Charles I, 1625-42*

G. E. AYLMER

# The Kings Servants The Civil Service Of Charles I 1625 164

**M Carnoy**

## **The Kings Servants The Civil Service Of Charles I 1625 164:**

**Government and Community in the English Provinces, 1700-1870** David Eastwood, 1997-06-09 In this bold and original study David Eastwood offers a reinterpretation of politics and public life in provincial England He explores the ways in which power was exercised and reconstructs the social and cultural foundations of political authority in provincial England Professor Eastwood demonstrates the crucial role played by local elites in policy making and shows how English public institutions and political culture can only be understood in terms of the long run development of the English state The King's Servants G. E. Aylmer, 1974

**Piracy and the English Government 1616-1642** David D. Hebb, 2016-12-05 Piracy and the English Government 1616 1642 explodes the myth that England was a nation of pirates arguing that the English people were far more often victims of piracy The costs to the economy and society resulting from piracy which are critically examined here for the first time reveal that not only were hundreds of English ships lost to pirates in the period but an astonishing number of men women and children approximately 8 000 were carried away to Barbary by pirates and sold into slavery The response of the government to these losses which posed significant political problems for the early Stuart government are explored and related to broader political concerns and influences

**The Bishops' Wars** Mark Charles Fissel, 1994-03-31 A study of Charles I's two unsuccessful attempts to bring religious conformity to Scotland The Routledge History of the Domestic Sphere in Europe Joachim Eibach, Margareth Lanzinger, 2020-12-29 This book addresses the multifaceted history of the domestic sphere in Europe from the Age of Reformation to the emergence of modern society By focusing on daily practice interaction and social relations it shows continuities and social change in European history from an interior perspective The Routledge History of the Domestic Sphere in Europe contains a variety of approaches from different regions that each pose a challenge to commonplace views such as the emergence of confessional cultures of private life and of separate spheres of men and women By analyzing a plethora of manifold sources including diaries court records paintings and domestic advice literature this volume provides an overview of the domestic sphere as a location of work and consumption conflict and cooperation emotions and intimacy and devotion and education The book sheds light on changing relations between spouses parents and children masters and servants or apprentices and humans and animals or plants thereby exceeding the notion of the modern nuclear family This volume will be of great use to upper level graduates postgraduates and experienced scholars interested in the history of family household social space gender emotions material culture work and private life in early modern and nineteenth century Europe

Theatre and Government Under the Early Stuarts J. R. Mulryne, Margaret Shewring, 1993-07-08 This collection of commissioned essays by established scholars responds to critical debate on political theatre of the turbulent early years of the seventeenth century Theatre is widely interpreted The authors discuss censorship the social implications of pageantry Reformation ideals popular theatre and the politics of the masque throughout the period An early chapter discusses political theatre in the light of work by revisionist

and post revisionist historians The drama of Jonson Dekker Middleton Massinger Chapman Heywood and Rowley is given detailed attention while Shakespeare's plays are considered in the introductory chapter

**The Lordship of England** Scott L. Waugh, 2014-07-14 This thorough examination of the feudal powers of English kings in the thirteenth and early fourteenth centuries is the only study to analyze the actual pattern of royal grants and the grantees' use of their rights and to place them in the social context of marriage kinship and landholding within the English elite The royal rights known as feudal incidents included custody of a tenant's lands when he died leaving minor heirs the arrangement of the heir's marriage and consent to the widow's remarriage Scott Waugh shows how the king exercised those rights and how his use of feudal incidents affected his relations with the tenants in chief He concludes that royal lordship was of fundamental importance in reinforcing the power and prestige of the monarchy and in offering the king a valuable source of patronage English kings therefore devoted considerable effort to defining and institutionalizing their feudal authority in the thirteenth century It is also clear that families living under royal lordship were profoundly concerned about these rights especially since marriage was of such critical importance in providing for the smooth transfer of lands from one generation to another Given the hazards of life in the Middle Ages inheritance by minors was a frequent occurrence and the king's distribution of feudal incidents was therefore a delicate political problem It raised issues not only about royal finances and favoritism but also about the fate of families Originally published in 1988 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**George Goring (1608-1657)** Dr Florene S Memegalos, 2013-06-28 George Goring was in many ways the archetypal cavalier often portrayed as possessing all the worst characteristics associated with the followers of King Charles I He drank copiously dressed and entertained lavishly gambled excessively abandoned his wife frequently and was quick to resort to swordplay when he felt his honour was at stake Yet he was also an active Member of Parliament and a respected soldier who learnt his trade on the Continent during the Dutch Wars and put his expertise to good use in support of the royalist cause during the English Civil War In this the first modern biography of Goring the main events of his life are interwoven with the wider history of his age Beginning with his family background in Sussex it charts his successes at court and exploits in the service of the Dutch culminating in his experiences at the siege of Breda in 1637 and his role in the Bishops Wars However it is his key role as a royalist general during the Civil War that is the major focus of this book which concludes with Goring's years of exile during the Republic This fascinating and illuminating account of Goring's life character and actions provides not only a fresh examination of this contentious figure but also reveals much about English society and culture in the first half of the seventeenth century

**Tributaries and**

**Peripheries of the Ottoman Empire** ,2020-08-10 Tributaries and Peripheries of the Ottoman Empire offers thirteen studies on the relationship between Ottoman tributaries with each other in the imperial framework as well as with neighboring border provinces of the empire's core territories from the fifteenth to the eighteenth centuries A variety of surveys related to the Cossack Ukraine the Crimean Khanate Dagestan Moldavia Ragusa Transylvania Upper Hungary and Wallachia allow the reader to see hitherto less known subtleties of the Ottoman administration's hierarchic structures and the liberties and restrictions of the office holders power They also shed light upon the strategies of coalition building among the elites of the tributaries as well as the core provinces of the border zones which determined their cooperation but also the competition between them Contributors include János B. Szabó, Ovidiu Cristea, Tetiana Grygorieva, Klára Jakab, Gábor Kármán, Dariusz Koźdiejczyk, Natalia Krulikowska, Jedlińska Erica, Mezzoli Viorel, Panaite Radu, Gábor P. Rado, Uri Balázs, Sudár Michał Wasiucionek

**Turncoats and Renegadoes** Andrew Hopper,2012-11-15 The first dedicated study of the practice of changing sides during the English Civil Wars Reveals how side changing shaped the course of the English Revolution even contributing to the regicide itself and remained an important political legacy to the English speaking peoples thereafter

**Public Duty and Private Conscience in Seventeenth-century England** John Stephen Morrill,Paul Slack,Daniel R. Woolf,1993 The tension between public duty and private conscience is a central theme of English history in the seventeenth century when established authorities were questioned and violently disrupted It has also been an important theme in the work of one of the foremost historians of the period G. E. Aylmer It makes therefore an especially appropriate subject for this volume The contributors are leading historians whose topics range from contemporary writings on conscience and duty to the particular problems faced by individuals and groups both Puritan and Royalist at the center and in the localities These scholarly and original studies throw new light on the innumerable dilemmas of conscience of seventeenth century men and women and together make a distinguished contribution to seventeenth century history

**The Late King's Goods** Arthur MacGregor,1989 This book reconstructs in unprecedented detail the physical character of the court of Charles I 1600-1649 Drawing on inventories compiled in the months following Charles's execution authorities in their fields assess the character and importance of Charles's possessions including his incomparable paintings the royal regalia furnishings gems and plates from the Jewel House and pots and pans from the court kitchens

The Huntington Library Quarterly Henry E. Huntington Library and Art Gallery,1974

**Politics and Ideas in Early Stuart England** Kevin Sharpe,Kevin M. Sharpe,1989 Kevin Sharpe reassesses the role that ideology rhetoric and intellectual discussion played in the upheavals of seventeenth century England

London 1500-1700 A. L. Beier,Roger Finlay,1986
