[Dunkirchen 1940](#) Robert Kershaw,2022-09-01 Kershaw's book is a welcome rebalancing a thoughtful well researched and well written contribution to a narrative that has long been too one sided and too mired in national mythology The Times The British evacuation from the beaches of the small French port town of Dunkirk is one of the iconic moments of military history The battle has captured the popular imagination through LIFE magazine photo spreads the fiction of Ian McEwan and of course Christopher Nolan's hugely successful Hollywood blockbuster But what is the German view of this stunning Allied escape Drawing on German interviews diaries and unit post action reports Robert Kershaw creates a page turning history of a battle that we thought we knew Dunkirchen 1940 is the first major history on what went wrong for the Germans at Dunkirk As supreme military commander Hitler had seemingly achieved a miracle after the swift capitulation of Holland and Belgium but with just seven kilometres before the panzers captured Dunkirk the only port through which the trapped British Expeditionary force might escape they came to a shuddering stop Only a detailed interpretation of the German perspective historically lacking to date can provide answers as to why Dunkirchen 1940 delves into the under evaluated major German miscalculation both strategically and tactically that arguably cost Hitler the war

**The Perilous Road to Rome & Beyond** Edward Grace,2007-05-17 The author fought with the 6th Battalion of the Gordon Highlanders during the campaigns of 1st Army in Tunisia and in Italy thereafter As a young platoon commander he and his men were in the thick of the fighting Wounded during the desperate action at Anzio he wrote notes of all that had happened in exact detail and the result is a memoir both fresh and authentic This is one of the most gripping memoirs we have published on a par with Geoffrey Powell's Men At Arnhem The author also describes the actions of other regiments particularly the Guards Brigade at Anzio and US

units alongside whom he fought In the closing stages of the book he shares his post conflict experiences and convalescence with the reader in a moving way      **St Nazaire Raid, 1942** Stephen Wynn,2022-04-21 The raid on St Nazaire has gone down in history as one of the most daring commando raids of all time Given the code name of Operation Chariot it took place in the early hours of Saturday 28 March 1942 and was a joint undertaking by the Royal Navy and British Commando units The port at St Nazaire which sits on the Loire estuary and the Atlantic Ocean has a dry dock that was capable of accommodating some of Germany s biggest naval vessels such as the Bismarck or the Tirpitz By putting the port out of action any repairs or maintenance work that needed to be carried out would instead have to be undertaken back home at the German port of Bremerhaven To do this the German vessels would either have to navigate the waters of the English Channel or the North Sea with both journeys potentially bringing them to the attention of the Home Fleet of the Royal Navy A raiding force of 612 officers and men were assembled and dispatched from Falmouth to carry out the raid sailing on board the obsolete British destroyer HMS Campbeltown along with 18 Motor Launches The idea was to ram the destroyer in to the outer gates of the dry dock at St Nazaire and put it out of action for as long as possible The raid was a success but came at a price of those who set out 169 were killed whilst a further 215 were captured Only 3 Motor Launches and 228 men escaped and made the return journey back to the UK Many brave men gave it their all during the action at St Nazaire to such an extent that 89 of those who took part in the raid were awarded decorations for bravery including 5 who were awarded the Victoria Cross      AN ADVENTURE IN EDUCATION Derek Esp,2019-11-05 Derek Esp didn t set out to forge a career in education but after enrolling in an Education course at university he discovered a love for learning and a passion for teaching Appointed as the Youth Officer for Central Shropshire in 1959 Derek found that he had a talent for leadership He later worked in three counties as an education officer moving on to various other roles in which he led a number of education initiatives and helped to develop new schools His final role in public education was that of Director of Education in Lincolnshire Derek retired early from local government and became an education consultant He went on to lead national projects became a county politician and chaired an education committee In An Adventure in Education he explains how education transformed between 1960 and 1990 outlining important initiatives of the time and their relevance to current issues in education He simultaneously entertains readers with humorous anecdotes
