The Compact Fully Translated Bible William Harwood, 2005 Crossing Bridges takes you through one emotional bridge after another as you relive Gene's heart tugging experience of overcoming grief and emotional stress. It pulls you into an experience that makes you want to love and enjoy life to its fullest. This is a must-read short novel. Greg Johnston: This is a most compelling true story of a man who many years ago was a victim of a most horrifying experience. To this day it affects his life on a daily basis. The story of a family of six on an automobile trip to and on the way back from Grandparent's home involved in a head-on collision on a narrow bridge. Both parents and a sibling die. The aftermath is still unraveling. This true story is one everyone should read and learn from. Gene Hockenbury: the author has had a haunting life because of the threads of a single event nearly 50 years ago. One split-second life seems to change forever. Learn about his recovery and discovery of a new life and the bitter past of a most horrific childhood. No one should miss reading this story. You will not be able to put down the reading once you start. Spence G. Morgan: **The Branch Exposition of the Bible, Volume 1** Michael A.

Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant. MARTIN LUTHER: A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry. Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness. Filling this gap: The Branch Exposition of the Bible is a resource for preachers, scholars, and everyday Christians alike to help open God's word and shed its light into life, ministry, and teaching. Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa, India, and the West, Michael A. Eaton helps us understand the meaning of the Bible and taste its fruit. With an Old Testament volume to follow, this exposition of the New Testament accessibly engages with the biblical languages, gives application for our lives, and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture.
