Old English Ecotheology Courtney Barajas, 2025-10-01 Old English Ecotheology examines the impact of environmental crises on early medieval English theology and poetry Like their modern counterparts theologians at the turn of the first millennium understood the interconnectedness of the Earth community and affirmed the independent subjectivity of other than humans The author argues for the existence of a specific Old English ecotheology and demonstrates the influence of that theology on contemporaneous poetry Taking the Exeter Book as a microcosm of the poetic corpus she explores the impact of early medieval apocalypticism and environmental anxiety on Old English wisdom poems riddles elegies and saints lives

Bestsellers and masterpieces Heather Blurton, Dwight F. Reynolds, 2022-08-16 *Bestsellers and masterpieces* The changing medieval canon addresses the strange fact that in both European and Middle Eastern medieval studies those texts that we now study and teach as the most canonical representations of their era were in fact not popular or even widely read in their day On the other hand those texts that were popular as evidenced by the extant manuscript record are taught and studied with far less frequency The book provides cross cultural insight into both the literary tastes of the medieval period and the literary and political forces behind the creation of the modern canon of medieval literature **New Perspectives on the Sierra Leone Krio** Mac Dixon-Fyle, Gibril Raschid Cole, 2006 The ex slave Krio population of Freetown Sierra Leone an amalgam of ethnicities drawn from several parts of the African continent is a fascinating study in hybridity creolization European cultural penetration the retention of African cultural values and the interface between New World returnees and

autochthonous populations of West Africa Although its Nigerian connections are often acknowledged insufficient attention has been paid to the indigenous Sierra Leonean roots of this community This anthology addresses this problem while celebrating the complexities of Krio identity and Krio interaction with other ethnic groups and nationalities in the British colonial experience

**Humour in Old English Literature** Jonathan Wilcox,2023-10-02 Humour in Old English Literature deploys modern theories of humour to explore the style and content of surviving writing from early medieval England The book analyses Old English riddles wisdom literature runic writing the deployment of rhymes and humour in heroic poetry hagiography and romance Drawing on a fine tuned understanding of literary technique the book presents a revisionist view of Old English literature partly by reclaiming often neglected texts and partly by uncovering ironies and embarrassments within well established works including Beowulf Most surprisingly Jonathan Wilcox engages the large body of didactic literature pinpointing humour in two anonymous homilies along with extensive use in saints lives Each chapter ends by revealing a different audience that would have shared in the laughter Wilcox suggests that the humour of Old English literature has been scantily covered in past scholarship because modern readers expect a dour and serious corpus Humour in Old English Literature aims to break that cycle by highlighting works and moments that are as entertaining now as they were then

**Woe-Speeches within the Context of an Oracular Inquiry** Michael Floyd,2024-12-12 Michael H Floyd explores how the woe speeches in Habakkuk 2 6 20 are related in form and content to the message revealed to the prophet in Hab 2 1 5 defending his reading through spirited debate with other scholars who have similarly proposed a fresh take on various exegetical puzzles of Chapter 2 After assessing the preceding material in Habakkuk 2 as the necessary prelude to analyzing the woe speeches themselves Floyd explores the form and function of the woe speeches themselves in light of how they fit into the unfolding composition of the oracular report that makes up Habakkuk 2 He further brings together and systematizes previous observations about the rhetoric of reproof arguing that the woe speeches themselves represent a different type of reproof speech one that also draws upon wisdom traditions but uses them in a way that is more accusatory and self incriminating than persuasive and correctional He proposes that although the outcry of the nations in Habakkuk 2 is obviously a fictional representation of the international situation it nevertheless expresses a realpolitik critique of ancient Near Eastern imperialism Floyd concludes that as an integral part of Habakkuk s oracular inquiry the woe speeches provide a basis for a critique of the idolatrous ideology of imperialism and a model of how to live hopefully despite being under an imperialistic thumb
