Jack the Ripper Mark Whitehead, Miriam Rivett, 2012-11-01 So who was Jack the Ripper No one in the annals of crime is capable of arousing such passionate debate as the perpetrator of the Whitechapel Murders in 1888 Was he a demented Royal a Masonic assassin a sexually frustrated artist a member of the Czarist secret police a crazed reformist or even an escaped gorilla More than a century has passed since this unknown killer murdered East End prostitutes under the very noses of the police and yet we seem no closer to uncovering the Ripper s identity Countless volumes have been written by warring researchers seemingly unable to agree

even on the number of his victims Is it possible that we will ever know the truth or is the Ripper destined to remain an enigma his place in history secured as both an English heritage crime icon and a universal bogeyman This revised and updated edition contains a summary of Jack s crimes victims and the ill fated police investigation It considers many of the Ripper s proposed identities bringing you up to date with the latest suspects and includes a guide to the Ripper s many fictional outings from The Lodger to From Hell

The Hero in Transition Ray Broadus Browne, Marshall William Fishwick, 1983 An investigation of society s heroes during any time period will reveal the personnel deemed worthy of being emulated at that particular time by that particular society There will be many old and time tested figures sometimes with new faces and new profiles there will also be a mix of new faces Thus the hero like history itself is constantly in transition and both the hero and the transition are fundamental to the study of a culture These essays turn the pantheon of heroes around before our eyes and reveal the many complicated aspects of hero worship

Crime Fiction John Scaggs, 2005 Provides a lively introduction to what is both a wide ranging and hugely popular literary genre Accessible and clear this comprehensive overview is the essential guide for all those studying crime fiction

Key Concepts in Crime Fiction Heather Worthington, 2011-08-31 An insight into a popular yet complex genre that has developed over the nineteenth and twentieth centuries The volume explores the contemporary anxieties to which crime fiction responds along with society s changing conceptions of crime and criminality The book covers texts contexts and criticism in an accessible and user friendly format

Bloody Italy Patricia Prandini Buckler, 2014-03-13 These new essays comprise a critical analysis of present day crime fiction and nonfiction works set in Italy all of which are available in English The writers discussed range from Donna Leon and Michael Dibdin to Leonardo Sciascia and Andrea Camilleri Essays also deal with nonfiction by Roberto Saviano and Douglas Preston An emerging theme is the corruption of Italian police and judiciary officials and the frustration of officers and politicians trying to work ethically within a flawed system Many of the works discussed show the struggle of the honest characters to find at least a limited justice for the victims

Deviance in Contemporary Crime Fiction C. Gregoriou, 2007-01-30 This book explores the three aspects of deviance that contemporary crime fiction manipulates linguistic social and generic Gregoriou conducts case studies into crime series by James Patterson Michael Connelly and Patricia Cornwell and investigates the way in which these novelists correspondingly challenge those aforementioned conventions

Writing and Victorianism J.B. Bullen, 2014-06-06 Writing and Victorianism asks the fundamental question what is Victorianism and offers a number of answers taken from methods and approaches which have been developed over the last ten years This collection of essays written by both new and established scholars from Britain and the U S A develops many of the themes of nineteenth century studies which have lately come to the fore touching upon issues such as drugs class power and gender Some essays reflect the interaction of word and image in the nineteenth century and the notion of the city as spectacle others look at Victorian science finding a connection between writing and the growth of psychology and

psychiatry on the one hand and with the power of scientific materialism on the other As well as key figures such as Dickens Tennyson and Wilde a host of new names are introduced including working class writers attempting to define themselves and writers in the Periodical press who once anonymous exercised a great influence over Victorian politics taste and social ideals From these observations there emerges a need for self definition in Victorian writing History ancestry and the past all play their part in figuring the present in the nineteenth century and many of these studies foreground the problem of literary social and psychological identity

The Novel Life of PG Wodehouse Roderick Easdale, 2014-06-18 Was PG Wodehouse really a traitor a naive simpleton dominated by his wife and out of touch with the world around him This book challenges many of the accepted wisdoms about PG Wodehouse and his work and skilfully entwines details of Wodehouse s life with an analysis of his work to show that contrary to popular belief many of the scenarios characters and issues he wrote about came from his own sometimes bitter personal experience It shows for instance how Bertie Wooster is a much misunderstood figure in literature and shared many of the characteristics and life story of PG Wodehouse himself Easdale also gives fresh insight into PG Wodehouse s alleged treachery during World War II and his motives for making five radio broadcasts from Germany which were to cast a shadow over the rest of his life Easdale often finds an original angle with which to shatter stale accepted perception this book is compelling Country Life This fascinating examination offers a refreshing and accessible study of Wodehouse s work Press Association

Novel Cultivations Elizabeth Hope Chang, 2019-03-25 Shortlisted for the Best Book Prize from the British Society of Literature and Science Nineteenth century English nature was a place of experimentation exoticism and transgression as site and emblem of the global exchanges of the British Empire Popular attitudes toward the transplantation of exotic species botanical and human to Victorian greenhouses and cities found anxious expression in a number of fanciful genre texts including mysteries science fiction and horror stories Situated in a mid Victorian moment of frenetic plant collecting from the far reaches of the British empire *Novel Cultivations* recognizes plants as vital and sentient subjects that serve often more so than people as actors and narrative engines in the nineteenth century novel Conceptions of native and natural were decoupled by the revelation that nature was globally sourced a disruption displayed in the plots of gardens as in those of novels Elizabeth Chang examines here the agency asserted by plants with shrewd readings of a range of fictional works from monstrous rhododendrons in Daphne du Maurier s *Rebecca* and Mexican prickly pears in Olive Schreiner s *Story of an African Farm* to Algernon Blackwood s hair raising *The Man Whom the Trees Loved* and other obscure ecogothic tales This provocative contribution to ecocriticism shows plants as buttonholes between fiction and reality registering changes of form and content in both realms

[The Doctor and the Detective](#) Martin Booth, 2013-05-10 A biography attempts to separate the life of the Edinburgh doctor from his fictional consulting detective from London This entertaining smart biography of Arthur Conan Doyle presents a modern day interpretation of the man who contrary to his best efforts will always be known as the creator of the great detective Sherlock Holmes Doyle was however

much more as Booth shows us in this intriguing study of a man who thrived on the times in which he lived While Holmes fans will be captivated by the various tidbits that offer insight into their hero s creation others will be fascinated by this living embodiment of the Victorian masculine ideal Praise for The Doctor and the Detective If we wish to find our way to the essential man we need look no further than this work P D James bestselling author of A Certain Justice An attractive and well written introduction to Conan Doyle s body of work Library Journal Readers who think of Conan Doyle only as the man who created Sherlock Holmes will be surprised and perhaps even shocked by this comprehensive and fascinating biography

Booklist Jack the Ripper - Through the Mists of Time Peter Hodgson, 2011-08-26 Over a century ago a series of shocking mutilation murders took place in a squalid overcrowded district of Victorian London Five women fell victim to a man driven by rage and violent fantasy The newspapers of the day gave him a chilling nickname a name that evokes images of gas lit foggy streets and a top hatted sinister figure carrying a Gladstone bag From the outset the murderer attained almost mythical status merely by virtue of his name and his uncanny ability to avoid detection The legend of Jack the Ripper was born Peter Hodgson s detailed and entertaining overview of Ripper lore in fact film and fiction analyses the fiend s awesome legacy He explores the institutions and the individuals the Jewish community and their rituals with meat the scandal prone royal family the Victorian police and their simplistic methods of investigation the streetwalkers and their trade This book compares the fiction with the reality of those ghastly events and clearly shows how the real killer has been transformed into a creature of the mind the other Jack the Ripper Examination of the victims mutilations reveals the true nature of Jack s grotesque fantasies This aspect coupled with his elementary anatomical knowledge is used in conjunction with the FBI s appraisal of the case to construct a unique psychological profile From the long list of candidates the author reveals his prime suspect for the role of the world s most infamous serial killer Book reviews online PublishedBestsellers website
