*The Celestial Ship of the North* Emma Valentia Straiton, 1927      **The Land of Sacred Mystery** William Leonard Gage, 1871      **The great mystery of the great whore unfolded; and Antichrist's kingdom revealed unto destruction** George Fox, 1831      *The Herald of the Cross* J. Todd Ferrier, 1905      **From the Mysteries** Hermann Beckh, 2020-06-03

In the early part of the last century Professor Hermann Beckh began a search to discover the truth about the Mystery wisdom of antiquity. As a recognized authority on Buddhist texts he knew that complete knowledge of such Mysteries was not to be found within the limitations of waking consciousness, sense perception and logic. Beckh was already aware that Gautama Buddha had indicated the stages of higher knowledge. Furthermore, his studies of Rudolf Steiner's anthroposophical teachings revealed that such knowledge could be experienced directly given disciplined meditation. Clairvoyant cognition included the conscious penetration of sleep, consciousness, the dream state, and an experience of pre-natal consciousness. Both the Mysteries and Rudolf Steiner's major books, he concluded, were founded on the same perceptions. Beckh, a worldwide expert on Tibetan, Sanskrit, Pali, and Avestan texts, quickly became disenchanted with Madame Blavatsky's Theosophy as it displayed little precise academic knowledge of primary records. At the same time, university departments showed scant trace of understanding the texts they analysed through philology and sociology. Thus, based on comprehensive studies and personal experience, he resolved to present his own perceptions and vision to the public. The results are to be found in this invaluable book bringing together for the first time in English three groundbreaking publications: *Our Origin in the Light* (1924), *Genesis* (1924), *Zarathustra* (1927), and *From the World of the Mysteries* (1927), as well as five of Beckh's articles from contemporary periodicals.

[Reality/The Inconceivable Truth](#) Michael Duncan, 2014-01-16

This book's aim is to impart the ultimate purpose of human existence and that goal is called self-realization. It is to restore our lost connection with our divine friend who is and has always been situated within the core of our hearts. The conscious effort of reviving one's relationship with the Lord's localized feature is also known as the dovetailing process. The author, Mike Duncan, seeks to imbue to his readers a taste of the stunning truth about God, a taste said to be so sweet that it is sure to motivate the sincere truth-seeking soul to investigate the eternal transcendental science by which one can come to know everything about Him. The author concludes that this science of self-realization, established personally by God, is the eternally approved method of approaching Him. It is the only means by which one can rise above the illusory bodily conception of life to the spiritual platform, the platform of reality on which everything is known. In the present degraded age of Kali, the age of quarrel, there is a special potency which is available to persons who accept the descending spiritual authority. His Divine Grace Srila Prabhupada is the latest descendant from the spiritual world who is authorized by the Lord to present Him to the inhabitants of this mortal world. His Grace is instructing as follows: One who is ignorant of the scientific knowledge of the soul does not look inside the body to find happiness in the soul. The living being, covered by the material body, does not see the happiness within himself but runs

after happiness in the material world When one understands his real identity as spiritual being he can understand the supreme spiritual being Krishna and the real happiness exchanged between Krishna and one's self SB 7.13.29     **The Mystery of God, the Final Episode** Paul Winkler, 2016-01-26 In this eye opening commentary Paul Winkler unlocks the Scriptures to reveal the mystery of God and how it was fulfilled just as Jesus promised within one generation of Christ's time on earth Winkler condenses intensely technical studies from around the world and across time to present an easy to read verse by verse discussion of the entire book of Revelation His masterful inclusion of Scriptures from both the Old and New Testaments will leave readers feeling confident instead of confused and able to apply kingdom promises to their lives today His work supports the preterist prophecy already fulfilled viewpoint If one gives an answer before he hears it is folly and shame The one who states his case first seems right until the other comes and examines him Proverbs 18:13, 17 ESV     **The Mystery of the Pyramids** Humphrey Evans, 1979 Surveys the history of Egypt's Pharaohs and describes the pyramids that were built as their tombs and monuments     *The Aquarian Gospel of Jesus the Christ* Levi, 1911     **The Mystery of the Egyptian Mummy** Joyce Filer, 2003-12-11 Studies one of the mummies at the British Museum Hornedjitef high priest of Amun at Thebes during the Ptolemaic period and provides information about Egyptian culture in his day and earlier     **The Hidden Wisdom in the Holy Bible: The Ten Plagues.
