The Ethics of Ernst Lubitsch Ivana Novak,Gregor Moder,2024-08-20
Against the idea that comedy offers us a relief from the horrors of the real world the German Jewish American filmmaker Ernst Lubitsch defended his masterpiece *To Be or Not to Be* a comedy from 1942 about the concurrent Nazi occupation of Poland with the claim that he had made up his mind to make a picture with no attempt to relieve anybody from anything at any time The essays included in *The Ethics of Ernst Lubitsch* consider Lubitsch's work from his early Berlin years to his Hollywood fame emphasizing the idea of comedy without relief as the fundamental ethical premise of his special cinematic touch In this edited collection contributors take a closer look at how Lubitsch addresses delicate and controversial topics like sexuality love and revolution and set out a picture of an engaged ethics without moralism *The Ethics of Ernst Lubitsch* is a vital contribution to film scholarship and a tribute to an essential filmmaker

Louis B. Mayer and Irving Thalberg Kenneth Turan,2025-02-04 Kenneth Turan brings to life the extraordinary partnership of Louis B Mayer and Irving Thalberg and their role in creating the film industry as we know it One was a tough junkman's son the other a cosseted mama's boy but they dreamed the same mighty dream that the right movies could make a profit and change both the culture and individual lives Sharing a religion and an evangelical zeal for film Louis B Mayer 1884 1957 and Irving Thalberg 1899 1936 were unlikely partners in one of the most significant collaborations in movie history Over the course of their decade long relationship as key players at Metro Goldwyn Mayer and major players in Hollywood they joined forces in redefining and mastering the template for the film industry Mayer older by more than a dozen years was the business minded face of the studio while Thalberg worked closely with the creative corps especially writers together they rarely set a foot wrong And while Mayer initially viewed Thalberg as the son he never had the two would go from passionate friends to near enemies before Thalberg's shocking death at the age of thirty seven In the first joint biography of the two men in fifty years film critic Kenneth Turan traces their fraught relationship while examining the complicated history of Jewish identity in Hollywood

Pre-Code Hollywood Thomas Doherty,1999-08-27 *Pre Code Hollywood* explores the fascinating period in American motion picture history from 1930 to 1934 when the commandments of the Production Code Administration were violated with impunity in a series of wildly unconventional films a time when

censorship was lax and Hollywood made the most of it Though more unbridled salacious subversive and just plain bizarre than what came afterwards the films of the period do indeed have the look of Hollywood cinema but the moral terrain is so off kilter that they seem imported from a parallel universe In a sense Doherty avers the films of pre Code Hollywood are from another universe They lay bare what Hollywood under the Production Code attempted to cover up and push offscreen sexual liaisons unsanctified by the laws of God or man marriage ridiculed and redefined ethnic lines crossed and racial barriers ignored economic injustice exposed and political corruption assumed vice unpunished and virtue unrewarded in sum pretty much the raw stuff of American culture unvarnished and unveiled No other book has yet sought to interpret the films and film related meanings of the pre Code era what defined the period why it ended and what its relationship was to the country as a whole during the darkest years of the Great Depression and afterward

The Film Book Ronald Bergan, 2011-10-03

Film is the world's most popular artistic medium What began as a novelty at country fairs rapidly became the consummate art form of the twentieth century spanning both popular culture and high art The Film Book enables you to identify different cinematic genres appreciate the style of celebrated directors see how a film is made and understand why the greatest movies deserve their reputation The book is unique in encompassing each of these key aspects and as such outspans the many other guides and film companions on the market The guide is split into seven distinct sections each of which deals with a particular aspect of film The first of these chapters is a detailed history of the art form over the last 120 years charting its evolution from a musical event accompanied by pictures through its numerous developments and innovations talking pictures color film video and DVD online films computer generated special effects and the modern 3D experience The second shows how these techniques are applied in practice taking the reader behind the camera to explore the film making process and find out who's who on set offering a useful insight into how movies are brought to life Sections 3 to 6 look at the films themselves Providing an overview of cinematic styles and genres the third section covers everything from westerns musicals and sci fi to arthouse cinema the avant garde and the cult movie whilst the fourth compares and contrasts the major styles of international cinema with key schools movements directors and films The fifth section profiles 100 of the film industry's greatest and most influential directors listing their key works and assessing their cinematic legacy whilst the sixth section discusses 100 key cinematic works which invented extended or reinvented the art form The closing section of the book is an interesting and often provocative range of lists compiled by a variety of film associations publications and institutions Comprehensive authoritative and written with passion and verve The Film Book is a unique treasure trove of a guide that will appeal to anyone who loves movies

The Complete Garbo Talks Introduction

In today's digital age, the availability of The Complete Garbo Talks books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of The Complete Garbo Talks books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of The Complete Garbo Talks books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing The Complete Garbo Talks versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, The Complete Garbo Talks books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing The Complete Garbo Talks books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for The Complete Garbo Talks books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit

organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, The Complete Garbo Talks books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of The Complete Garbo Talks books and manuals for download and embark on your journey of knowledge?
