The Korean Decision June 24 30 195

Paul Francis Diehl

The Korean Decision June 24 30 195:

The Korean Decision, June 24-30, 1950 Glenn D. Paige, 1968 **Cold War Strategist** Linda McFarland, 2001-08-30
This study of Cold War politics explores the attitudes of William Stuart Symington a consummate Cold Warrior and Democratic senator from Missouri The book focuses on his transition from being an avid supporter of the military and the CIA to his dovish position on the Vietnam War as he questioned all foreign commitments as well as military and CIA budgets His ideas influenced presidential administrations ranging from Truman s to Nixon s He exposed covert activity associated with the Vietnam War and worked to restore the constitutional balance between the executive and legislative branches of the government Symington held several appointive positions within the Truman administration where he was instrumental in the unification of the armed services he served as the first Secretary of the Air Force a post responsible for the conduct of the Berlin Blockade As a senator he was a strong voice for the military and he openly criticized President Eisenhower for his defense policies and meager budgets A vociferous advocate of the big bomber and ICBMs he helped establish the missile gap myth providing the Democratic Party with a key issue in the 1960 presidential race This well documented study highlights the importance of and the interplay among significant personalities circumstances and public policy at a key point in our nation s history **Quarterly Review of Military Literature** ,1977 **Professional Journal of the United States Army** ,1977-07 **The Metamorphosis of U.S.-Korea Relations** Jongwoo Han, 2022-04-04 This book contends that the long history of America s interaction with Korea started with the signing of the Treaty of Peace Amity Commerce and Navigation in 1882 and with the establishment of the Seward Shufeldt Line William Seward and Robert Shufeldt shared the same vision of achieving their American goal by opening Korea and extending the Seward Shufeldt Line from Alaska to link it with the Philippines and the Samoan Islands thus completing a perfect perimeter for the American era of the Pacific and for its dominance in the Asian market Initiating diplomatic and trading relations with Korea was Commodore Shufeldt s finishing touch on the plan for achieving American hegemony in the coming 20th century In turn the decline of Chinese sphere of influence over the Korean Peninsula and the fall of Russian power in the region with the consequential rise of Japanese power there which led to a change from the SS Line to the Roosevelt s Theodore Franklin Line the colonization of Korea the division of Korea the Korean War and has brought America back nearly full circle to that first encounter in Pyeongyang the regrettable General Sherman Incident in 1866 This book argues that the United States must uphold its early commitment to peace and amity by now normalizing relations with North Korea in order to bring closure to the Korean Question
 Military Review ,1977 **Daisaku Ikeda's Philosophy of Peace** Olivier Urbain, 2010-03-30 Who is Daisaku Ikeda At one level he is the leader of a religious movement Soka Gakkai which began in Japan where it still has its headquarters but which now claims 12 million adherents around the world At another level he is a globetrotting figure whose formal conversations with diverse writers thinkers and diplomats including Arnold Toynbee Joseph Rotblat and Mikhail Gorbachev

have garnered him an international profile as well as academic recognition Perhaps above all else Daisaku Ikeda is viewed as a campaigner for peace And it is Ikeda s specific contribution to peacebuilding notably through the central emphasis he has placed on the significance of dialogue that this book explores the first to do so in a concerted way Olivier Urbain shows that while Soka Gakkai the value society may stem from the medieval principles of Nichiren Buddhism under Ikeda s leadership it has taken these classic wisdoms and transformed them Now essentially classless and secularised as well as adaptable and sensitive to modern challenges like resource shortages and climate change this argues the author is a pragmatic approach to peace which has proved both popular and eminently transportable Political Leadership Between Democracy and

Authoritarianism Jerzy J. Wiatr, 2022-01-17 In diesem Buch wird die Theorie der politischen Führung die ein noch wenig erforschtes Feld der Politikwissenschaft ist beleuchtet Sie ist verwandt mit dem philosophischen Streit um Determinismus versus Aktivismus und hilft den Grundkonflikt des 21. Jahrhunderts zwischen liberaler Demokratie und neuem Autoritarismus zu verstehen Das Buch befasst sich mit Max Webers Typologie politischer Herrschaft und seinem Konzept der Verantwortungsethik welche der Schlüssel zur Theorie der Führung sind Der Autor zeigt auf dass der unvollendete Wettstreit zwischen Demokratie und neuem Autoritarismus im 21. Jahrhundert die Bedeutung von Führung in alten und neuen Demokratien sowie in den neoautoritären Regimen bestärkt und einen neuen Typus politischer Führungskraft fordert *The Dynamics of Enduring Rivalries* Paul Francis Diehl, 1998 It s hard to think of Israel without also remembering the country s long standing problems with its Arab neighbors Similarly India and Pakistan have long been less than cordial to each other The concept of enduring rivalries and conflicts tantamount to militarized competition between two states is rapidly emerging as a subject of research in international relations The nine contributors to *The Dynamics of Enduring Rivalries* place the concept in its empirical and theoretical context exploring how such rivalries arise what influences their development and when and how they may escalate to war *Creative Adaptation* John Robert Oneal, 1979 *Foreign Policy Making in Times of Crisis* John R. Oneal, 1982 **1968 Annual Supplement** John B. Simeone, Alfred de Grazia, Carl E. Martinson, 2013-12-01

Koreana Collection Yongsan Library, 1982 *Writings on American History, 1962-73*, 1985 This book provides a comprehensive listing of the book length works published from 1962 to 1973 that are relevant to the study of American history and is organized into a subject classification system This bibliography gives access to over 50 000 works on the history the geography and the political social and economic aspects of the United States its people its government and its institutions The entries cover the entire area now within the United States or under its jurisdiction ranging from prehistoric times to 1973 *Introductory* The Korean Decision Glenn D. Paige, Richard Carlton Snyder, 1968 A Multi-method Introduction to International Politics William D. Coplin, Charles W. Kegley, 1971 **National Union Catalog**, 1983 Includes entries for maps and atlases **Contemporary American Relations with North Korea** Mark Philip Barry, 1996 The Arab-Israeli Wars, the Chinese Civil War, and the Korean War Roy Kenneth Flint, Peter W. Kozumplik, Thomas J. Waraksa, 1987 What does

the American novel look like in the foundational period of the early American republic This collection of essays sets out to present the current state of criticism in an area that is at once extremely familiar and just beginning to be studied

Warren R. Austin at the U.N., 1946-1953 George T. Mazuzan, 1977
