Russian Refuge Susan Wiley Hardwick, 1993-12-15 In 1987 when victims of religious persecution were finally allowed to leave Russia a flood of immigrants landed on the Pacific shores of North America By the end of 1992 over 200 000 Jews and Christians had left their homeland to resettle in a land where they had only recently been considered the enemy Russian Refuge is a comprehensive account of the Russian immigrant experience in California Oregon Washington Alaska and British Columbia since the first settlements over two hundred years ago Susan Hardwick focuses on six little studied Christian groups Baptists Pentecostals Molokans Doukhobors Old Believers and Orthodox believers to study the role of religion in their decisions to emigrate and in their adjustment to American culture Hardwick deftly combines ethnography and cultural geography presenting narratives and other data collected in over 260 personal interviews with recent immigrants and their family members still in Russia The result is an illuminating blend of geographic analysis with vivid portrayals of the individual experience of persecution migration and adjustment Russian Refuge will interest cultural geographers historians demographers immigration specialists and anyone concerned with this virtually untold chapter in the story of North American ethnic diversity

Soviet Refugees United States. Congress. House. Committee on the Judiciary. Subcommittee on Immigration, Refugees, and International Law, 1989 *To Bring the Good News to All Nations* Lauren Frances Turek, 2020-05-15 When American evangelicals flocked to Latin America Africa Asia and Eastern Europe in the late twentieth century to fulfill their Biblical mandate for global evangelism their experiences abroad led them to engage more deeply in foreign policy activism at home Lauren Frances Turek tracks these trends and illuminates the complex and significant ways in which religion shaped America's role in the late Cold War world In *To Bring the Good News to All Nations* she examines the growth and influence of Christian foreign policy lobbying groups in the United States beginning in the 1970s assesses the effectiveness of Christian efforts to attain foreign aid for favored regimes and considers how those same groups promoted the imposition of economic and diplomatic sanctions on those nations that stifled evangelism Using archival materials from both religious and government sources *To Bring the Good News to All Nations* links the development of evangelical foreign policy lobbying to the overseas missionary agenda Turek's case studies Guatemala South Africa and the Soviet Union reveal the extent of Christian influence on American foreign policy from the late 1970s through the 1990s Evangelical policy work also reshaped the lives of Christians overseas and contributed to a reorientation of U S human rights policy Efforts to promote global evangelism and support foreign brethren led activists to push Congress to grant aid to favored yet repressive regimes in countries such as Guatemala while imposing economic and diplomatic sanctions on nations that persecuted Christians such as the Soviet Union This advocacy shifted the definitions and priorities of U S human rights policies with lasting repercussions that can be traced into the twenty first century *Dissent on the Margins* Emily B. Baran, 2016 Emily

B Baran offers a gripping history of how a small American based religious community the Jehovah s Witnesses found its way into the Soviet Union after World War II survived decades of brutal persecution and emerged as one of the region s fastest growing religions after the Soviet Union s collapse in 1991 In telling the story of this often misunderstood faith Baran explores the shifting boundaries of religious dissent non conformity and human rights in the Soviet Union and its successor states Soviet Jehovah s Witnesses are a fascinating case study of dissent beyond urban intellectual nonconformists Witnesses who were generally rural poorly educated and utterly marginalized from society resisted state pressure to conform They instead constructed alternative communities based on adherence to religious principles established by the Witnesses international center in Brooklyn New York The Soviet state considered Witnesses to be the most reactionary of all underground religious movements and used extraordinary measures to try to eliminate this threat Yet Witnesses survived while the Soviet system did not After 1991 they faced continuing challenges to their right to practice their faith in post Soviet states as these states struggled to reconcile the proper limits on freedom of conscience with European norms and domestic concerns Dissent on the Margins provides a new and important perspective on one of America s most understudied religious movements

The Truth Seekers R. Glenn Brown, 2014-03-27 The first half of the book features Viktor Gorgachuk Born in the USSR his Orthodox parents keep his birth a secret by bribing the midwife When Viktor is four he is left at a remote monastery for eight years Here he is educated and then released to his parents at twelve years of age About this time the midwife reveals the secret birth to the KGB who begin a search for Viktor The parents secretly leave Viktor with a family of Pentecostals and flee to Vladivostok where they are discovered by the KGB Refusing to divulge Viktors location they are killed Five years later Viktor flees the USSR and immigrates to the United States Viktors escape from the KGB after the murder of his parents and his adventures leading up to his immigration to America is a riveting story The second half follows Viktor in America Here he becomes a leading pastor within Evangelicalism which is seriously divided theologically At one end of the divide are Pentecostals who believe supernatural spiritual gifts are active today and speaking in tongues is required evidence of Spirit baptism At the other end are Cessationists who believe supernatural gifts of the Spirit ceased after the New Testament was completed Pentecostal Pastor Viktor Gorgachuk becomes close friends with Cessationist Pastor Bill Ballard They deplore the division within Evangelicalism Both are committed to scripture as the ultimate authority for faith and practice They agree to study each others doctrine to determine what scripture says Each agrees to follow scripture if the result of his search demands it The interaction between two sincere preachers searching for truth is compelling Its a story that thousands of evangelicals and others searching for spiritual reality can relate to Join the Truth Seekers if you dare

American Christians and the National Interreligious Task Force on Soviet Jewry Fred A. Lazin, 2019-08-07 This study provides the first in depth examination of the role and influence of American Christians in the advocacy efforts for Soviet Jewry during the 1970s and 1980s It explores how American Catholics and Protestants engaged with American Jews to

campaign for the emigration of Soviet Jews and to end the cultural and religious discrimination against them. The book presents a case study of the National Interreligious Task Force on Soviet Jewry from its inception to its closure in order to better understand the complexities of the politics of interreligious affairs during this period. At the heart of the story is Sister Ann Gillen of the Society of the Holy Child Jesus who directed the Chicago based task force under the auspices of the American Jewish Committee. The author provides a comprehensive look at task force activities, programs and relationships, notes its ties to the civil rights movement and offers in depth analysis of its participation and role in the global arena. American political, religious and ethnic leaders play prominent roles in this story along with the national media and countless religious and community groups across the United States. The relationship between American Jews and Israel is a factor of fundamental significance as well and plays a critical role in the development of the Task Force. This close up analysis of the task force is based on extensive archival research and interviews with key players in its history. Freeing God's Children Allen D. Hertzke, 2006. With the dawning of the 21st Century a new human rights movement burst unexpectedly onto the global stage. Initially motivated by concern for persecuted Christians around the world, unlikely alliances emerged and the movement grew to encompass a broader quest for human rights. Now American evangelicals provide grassroots muscle for causes joined by a wide array of activists from Jews to Catholics, feminists to Pentecostals, African American leaders to Tibetan Buddhists in the most important human rights movement since the end of the Cold War. Given unprecedented insider access, author Allen D. Hertzke charts the rise of this faith based movement for global human rights and tells the compelling story of the personalities and forces, clashes and compromises, strategies and protests that shape it. In doing so, Hertzke shows that by bringing attention to issues like religious persecution, Sudanese atrocities, North Korean gulags and sex trafficking, the movement is shaping American foreign policy and international relations in ways unimaginable a decade ago. *Religious Persecution as a Violation of Human Rights* United States. Congress. House. Committee on Foreign Affairs, 1983. Robert Pickus, Pacifist Warrior Robert Woito, 2020-11-30. Pacifist Warrior introduces Robert Pickus, his leadership role in the pacifist community 1951-2016 and his thoughtful work to constructively engage the United States in world politics. He called for leadership by the United States to move a conflict filled world towards peace through non military initiatives designed to gain the reciprocation of allies and dedicated adversaries alike. Robert Pickus earned the title Pacifist Warrior because he not only believed pacifism in a nuclear age was a moral imperative, it was also a more effective strategy towards a world without war. Pickus' career lasted from 1951 to 2016. As Director of the World Without War Council office in Berkeley, he engaged civic, labor, business and religious organizations to work for a world without war. He worked at the juncture where advocates of war as a last resort met community peace advocates to develop non military alternatives to war. His signature contribution was a compendium of American Peace Initiatives developed with other key leaders including George Weigel, Harold Guetzkow, Sidney Hook and Ted Sorensen. During his tenure, the WWWC developed a strategy of American peace initiatives to get from

here to a world without war The ideas of reciprocity universal participation and non violent change apply to both arms control and disarmament as well as climate change Rise & Shine Charles R. Swindoll, 1989 Biblical insight good humor and a practical strategy for developing a relevant personal ministry and a last days lifestyle **The Siberian Seven** John Pollock, 1980 They Did Not Dwell Alone Piet Buwalda, 1997 Drawing of his experience as former Dutch ambassador to the USSR Petrus Buwalda recounts the full story of the refuseniks whose immigration to Israel was by way of Holland
