Strength for the Journey Theophilus Titus Chondol, 2014-11-12 Early reflections and impressions about the significance of life on earth and the purpose of our existence to bring glory and pleasure to our God remains the hallmark of this work After all what else are you here for if not to live for the cause God created you Jesus said For this cause came I unto this hour to this end was I born and for this cause came I into the world John 12:27 and 18:37 God in His grand plan for creation designed and decided our race tribes nationalities geographical locations times seasons and the bounds of our habitation God planned that mankind may seek Him and find Him because our purpose for existence is to His praise and glory Acts 17:26-28 and Isa 43:7 and 21 Theophilus approaches this book with simplicity sharing his very experience with God as he journeys in God to the place of true fulfillment in life The message in this book encourages you to never settle for God's second best when your original place is there for you before the foundation of the world God has made available the strength you need to be the person He had in mind for your assignment on earth This book shares that with you and encourages you to pursue your fullness in God

You Were Never Meant to Lead Alone E. K. Strawser, 2025-09-23 Build a Collaborative and Sustainable Ministry Structure The work of the church is more than any one person can handle and God never intended for one pastor to do all a church's ministry alone Discover a communal and biblical model of missional leadership in You Were Never Meant to Lead Alone In this book E K Strawser seeks to recover the shared leadership model of the early church offering a practical and inclusive alternative to hierarchical and patriarchal church leadership structures This book invites pastors church planters and ministry leaders to rethink how leadership can empower the entire body of Christ By identifying the gifts of apostles prophets evangelists shepherds and teachers this book provides a vision for leadership that fosters collaboration inclusivity and spiritual flourishing In this book Strawser Explores how shared leadership can be integrated into the structure of a church Expands on the fivefold diversity of leadership apostles prophets evangelists shepherds and teachers Highlights how different gifts and leadership styles suit various aspects of ministry Expands ministry beyond paid staff promoting inclusivity regardless of gender race or culture Addresses real life power dynamics and temptations leaders face and Offers practical sustainable structures to multiply leaders for the benefit of the entire community This book argues that for the church to truly reflect the fullness of Christ it must embrace the sharing of power If you're ready to reimagine ministry and build mature leadership in your church start with You Were Never Meant to Lead Alone

Shepherding a Womans Heart and Shepherding Women in Pain Kays own experience and the stories of women that are included illustrate how powerful these truths are and how crucial they are for women who truly desire to serve God in an extraordinary way Susie Hawkins author of From One Ministry Wife to Another **American Book Publishing Record**, 2003 **State of the Kingdom Address** David G Newby, 2017-12-13 Every year since 1790 during the presidency of George Washington the President of the United States has given an annual speech to the nation That speech is known as The State of the Union Address In it he discusses the greatest problems of the nation as well as a plan to overcome them The president s speech is one that unifies the nation and encourages citizens to work together to improve the country as one people regardless of party association or general beliefs and convictions The one thing that can arguably be agreed upon by most people is that everybody wants to live in a better country and benefit from the liberties life and opportunity that the United States has to offer This is a noble cause and makes the State of the Union Address more than simply a speech It is a bond that brings people together under the red white and blue Accordingly millions of people tune in each year around the last week of January to watch the State of the Union live on television on all the major networks Undoubtedly the State of the Union is an important event The fact that the speech is an annual tradition of one of the most powerful nations in the world stresses the importance of it Countries all around the world are affected by the legislative agenda of the U S as discussed in the speech regarding economies human rights defense human aid global business trade environmental issues world health and more Given the value placed on the State of the Union one should reasonably conclude that a state of the world address is in order After all doesn t SOTU generally speaking focus mostly on the well being of the United States Of course it does Now what seems more appropriate is to have a general address concerning the physical but even moreso the spiritual state of every nation in the world That s to say that spiritual life reigns supreme and every nation is under God both in spirit and in flesh God s Kingdom Government rules all other kingdoms And that is the premise behind the State of the Kingdom Address SOKA SOKA is a parody of SOTU In a sense it is intended to awaken governments and people worldwide The LORD not only wants to show His authority and authorship on earth as the Almighty but He desires to 1 build up the Body of Christ 2 usher in the end time revival and 3 bring the people back to Him The book is intended to show people that we have gotten away from the big picture People have become so focused on the small insignificant things in life like The State of the Union as important as it is yet have lost track of the things which matter most God and His Kingdom Without question most people would likely agree that God s Kingdom is the most powerful important government in the world Through SOKA the world will see that the state of a country pales in comparison to the state or condition of God s Kingdom namely the Church That inevitable day of Jesus Christ coming back to earth is approaching And the world has to prepare for it in the midst of going about our daily lives Are you ready for the ride of your life Enter Chapter One Behold I Come Quickly if you dare *THE PATHWAY TO GOOD LEADERSHIP* GODSWORD GODSWILL ONU, *The Man God Uses* Henry T. Blackaby, Tom

Blackaby,1999-10-01 Uses scriptural analysis prayer and study questions to explore God s will and His process of refining an ordinary man into an extraordinary agent of God *The Authority of Love* Greg Williams,2020-10-22 A wake up call for the modern day American church to restore the Biblical standards of marriage family and the church which are still compelling and transforming Bob Russell Retired Southeast Christian Louisville KY Greg is a down to earth practitioner of faithful Christian living Love and Lordship is in touch with the real world flesh and devil and how each seeks to threaten and corrupt our daily walk with Christ Ken Idleman President retired Ozark Christian College Love what we desperately seek Authority what we doggedly avoid unless we re in control which is not real authority The Authority of Love shows how to bring them together Truth love authority humility a servant s heart all qualities of Christ all qualities we aspire to as disciples of Christ Christ is the Way the Truth and the Life Christ God is Love All Authority has been given to Him and in Him all things were made and exist by Him He is the epitome of Humility He displayed the purest of servant hearts All of these tremendous traits and virtues are found in Him Throughout the centuries we ve tried to attain these as noble and good and yet as is so often the case we ve defined them in our own terms much to our detriment We separate virtues in order to perfect them in and of ourselves Christ had a better way and in His Kingdom we find that because He embodied and modeled all of these traits and qualities in perfection He calls us to walk accordingly Instead of following culture and separating them attempting to perfect each we would be wise to follow His example as our Lord and see them as inseparable and live them as He did Separating these qualities as we are prone to do in our flesh has never worked The Authority of Love points us to Christ and God s Word and draws on real life stories to show us how Truth Love Authority Humility and a Servant s Heart are embodied in Christ and His Kingdom and how we can follow His lead in our life marriage family and in His Church to show the world a different way His Way If you are serious about walking with Christ as Lord in your life marriage family every area of your life this book is for you As I wrote this book we found ourselves in the middle of the first global pandemic in a century and political and social upheaval in the US like we ve not seen in the last half century Our faith is being tested I believe God is calling Christ s Church to a spiritual awakening not just simply to do church services differently serve more people and accommodate the culture thinking we will reach more It is a call For personal and collective confession and repentance of idolatry and compromise For believers to absolutely make Christ Lord of every part of your life For men to be Godly relational servant leaders as husbands who love their marriage spouse and family above their own success glory and desires just as Christ did for His Bride The Church For marriages to be a positive testimony to the Gospel of Christ so the world will see and know Him To husbands and wives to submit to one another out of reverence for and submission to Christ as Lord To disciple our children in our homes and in all of the above build loving relationships that strengthen Christ s Church To move beyond drawing people into a weekly one hour service or a couple hours of weekly activity to our communities or the world To disciples making disciples in loving relationships and holding each other accountable to obedience as we walk in His Love

and Lordship That call is the message of this book Reader s say Greg Williams provides us with a much needed Spiritual gut check in The Authority of Love and the guidance we need to get back on track Greg is amazing speaker and author This book is an essential book for our churches and leaders to read and grow in the Lord s will for their life Highly recommend
