The Complete Gilbert Sullivan:

The Savoy Operas: The Complete Gilbert and Sullivan Arthur Sullivan, W. S. Gilbert, 2008-10-30 Gilbert and Sullivan's operas are some of the world's best loved musical works delighting audiences with their joyous wit, topsy-turvy logic and extravagant wordplay. This glorious treasury is the definitive annotated edition of all fourteen of their operas. From the partially lost work *Thespis* the first collaboration between W. S. Gilbert and Arthur Sullivan through the triumphant comic romps *The Pirates of Penzance* and *The Mikado* to lesser performed gems such as the fanciful *The Sorcerer* and the acerbic lampoon *Patience*, Gilbert's libretti are collected here in their most accurate and faithful form. There is a fascinating commentary on each work telling the extraordinary stories behind the inspiration for the opera and its performance history and giving plot summaries and original cast lists.

The Complete Annotated Gilbert and Sullivan Arthur Sullivan, William Schwenck Gilbert, 1996 *The Complete Annotated Gilbert and Sullivan* provides the complete text of all the Gilbert and Sullivan operas which are still performed today together with extensive annotations covering lost songs, alterations and additions, obscure allusions, production points and comments of interest. Each opera has an introduction which places it in its context and a potted history of performances up to the present. No other book provides such extensive commentary on the texts of the Savoy Opera nor such a source of innocent merriment to fans of the incomparable Victorian duo. For each opera there is a short introduction describing how the work came to be written and giving its performance history. The text including stage directions is given on the right hand page and on the left, keyed in by line numbers, are notes. These give such information as the identity of a real life person appearing or mentioned as a character, wordings that were different in the original edition, the one sent to the Lord Chamberlain for licensing, changes made for the first American performance, glosses on technical terms, e.g. legal terms, literary references, cross references to similar items in other Savoy operas, comments from first night critics and many other things.
