating secrets used by the King James Translators to hide ancient Hebrew belief systems from the Christian world Textual differences duplications as well as moral codes of the day provide an entertaining and enlightening insight as to the value systems of these ancient peoples and their motivations *The Hidden King James Bible* will certainly provide an eye opening experience and insight not only into the Ancient Hebrews but as to how our present Day Christian belief systems have been molded and guided in secret ways without our knowing **The Translators to the Readers: Preface to the King James Version Of 1611** King Translators,2016-01-31 It is a shame that in most King James Bibles today the rather long dedication and epistle from the Translators is missing This is primarily done to save on printing and shipping costs Whether out of interest for the King James Bible or the broader context of the history of Biblical transmission and translation or simply as an important 17th century artefact this document is an invaluable historical work in its own right It is a work of its own merit and worthy to be read by all Christians everywhere The KJV is one of the most important documents in the history of English literature and so we thought it appropriate to present it here so that you can have a better understanding and appreciation of the English Bible we hold in our hands today We hope and pray it is a blessing to you *A Textual History of the King James Bible* David Norton,2005-01-10 A detailed 2005 account of the history of the text of the new King James Version Bible **The Translators to the Reader** Miles Smith,1997 Original preface to the 1611 King James Version *Authorized* Mark Ward,2018-01-24 The King James Version has shaped the church our worship and our mother tongue for over 400 years But what should we do with it today The KJV beautifully rendered the

Scriptures into the language of turn of the seventeenth century England Even today the King James is the most widely read Bible in the United States The rich cadence of its Elizabethan English is recognized even by non Christians But English has changed a great deal over the last 400 years and in subtle ways that very few modern readers will recognize In Authorized Mark L Ward Jr shows what exclusive readers of the KJV are missing as they read God s word In their introduction to the King James Bible the translators tell us that Christians must heare CHRIST speaking unto them in their mother tongue In Authorized Mark Ward builds a case for the KJV translators view that English Bible translations should be readable by what they called the very vulgar and what we would call the man on the street **Understanding English Bible Translation** Leland Ryken,2009-09-02 From the KJV to the NIV NLT ESV and beyond English Bible translations have never been as plentiful as they are today This proliferation has also brought confusion regarding translation differences and reliability This book brings clarity to the issues and makes a strong case for an essentially literal approach Taking into account the latest developments in Bible translation Leland Ryken expertly clarifies the issues that underlie modern Bible translation by defining the terms that govern this discipline and offering a helpful Q individuals churches and ministries in the process of choosing a translation and college and seminary students and faculty **After 400 Years of the King James Version of the Bible** Joseph H. Miller,2011-11 The King James Version has proved itself for 400 years The greatest translators in history translated it A king directed them to translate it into English reproducing the original language of God s Word as close as possible One must use a literal translation My review suggests only three qualify The King James Version English Standard Version and the New Revised Standard Version The Dynamic Equivalent translations are not recommended because they omit or add words to God s original Words First things are put first with a technique of presenting God s Word to an individual who has never heard the name of Jesus The best criteria for selecting a Bible translation are outlined including a back up Bible Five bits of knowledge needed for Bible study are given The spirituality of the translators including Wycliffe and Tyndale are noted The King James Bible used today is the 1769 edition by Blayney Over 50 martyrs who died for God s Word are reviewed One of the greatest military battles for the preservation of God s Word is reviewed in detail There have been no manuscript discoveries that change the doctrine of the King James Bible **THE COMPLETE GUIDE TO BIBLE TRANSLATION** Edward D. Andrews,2016-05-30

The King James Bible Translators Book Review: Unveiling the Power of Words
