**The Land of Lost Content** Ian Smillie,1985

**Canada's Global Villagers** Ruth Compton Brouwer,2013-09-27

Established in 1961 the same year as the US Peace Corps Canadian University Service Overseas CUSO became the first Canadian NGO to undertake development work from a secular stance and in a context of rapid decolonization Over the next twenty five years nine thousand volunteers many of them women travelled to over forty countries and became Canada's face in the Global South Drawing on more than one hundred interviews Brouwer tells the story of how these young Canadians responded to the challenges of underdevelopment Moving beyond their initial naivete they sought to fit into the host communities that had invited them and to provide social services particularly in education Returning home they brought unique skills to the Canadian International Development Agency CIDA and other development organizations and a new level of global consciousness and cultural diversity to Canadian society At a time when many are concerned about Canada's waning reputation for global humanitarianism this book reminds us of an earlier more hopeful time

*Empires of Religion* H. Carey,2008-11-13 A sparkling new collection on religion and imperialism covering Ireland and Britain Australia Canada the Cape Colony and New Zealand Botswana and Madagascar Bursting with accounts of lively characters and incidents from around the British world this collection is essential reading for all students of religious and imperial history

**Protestant Missions and Local Encounters in the Nineteenth and Twentieth Centuries** Hilde Nielssen,Inger Marie

Okkenhaug,Karina Hestad-Skeie,2011-07-27 This book makes visible an important but neglected aspect of Christian missions its transnational character Missionaries considered themselves global actors yet they operated within a variety of nation states The volume demonstrates how processes on a national level are closely linked to larger transnational processes

**Strangely, Friends** Karen Dubinsky,2025-09-23 *Strangely Friends* delves into the rich often overlooked history of personal and cultural connections between Cubans and Canadians From the early days of the Cuban Revolution to the present this book uncovers the stories of Canadians who were drawn to Cuba teachers artists development aid workers filmmakers and activists who left an indelible mark on the island and Cubans especially the musicians who found a home in Canada Through intimate portraits and serendipitous encounters Karen Dubinsky explores how these relationships transcended political ideologies and state policies revealing a shared humanity that defies borders From the classrooms of Havana to the jazz clubs of Toronto this book captures the enduring bonds forged through music education and mutual curiosity offering a fresh perspective on the power of people to people connections

*Making the American Century* Bruce J. Schulman,2014-02-03 In this volume a group of distinguished historians revisit and revise many of the chestnuts of American political history Blurring the boundaries between political cultural and economic history the contributors raise penetrating questions and challenge readers understanding of the broader narrative of twentieth century U S history

**A New World of Knowledge** International Development Research Centre (Canada),1999 In communications health care and

economics events discoveries and decisions that originate beyond national borders today routinely influence national policies and practices But how are our system of education and particularly our universities affected by globalization A New World of Knowledge examines how globalization has obliged universities in Canada to reassess and rethink the international dimension of their mission and practice All now include an international dimension in their mission statement Is this a true statement of educational principles Or is it simply a marketing message intended to position the university to cope with budget reductions through the sale of educational services A New World of Knowledge looks at the important role that Canadian universities have played in shaping Canada's response to the problems of international development It provides the historical backdrop and level of analysis needed to properly inform choices for the future of higher education in Canada and abroad The book will interest teachers and administrators in institutions of higher education especially in international affairs and educational studies practitioners in organizations that depend on university linkages such as in NGOs and research granting organizations government officials in the education sector and students looking for an international education

**The NGO Moment** Kevin O'Sullivan, 2021-10-14 This book is a study of compassion as a global project from Biafra to Live Aid Kevin O'Sullivan explains how and why NGOs became the primary conduits of popular concern for the global poor between the late 1960s and the mid 1980s and shows how this shaped the West's relationship with the post colonial world Drawing on case studies from Britain Canada and Ireland as well as archival material from governments and international organisations he sheds new light on how the legacies of empire were re packaged and re purposed for the post colonial era and how a liberal definition of benevolence rooted in charity justice development and rights became the dominant expression of solidarity with the Third World In doing so the book provides a unique insight into the social cultural and ideological foundations of global civil society It reveals why this period provided such fertile ground for the emergence of NGOs and offers a fresh interpretation of how individuals in the West encountered the outside world Empire and

Revolution Peter L. Hahn, Mary Ann Heiss, 2001 The ten essays in this volume represent state of the art surveys of ten singular episodes in U S interaction with the Third World since 1945 Each author seeks to present a unique approach to a specific topic within U S Third World relations The essays cover the globe and include studies of the Middle East Latin America Africa and Asia They make use of a variety of source material and employ a wide range of analytical devices such as the national security paradigm the idea of economic development and culture The essays present a multihued portrait of the different ways policy makers in the United States dealt with Third World problems The essays make clear the multitude of considerations that affected policy making the many different actors both official and nonofficial who came to influence the policy making process and the possibilities for future research into U S relations with the nations of the Third World They are designed not only to present the current state of the literature but also to suggest some avenues for future research *Not One, Not Even One* Nancy Christine Edwards, 2022-02-11 In 1978 Nancy Edwards left as a CUSO volunteer for Sierra Leone

where she spent three years working as a community health nurse and two years evaluating primary health care programs Her stories of village life convey the ravages of tuberculosis threats of witchcraft and tragedies of deaths related to pregnancy childbirth and newborn tetanus She celebrates local advocates for health improvements mothers traditional birth attendants and village health committees Acutely aware of her role as a cultural outsider the author reveals how she learned about the power of ancestors and the women s Secret Society among the Mende people Four decades after her arrival in Sierra Leone Edwards comes to grips with her stance on the cultural practice of female circumcision She takes us behind the scenes describing how her West African experiences shaped her life and research career Though steeped in hardship tension and conflict Not One Not Even One is buffered by humour heartened by breakthroughs and shifting perspectives and propelled by fierce hopes for the future

**Encyclopedia of the Cold War** Ruud van Dijk,William Glenn Gray,Svetlana Savranskaya,Jeremi Suri,Qiang Zhai,2013-05-13 Between 1945 and 1991 tension between the USA its allies and a group of nations led by the USSR dominated world politics This period was called the Cold War a conflict that stopped short of a full blown war Benefiting from the recent research of newly open archives the Encyclopedia of the Cold War discusses how this state of perpetual tensions arose developed and was resolved This work examines the military economic diplomatic and political evolution of the conflict as well as its impact on the different regions and cultures of the world Using a unique geopolitical approach that will present Russian perspectives and others the work covers all aspects of the Cold War from communism to nuclear escalation and from UFOs to red diaper babies highlighting its vast ranging and lasting impact on international relations as well as on daily life Although the work will focus on the 1945 1991 period it will explore the roots of the conflict starting with the formation of the Soviet state and its legacy to the present day **Saving the World?** Agnieszka Sobocinska,2021-06-24 An innovative history of how volunteers helped build a global consensus that Western development intervention across the Global South was desirable even as critics in aid recipient nations suggested it was a form of neocolonialism It will benefit scholars and students of history development studies and international relations

**Canadian-Caribbean Relations in Transition** Jerry Haar,Anthony Bryan,1999-08-26 An up to date analysis and assessment of the evolving relationship between Canada and the Commonwealth Caribbean this volume focuses on three dynamic and important issues By presenting a current picture of the Canadian Caribbean relationship the book not only fills a void in academic contributions to the topic but serves as an invaluable reference guide for policy analysts non governmental representatives and public and private decision makers

**All You Need Is Love** Elizabeth COBBS HOFFMAN,Elizabeth Cobbs Hoffman,2009-06-30 Traversing four decades and three continents this story of the Peace Corps and the people and politics behind it is a fascinating look at American idealism at work amid the hard political realities of the second half of the twentieth century

**The Lichen Factor** Jim Lotz,1998 *Aid and Ebb Tide* David R. Morrison,2006-01-01 *Aid and Ebb Tide* A History of CIDA and Canadian Development Assistance examines Canada s mixed record since 1950 in transferring

over 50 billion in capital and expertise to developing countries through ODA It focuses in particular on the Canadian International Development Agency CIDA the organization chiefly responsible for delivering Canada's development assistance Aid and Ebb Tide calls for a renewed and reformed Canadian commitment to development co operation at a time when the gap between the world's richest and poorest has been widening alarmingly and millions are still being born into poverty and human insecurity

Growing to One World Eileen R. Janzen, 2013-11-01 J King Gordon's story is one of youthful vision and high ideals sustained throughout a life of concrete action at home and abroad Grounded in his father's social gospel and given intellectual heft and hue by exposure to radical politics at Oxford and in New York he returned to Canada as a self-described Christian radical and threw himself into the emerging social and political ferment of the 1930s In Growing to One World Eileen Janzen details a life spent championing progressive politics in Canada and a commitment to peace and diplomacy on the international stage As a founding member of the League for Social Reconstruction Gordon was one of the authors of the Regina Manifesto for the newly formed Co-operative Commonwealth Federation the forerunner of today's NDP and worked tirelessly on the party's behalf Later he realized his vocation as a member of the United Nations division of human rights serving in Korea the Middle East and the Congo as both an eyewitness to and participant in formative events shaping those regions Exhaustively researched and informed by a sophisticated analytical grasp of political theory and international affairs Growing to One World is a compelling look at an important supporter of peace justice and human rights across the globe

The Global Politics of Poverty in Canada Will Langford, 2021-01-16 In the 1960s and 1970s in the midst of the Cold War and an international decolonization movement development advocates believed that poverty could be ended at home and abroad The Global Politics of Poverty in Canada explores the relationship between poverty democracy and development during this remarkable period Will Langford analyzes three Canadian development programs that unfolded on local regional and international scales He reveals the interconnections of anti-poverty activism carried out by the Company of Young Canadians among Métis in northern Alberta and francophones in Montreal by the Cape Breton Development Corporation and by Canadian University Service Overseas in Tanzania In dialogue with the New Left liberal reformers committed to development programs they believed would empower the poor to confront their own poverty and thereby foster a more meaningful democracy However democracy and development proved to be fundamentally contested and development programs stopped short of amending capitalist social relations and the inequalities they engendered The Global Politics of Poverty in Canada explores how Canadians engaged in informal and formal politics in the course of their everyday lives locally and transnationally Langford provides an enduring record of otherwise fleeting anti-poverty programs and their effects the lived activism and opinions of development workers and ordinary people
