The Last Girl Singer:

The Last Girl Singer Deborah Grace Winer,1997 *The Last Girl* Stephan Collishaw,2014-01-07 For a full hour I sat at my desk and stared up at the two photographs One by one I smoked a packet of twenty Prima cigarettes The earth I felt was beginning to shift and the long dead were stirring In the closing days of the twentieth century an elderly writer wanders the streets of Vilnius Lithuania possessed by the need to photograph the young mothers of the city In their faces and the faces of their children he sees the reflection of a secret that haunts him A secret he has spent years trying to bury In a decaying back street of the city a woman struggles to raise her family As her son dreams of a better life she is torn between Vilnius twilight world of prostitution and her determination of securing hope for her children She too is haunted by memories that rob her of sleep In Vilnius the rubble of the Jewish ghetto lies side by side with the fallen statues of communist heroes Through this tangled debris of past and present the story of the writer's great love and his even greater betrayal begins to coil its way to the surface and demands to be told in *The Last Girl* by Stephan Collishaw

Girl Singer Rosemary Clooney,Joan Barthel,2002-04-23 At the top of her form and topping the charts Rosemary Clooney looks back at a life of triumph and tragedy more dramatic than any work of fiction Rosemary Clooney made her first public appearance at the age of three on the stage of the Russell Theater in her hometown of Maysville Kentucky singing When Your Hair Has Turned to Silver an odd but perhaps prophetic choice for one so young She has been singing ever since on local radio with Tony Pastor's orchestra in big box office Hollywood films at the Hollywood Bowl the London Palladium and Carnegie Hall on her own television series and at venues large and small across the country and around the world The list of Clooney's friends and intimates reads like a who's who of show business royalty Bing Crosby Frank Sinatra Marlene Dietrich Tony Bennett Janet Leigh Humphrey Bogart and Billie Holiday to name just a few She's known enormous professional triumphs and deep personal tragedies At the age of twenty five Clooney married the erudite and respected actor Jose Ferrer sixteen years her senior and light years more sophisticated Trouble started almost immediately when on her honeymoon she discovered that he had already been unfaithful Finally after having five children while she almost single handedly supported the entire family and endured Ferrer's numerous unrepentant infidelities she filed for divorce From there her life spiraled downward into depression addiction to various prescription drugs and then in 1968 a breakdown and hospitalization After years spent fighting her way back to the top Clooney is married to one of her first and long lost loves a true fairy tale with a happy ending She's been nominated for four Grammys in six years and has two albums at the top of the Billboard charts In the words of one of Stephen Sondheim's *Follies* showgirls she could well be singing triumphantly I'm still here

The Last Girls Lee Smith,2002-08-12 On a beautiful June day in 1965 a dozen girls classmates at a picturesque Blue Ridge women's college launched their homemade raft inspired by Huck Finn's on a trip down the Mississippi It's Girls A Go Go Down the Mississippi read the headline in the Paducah Kentucky paper Thirty five years later four of those girls reunite to cruise the river again This time it's on the luxury

steamboat The Belle of Natchez and there's no publicity This time when they reach New Orleans they'll give the river the ashes of a fifth rafter beautiful Margaret Baby Ballou Revered for her powerful female characters here Lee Smith tells a brilliantly authoritative story of how college pals who grew up in an era when they were still called girls have negotiated life as women Harriet Holding is a hesitant teacher who has never married she can't explain why even to herself Courtney Gray struggles to step away from her Southern Living style life Catherine Wilson a sculptor is suffocating in her happy third marriage Anna Todd is a world famous romance novelist escaping her own tragedies through her fiction And finally there is Baby the girl they come to bury along with their memories of her rebellions and betrayals THE LAST GIRLS is wonderful reading It's also wonderfully revealing of women's lives of the idea of romance of the relevance of past to present of memory and desire
