## **The Last Lamb The Journey Home:**

**The Journey Home** Leonard Holst, 2003-09-17      **The Journey Home** Mike Armijo, 2020-04-14 There is hope in CHRIST JESUS who gave HIS life to a world in need of hope and HIS light a world lost in the darkness of sin and its depravity There is life in the blood and without its shedding there would be no hope for the remission of sin JESUS who bore our stripes and took our place the WORD made flesh the SON of GOD the ONLY WAY to the FATHER It is because of HIM there is hope and who the LORD sets free is free indeed for GOD is not willing that any should perish but that all should come to repentance Brokenness is what lead me to the cross of CHRIST HE called me out of darkness into the light of HIS love to be a little light that would point to HIM the ONLY WAY home I confess HE is the LORD of my heart and that because of HIS love for me I am not who I once was By HIS grace I am saved though faith in the completed work of the cross and the pure love it took to think of me We are in this journey together Let s love one another along the way as we walk each other home      **Whee! We, Wee All the Way Home** Matthew Fox, 1980-06 This practical book leads us into a spirituality of passion that leads to compassion coming to our senses in every meaning of the phrase      **The Journey Home** Marigold Fields, 2000-11-29 Many people travel through lifes stages without really examining the impacts some events have had on their lives Rose Marie Thomas a 65 year old grandmother decides to travel back to an event in her life that has a secret hold on her footpaths for her future She musters up the courage to face a part of her life that she has tried to bury and keep secret With her to dig up the truths she must face are her grandsons who witness a very profound milestone in their grandmothers life What they discover completes an image of their grandmothers true heroism What their grandmother Rie discovers is that she was never alone through her trials      *The Long Journey Home* Andrew J. Schmutzer, 2011-10-01 Maybe the only thing new about sexual abuse is quality discussion from several professions psychology theology and pastoral care Here are the insights of over two dozen psychologists theologians and those in pastoral care all targeting the issue of sexual abuse Designed as a resource for Christian educators therapists pastors social workers group leaders and survivors *The Long Journey Home* combines current research in mental health with rich theological reflection global concern with fervent pastoral wisdom for the local faith community Whether you are a counselor professor pastor or spouse of a survivor you hold in your hand a fresh resource of information and advocacy for those suffering from the devastating effects of sexual abuse and rape The breadth of material biblical insight discussion questions and helpful resources gathered here just may be the tool of a generation      *The Way Home* Russell Cederberg, 2024-05-22 The word HOME and how it is defined and understood is a very personal experience For our travelers Frank Grant Lilly and Esther this elusive idea of where they actually belong has been stretched to the limit as a result of their amazing experiences and the close friendships they have been able to forge in ancient Scandinavia They now find themselves potentially remaining in Denmark for an extended time in the past and they all are coming to terms with this idea in their own ways Of course the politics in 979 have become even more complicated as

various monarchs are struggling for power and our travelers are finding themselves involved in some of those struggles in potentially deadly ways Frank has continued to yield himself to his uncomfortable gifts and the ensuing dreams and visions are never easy but he finds support from Ralf's daughter Aquillina who is also gifted as a seer but is only four years old All four travelers continue to immerse themselves into the culture and community of Jelling THE WAY HOME is a story about how difficult it can be to belong in more than one place but how gratifying it can be to connect to a completely different culture It also illustrates the difficulties in answering the fundamentally important questions of who we are and where we belong

The Great Undoing and My Journey Home Susan Schreer Davis,2016-03-29 My youngest son Sam hands me a DVD converted from a video recording taken years ago Apprehensive I slide it into a laptop and watch the scene from my past come to life After viewing only part of it he exits to do homework pauses and quips What happened to you Mom Time suspends as I search for a reply Life life happened Sama lot of life Like your dad dying and you and I ending up with a genetic disorder Muscle biopsies spinal taps surgeries you know Crazy stuff happened He looks my way only somewhat understanding His seventeen year old senior in high school self tries on my explanation but it doesn't quite fit He can't give in so why should I He continues up the stairs and I stand alone Alone with the reality that the hard stuff is winning That I caved under the pressure That my tall blond haired blue eyed son knows who I was compared to who I am

**The Way Home - And How to Get There** Jonathan W. Koontz, 2008 This is a book of essays They are about the journey we all take through life All of us are heading toward a real goal home We will each know our own home when we get there When these essays started coming out of my computer I did not know they were going to be essays I was totally astonished when His Eye Is On The Sparrow showed up fully formed needing only slight tweaking to assume its final shape I looked it over This was an essay It could not be anything else Carrying on with my writing I saw essay after essay appear on the screen of my computer Some came out of my brain and heart almost as fully formed as the first Some required much work I believe the work was worthwhile I believe the book is worthwhile I stand proudly behind every idea in this book I do not stand behind every word Every major idea here is transformational and liberating I do not know how many major liberating transformational ideas there are in the world but as I write this I can think of maybe 20 or 30 no more On the other hand there are more than a half a million words in the three books You may find words with which you disagree I hope you do But it would be a step in the

wrong direction for you to disagree with the ideas If you are completely satisfied with your current ideas about life if you know all you want to know about leading a joy filled life full of spirituality but devoid of empty religiosity if you are happy with your relationships with all the people who mean something to you if you have not thought about these things in many years and really don't care to think about them now If all this is true for you please close this book and stop reading immediately The Way Home is really three books in one cover Each of the three is a complete unit but each book gains strength from the other two There are forty one essays in The Way Home and each essay is complete in itself but is also part of a unified whole Book One provides an overview for the special person who will want to read a serious book of essays about how to lead life Book Two is for those who might want to know more about the author and how he became the person he is Book Three is for those who understand the first two These fortunate few will already be conscious citizens of the new world already emerging from the ashes of the complete failure of western civilization They know where they are going and how to get there They will have gained a sense of direction for everything they do and they will know how to regain balanced movement if they are ever threatened Most of them will be able to do this because of a new religion they have adopted It may be called by the same name as the religion they have always had but it will be a new and intensely personal view of that religion This personal religion will use some of the language of the religion into which the person was born that is Christians may use mostly the words of Jesus Jews will not use Jesus words at all the different sects of the Moslem world will find different sections of the Koran to emphasize and Indians will quote the Upanishads Remarkably there will be no disagreement although each religion will be unique to one person alone     *The Child of the Kingdom.
