The Complete Retirement Planning:

Your Complete Retirement Planning Road Map Ed Slott, 2008-11-19 This is the same diagnostic system I use with my own clients and with the financial advisors I train So going through it will be like having me sitting beside you whispering in your ear guiding you every step of the way from Your Complete Retirement Planning Road Map Corporate pensions are disappearing Social Security is in trouble And the sizable postwar generation is reaching retirement age With the futures of millions of Americans at stake Ed Slott the country's foremost retirement planning advisor now offers expert advice on weathering the perfect storm of financial instability that looms on the horizon Your Complete Retirement Planning Road Map Slott's most essential and accessible book yet provides clear step by step directions through the highways and byways of IRAs 401 k's 403 b's and other major accounts In five helpfully focused sections Slott combines crucial facts with interactive checklists and questionnaires those he uses with his own clients to teach investors and beneficiaries alike the best way to save and to maximize an inheritance Inside you'll discover My Account Inventory an overview of every retirement savings account you own whether you're thirty or sixty five from what it is and where it is to who gets it and how plus where to put important data for easy access and where to store your essential documents hint not in a safe deposit box The Account Owner's Care Solution how to properly fill out retirement account beneficiary forms so that whatever amount of money is left in your account after you've fully enjoyed retirement will go to whomever you choose and not to relatives who suddenly pop up out of nowhere The Account Beneficiary's Care Solution what to do when you inherit so that you won't lose any of the tax benefits and other opportunities your benefactor has created for you or make a mistake that could wipe out an inherited fortune that took years to build up The Special Issues Care Solution how to handle the out of the box issues that could affect you or your beneficiaries e.g. life events such as divorce or incapacity tax issues for unmarried partners decisions about trusts The Follow up Care Solution how to keep your planning on track and make adjustments when circumstances change and how to determine whether your professional retirement advisor is really up to the task of preserving and protecting your money Plus the most up to date information on tax laws including the Pension Protection Act of 2006 which provides major new retirement incentives that you can take advantage of Your Complete Retirement Planning Road Map is an indispensable planning solution that is sure to become the standard how to on a complex subject that is becoming relevant to more people every day

The Complete Idiot's Guide to Retirement Planning Jeffrey J. Wuorio, 2007-12-04 A necessary plan for a secure and comfortable retirement Everyone wants to retire with personal and financial peace of mind But the question is always will there be enough money to fund a comfortable lifestyle That's where this book comes to the rescue addressing every conceivable concern from health care to Social Security about setting up a sound plan for retirement And it's never too late to start The Center for Retirement Research at Boston College reports that 43% of Americans fall short of their pre retirement income Robert Powell of MarketWatch agrees that Americans have little set aside for retirement Written by a
