*The Best Show in Football* Andy Piascik,2010-10-16 For ten years the Cleveland Browns compiled a better record and won more championships than any team in pro football history In their first game they set an all time attendance record and consistently drew the largest crowds of the post World War II era They dominated an upstart league and then silenced their detractors by doing the same to the NFL The Browns were led by Paul Brown a football visionary who changed pro football Most important among his innovations was the leading role the franchise played in the integration of pro sports While much of their competition continued with the racial exclusion of the past the Browns featured some of the greatest black players of all time men who were an integral part of the Cleveland dynasty

*The Best Show in Football* The 1946 1955 Cleveland Browns Pro Football's Greatest Dynasty tells the story of those players and that dynasty Included in that story is the construction of the Browns as well as accounts of the team's many victories Dozens of interviews bring to life the exploits of Otto Graham Bill Willis Marion Motley Lou Groza Mac Speedie Len Ford Dante Lavelli Frank Gatski and so many others In rich detail *The Best Show in Football* demonstrates why Cleveland's dynasty was the greatest ever greater even than several teams that are usually accorded that honor The conclusions may be surprising but the evidence is all here And along the way author Andy Piascik provides a wonderful trip back to football's golden age

*Offensive Football Strategies* American Football Coaches Association,2000 A collection of articles previously published in the AFCA's proceedings from its annual meetings and its annual summer manual

**How to Beat the Pro Football Pointsread** Bobby Smith,2008-10-28 This indispensable reference for football bettors covers every aspect of betting Smith teaches how to look at the game with the bettor's eye instead of the fan's and explains his theories on reasonable statistical expectations

*Shaping College Football* Raymond Schmidt,2007-06-18 Raymond Schmidt examines the many factors that were a part of college football's reshaping in the 1920s as the universities became dependent upon the revenue being generated by football and the sport increasingly became identified as a commercialized big business activity all of it being played out against a backdrop of struggle between the academic and athletic factions over control of intercollegiate sport's place in the lives of the students and the university

community This is the most detailed examination ever undertaken of college football s Golden Era and the topics discussed range from the shift of power away from the game s pioneering schools through the real evolution of forward passing to stadium building and the decade long struggle over the game s growing over emphasis that culminated in the legendary Carnegie Report of 1929 Including chapters on college football s class oriented opposition to professional football during the decade the rise of the sport at the Catholic colleges and the historically Black colleges and some of the major scandals and disputes involving the universities Shaping College Football also contributes to the study of sport and culture
