Jewish Life in Medieval Spain Jonathan Ray,2023-03-28 Jewish Life in Medieval Spain is a detailed exploration of the Jewish experience in medieval Spain from the dawn of Sephardic society in the ninth century to the expulsion of 1492 An important contribution of the book is the integration of the rise and fall of Jewish life in Muslim al Andalus into the history of the Jews in medieval Christian Spain It traces the collapse of Jewish life in Muslim Spain the emigration of Andalusi Jewry to the lands of Christian Iberia and the long and difficult confluence of these two distinct Jewish subcultures Focusing on internal developments of Jewish society it offers a narrative of Jewish history from the inside out bringing to light the various divisions and rivalries within the Jewish community This approach in turn allows for a deeper understanding of the complex relations between Spanish Jews and their Muslim and Christian neighbors Jonathan Ray s original perspective on the Jewish experience is particularly instructive when considering the widescale anti Jewish riots of 1391 The combination of violence and mass conversion of the Jews irrevocably shifted the dynamics of inter religious relations as well as those within the Jewish community itself Yet even in the wake of these tragic events the Jews of Spain continued to flourish fostering a culture that they would carry into exile and that would preserve the memory of Jewish Spain for centuries to come

Early Modern Ethnic and Religious Communities in Exile Yosef Kaplan,2017-11-06 In the Early Modern period the religious refugee became a constant presence in the European landscape a presence which was felt in the wake of processes of globalization on other continents as well During the religious wars which raged in Europe at the time of the Reformation and as a result of the persecution of religious minorities hundreds of thousands of men and women were forced to go into exile and to restore their lives in new settings In this collection of articles an international group of historians focus on several of the significant groups of minorities who were driven into exile from the sixteenth to the eighteenth centuries The contributions here discuss a broad range of topics including the ways in which these communities of belief retained their identity in foreign climes the religious meaning they accorded to the experience of exile and the connection between ethnic attachment and religious belief among others

Dissident Rabbi Yaacob Dweck,2019-08-06 In 1665 as Jews abandoned reason for the ecstasy of enthusiasm for self proclaimed Messiah Sabbetai Zevi Jacob Sasportas watched in horror Dweck tells the story of the Sephardic rabbi who challenged Sabbetai Zevi s improbable claims and warned his fellow Jews that their Messiah was not the answer to their prayers

Popularizing Anti-Semitism in Early Modern Spain and its Empire Francois Soyer,2014-03-06 This book charts the history and influence of the most vitriolic and

successful anti Semitic polemic ever to have been printed in the early modern Hispanic world and offers the first critical edition and translation of the text into English First printed in Madrid in 1674 the Centinela contra jud os Sentinel against the Jews was the work of the Franciscan Francisco de Torrejoncillo who wrote it to defend the mission of the Spanish Inquisition to call for the expansion of discriminatory racial statutes and finally to advocate in favour of the expulsion of all the descendants of converted Jews from Spain and its empire Francisco de Torrejoncillo combined the existing racial theological social and economic strands within Spanish anti Semitism to demonize the Jews and their converted descendants in Spain in a manner designed to provoke strong emotional responses from its readership

The Persecution of the Jews and Muslims of Portugal François Soyer,2007-10-15 This book challenges prevalent assumptions concerning the persecution of the Jews and Muslims of Portugal in 1496 7 It pieces together the developments that led to the events of 1496 7 and presents a detailed reconstruction of the persecution itself

Parallel Histories James S. Amelang,2013-12-09 The distinct religious culture of early modern Spain characterized by religious unity at a time when fierce civil wars between Catholics and Protestants fractured northern Europe is further understood through examining the expulsion of the Jews and suspected Muslims While these two groups had previously lived peaceably if sometimes uneasily with their Christian neighbors throughout much of the medieval era the expulsions brought a new intensity to Spanish Christian perceptions of both the moriscos converts from Islam and the judeoconversos converts from Judaism In Parallel Histories James S Amelang reconstructs the compelling struggle of converts to coexist with a Christian majority that suspected them of secretly adhering to their ancestral faiths and destroying national religious unity in the process Discussing first Muslims and then Jews in turn Amelang explores not only the expulsions themselves but also religious beliefs and practices social and professional characteristics the construction of collective and individual identities cultural creativity and finally the difficulties of maintaining orthodox rites and tenets under conditions of persecution Despite the oppression these two groups experienced the descendants of the judeoconversos would ultimately be assimilated into the mainstream unlike their morisco counterparts who were exiled in 1609 Amelang masterfully presents a complex narrative that not only gives voice to religious minorities in early modern Spain but also focuses on one of the greatest divergences in the history of European Christianity

Leadership and Conflict Marc Saperstein,2014-10-30 A multifaceted analysis of how Jewish leaders in medieval and early modern times responded to the challenges they faced Based largely on the study of sermons and responsa genres that show Jewish leaders addressing real situations in the lives of their people it reveals how rabbis have handled intellectual social and political diversity and conflict in various vibrant Jewish communities
