The Last Rock Star Book Camden Joy, 2011-11-01 Camden Joy's hero can't wrap up the quickie biography of rock star Liz Phair he's been commissioned to write Instead the shaky author finds himself recounting the troubled events of his own life His ex girlfriend who just might be the illegitimate daughter of dead Rolling Stone Brian Jones Liz Phair whom he's never met and a mystery girl seen looting a shop in an old newspaper photo all start to blur together in his mind If only he could get closer to his subject before the assignment spins out of control maybe he'd have a shot at the distinction he feels he deserves First published in 1998 The Last Rock Star Book has become an underground cult classic    The Last Rock Star Book Camden Joy, 2017-11-07 Camden Joy's hero is writing a quickie bio of rock star Liz Phair but increasingly finds himself recounting his own troubled life His ex girlfriend possibly Brian Jones's illegitimate daughter Liz Phair whom he's never met and a mystery girl in an old photo all start to blur together Joy's novel is a witty and cogent meditation on celebrity and obsession    A Map of the Dark John Dixon, 2018-05-06 It's Halloween night 1963 in De Pere Wisconsin Local children dressed as ghosts vampires and hoboes chase one another on and off porches and through the streets hunting for Dum Dums Slo Pokes and thrills Meanwhile their parents fill the local bars joking and fighting bobbing for apples and dancing to the jukebox But all is not well Evelyn Schmidt's life is almost at an end she's been diagnosed with cancer and given only days to live She'll be damned if she'll go quietly though in the hospital or at home She's heading for the Idle Hour to drink up a storm whether her fellow drinkers want her there or not Steve Omsted is only sixteen but it seems to him his life might as well be over He's on academic probation he's been kicked off the football team and now his girlfriend has dropped him He's looking for an easy target for his rage and has set up a nighttime ambush for his victim Chuck Williams feels like his life hasn't even started yet but he can't wait any longer He'll go trick or treating but he doesn't want to end up waxing windows with the other fifth graders he's aiming to hang out with the older kids and cause some real trouble As the evening unfolds the paths of these and other characters converge in a series of shocking events that will change the lives of all involved In stark language and with bold cinematic vision John Dixon delivers a stunning portrait of a small town at war with itself    Lost Joy
