By exploring and investigating interdisciplinary and cross cultural perspectives and approaches this volume investigates the impact such occurrences of rewriting have on the constructions and experiences of cultures while at the same time developing a rigorous methodological framework which will form the basis of future scholarship on performance and film translation and adaptation Alice Cooper at 75 Gary Graff,2023-01-31 Includes 2 folded posters and 8x10 inch photography enclosed in envelope **The Horror Spoofs of Abbott and Costello** Jeffrey S.
