Barlow, Harold J. Fine, Marilyn R. Pollio, 2023-10-01 In this volume originally published in 1977 the authors describe the  
relevance of figurative language for the psychology of language and present a methodological approach best described as  
naturalistic in orientation The first section presents the idea of figurative language in terms of linguistic aesthetic and  
philosophical background Also included is a description of empirical techniques used to assess figurative language and  
findings from an analysis of widely differing spoken and written contexts The second section of this volume deals with the  
occurrence and significance of figurative language within the specific context of psychotherapy The use of such language is  
shown to be crucial in patient insight The third section deals with children their understanding and use of figurative  
expressions specifically within the school Here is a volume that was an outstanding addition to the literature at the time and
