The Last Opportunity:

The Door Is Closing on the Last Opportunity for Immortality Apostle Frederick E. Franklin, 2011-07-14 This Book is Gods word to the inhabitants of planet Earth in these last days This book was written as our previous 40 forty books in response to God telling us to write it I wrote this book under the anointing of the Holy Ghost as an Apostle of God If you believe what Moses wrote then you must believe what I have written If you believe what Apostle Paul wrote then you must believe what I have written God Is Closing The Door To Immortality This Is Your Last Opportunity To Get Aboard If You Get A Chance To Read This Book Before It Is Too Late The Reading Of This Book Will Be Your Last Chance For Immortality This is an eyes stretching and mouth opening book Just read it you will see what I mean **The Last Chance** Mike Blakely, 1995-07-15

After an Indian massacre of an army troop Ross Caldwell s wife fears he is among the dead but in truth he is fleeing for his life from old Civil War enemies and his wife must outrun a murderous ex soldier in order to save him *The Last-Chance Maverick* Christyne Butler, 2014-10-01 Now a Harlequin Movie Art of Falling in Love RUST CREEK RAMBLINGS Fellow Ramblers have you heard that Jonah Dalton is back in town The sexy citified architect hasn t been seen round these parts since well we won t get into all that Let s just say love has not been kind to our Jonah But our sources whisper he s recently been painting the town red with spirited artist Vanessa Brent She s been methodically working her way through her bucket list and taking Jonah along for the ride You d never guess that Vanessa s lust for life is masking her own heartbreaking secret Can our hardworking maverick be the one to finally make her whole Readers we will let you draw your own conclusions but we think this romance is a masterpiece in the making **Last Chance Mustang** Mitchell Bornstein, 2015-06-23 The story of one horse one horseman and one final shot at redemption *The Last Chance: A Tale of the Golden West* Rolf

Boldrewood, 2022-06-13 In *The Last Chance A Tale of the Golden West* Rolf Boldrewood the nom de plume of Thomas Alexander Browne crafts an immersive narrative that explores the rugged and enigmatic terrain of Australia s outback during a time of burgeoning exploration and settlement As one of his later works the narrative may not have gained the same level of fame as *Robbery Under Arms* yet it delivers literary richness and a detailed portrayal of the landscape that many have hailed as his opus magnum Boldrewood s literary style weaves together adventure vivid description and frontier ethos offering a window into a vanished but once vibrantly wild world Situating itself within the canon of Australian colonial literature the novel holds its own boasting an authenticity that resonates with the epoch it seeks to capture Rolf Boldrewood brought to his writing the depth of his own varied experiences which included roles as a squatter gold digger and police magistrate These facets of his life lent a certain veracity to his depictions of frontier life and *The Last Chance* is no exception The novel s authentic representation of the rugged untamed Australian outback stems from his intimate knowledge of the landscape and the types of characters that it forged during the 19th century Boldrewood s work not only entertains but also acts as a chronicler of an era encapsulating the spirit of adventure and the heart of the colonial experience in Australia

Scholars and aficionados of historical adventure novels will find *The Last Chance A Tale of the Golden West* a highly recommended read. It offers a window into the pioneering spirit of Australian history capturing the imagination with its lively storytelling and rich descriptive language. This book promises not just a journey through the untamed Australian frontier but also a deep dive into the literary legacy that Rolf Boldrewood has left behind. For readers eager to immerse themselves in the essence of a bygone era, Boldrewood's less celebrated masterpiece awaits to transport them to a world of both historical import and breathtaking adventure.

The Pivotal Generation Henry Shue, 2022-01-11. We all recognize that climate change is a supremely important issue of our time which requires both trans-national and trans-generational collaboration and shared responsibility. What we haven't yet fully

appreciated argues political philosopher Henry Shue are the ethical considerations surrounding the fact that the next one or two decades will determine whether climate change which already has led us to dangerous effects will surge into inescapably disastrous effects The people alive today thus represent a pivotal generation in human history For the past two centuries humans have undermined our climate at an increasing rate in ways that the present generations are the first to fully understand and the last to be able to reverse But our responsibility for decisive and immediate action rests on three special features of the relation of our present to the future that many have failed to realize 1 future generations face dangers greater than ours even if we act robustly 2 the worsening dangers for future generations are currently without limit and 3 a less robust effort by us is likely to allow climate change to pass critical tipping points for severely worse and potentially unavoidable future dangers Shue a renowned scholar of ethics politics and international relations who has been studying the ethics of climate change for the last two decades guides us through what our ethical responsibilities to others are both across the world but especially over time and what those commitments require us to do in addressing the climate change crisis now and forcefully
