The Story of Christian Spirituality Gordon Mursell, 2001 Beautifully illustrated throughout The Story of Christian Spirituality is a readable and vivid guide to the spiritual riches of one of the world s most influential religions

The Encyclopedia of Christian Literature George Thomas Kurian, James D. Smith III, 2010-04-16 The written word is one of the defining elements of Christian experience As vigorous in the 1st century as it is in the 21st Christian literature has had a significant function in history and teachers and students need to be reminded of this powerful literary legacy Covering 2 000 years The Encyclopedia of Christian Literature is the first encyclopedia devoted to Christian writers and books In addition to an overview of the Christian literature this two volume set also includes 40 essays on the principal genres of Christian literature and more than 400 bio bibliographical essays describing the principal writers and their works These essays examine the evolution of Christian thought as reflected in the literature of every age The companion volume also features bibliographies an index a timeline of Christian Literature and a list of the greatest Christian authors The encyclopedia will appeal not only to scholars and Christian evangelicals but students and teachers in seminaries and theological schools as well as to the growing body of Christian readers and bibliophiles

The Senses and the English Reformation Matthew Milner, 2016-03-03 It is a commonly held belief that medieval Catholics were focussed on the bells and whistles of religious practices the smoke images sights and sounds that dazzled pre modern churchgoers Protestantism in contrast has been cast as Catholicism s austere intellective and less sensual rival sibling With iis white washed walls lack of incense and often music Protestantism worship emphasised preaching and scripture making the new religion a drab and disengaged sensual experience In order to challenge such entrenched assumptions this book examines Tudor views on the senses to create a new lens through which to explore the English Reformation Divided into two sections the book begins with an examination of pre Reformation beliefs and practices establishing intellectual views on the senses in fifteenth century England and situating them within their contemporary philosophical and cultural tensions Having established the parameters for the role of sense before the Reformation the second half of the book mirrors these concerns in the post 1520 world looking at how and to what degree the relationship between religious practices and sensation changed as a result of the Reformation By taking this long term binary approach the study is able to tackle fundamental questions

regarding the role of the senses in late medieval and early modern English Christianity By looking at what English men and women thought about sight hearing smell taste and touch the stereotype that Protestantism was not sensual and that Catholicism was overly sensualised is wholly undermined Through this examination of how worship was transformed in its textual and liturgical forms the book illustrates how English religion sought to reflect changing ideas surrounding the senses and their place in religious life Worship had to be sensible and following how reformers and their opponents built liturgy around experience of the sacred through the physical allows us to tease out the tensions and pressures which shaped religious reform

An Introduction to Christian Spirituality F. Antonisamy, 2000

Erotic Faith Mari Kim, 2022-03-24 The thought of contemporary North American theologian and ethicist Wendy Farley is an unflinching clarion call to justice and compassion Farley invites us to discover ways of embodying the deep compassion capable of resisting pernicious distortions and traumatizing injustices that harm and dehumanize us all This volume of essays embodies her invitation to awaken as beloved community And when we are overwhelmed by the magnitude of struggle and despair Farley reminds us that the powerful longing of hope at times against all evidence refuses to give up on seeking justice and wholeness Compassionate justice radical hospitality creative liberation and deep listening emerge as more than ethical values for Farley they are expressions of erotic faith a praxis of faithfulness born of divine desire These writings explore transformative perspectives and practices that have the capacity to help us recover and author our identity as the god bearers we are Erotic faith embodies the love seeking persistence of divine faithfulness necessary to transform us from

within it meets the truth of human harm vulnerability and suffering by offering a complex struggling unscripted creativity capable of remaking us and our world until the beloved community is whole The Westminster Dictionary of Christian Spirituality Gordon S. Wakefield,1983-01-01 Ecumenical in character this comprehensive and authoritative dictionary is the achievement of scholars of international standing Anglicans Roman Catholics Baptists Presbyterians Quakers Methodists Lutherans and others The articles are nondogmatic and scholarly The main emphasis is thematic the entries represent types schools and subjects Articles that refer to non Christian religions are included insofar as they have influenced Christianity The unifying theme of the dictionary is that it seeks to illumine ways in which women and men have responded to God in prayer and living *A Brief History of Spirituality* Philip Sheldrake,2009-02-09 A Brief History of Spirituality tells the story of Christian spirituality from its origins in the New Testament to the present day Charts the main figures ideas images and historical periods showing how and why spirituality has changed and developed over the centuries Draws out the distinctive themes of Christian spirituality exploring the historical and cultural events and experiences that changed people s attitudes and practices Coverage extends right up to the modern day exploring the huge changes in spirituality in recent years and the way it is nowadays often contrasted with religion Written by a leading commentator on spirituality and published in the popular Brief Histories of Religion series Treasury... Anthony Charles Deane,1908 *History of the Christian Church* Williston Walker,2014-06-30 Since publication of the first edition in 1918 A History of the Christian Church by Williston Walker has enjoyed outstanding success and recognition as a classic in the field Written by an eminent theologian it combines in its narrative a rare blend of clarity unity and balance In light of significant advances in scholarship in recent years extensive revisions have been made to this fourth edition Three scholars from Union Theological Seminary in New York have incorporated new historical discoveries and provided fresh interpretations of various periods in church history from the first century to the twentieth The result is a thoroughly updated history which preserves the tenor and structure of Walker s original unparalleled text **The Religious Education of Adults** Leon McKenzie,R. Michael Harton,2002 Increasingly adults do not see the church as a credible provider of quality religious education This revision by R Michael Harton of the classic work by Leon McKenzie addresses the foundational issues of what constitutes such an education for adults and how ministers and teachers can determine and understand the needs of learners It also offers ways to involve learners in the planning and execution of their own religious education A must read for ministers and seminarians who care about the religious education of adults Leon McKenzie is a retired professor of adult education at Indiana University where he also served as Director of Human Resource Development for Indiana University Hospital He received his Ed D in adult education from IU and has authored several books including Adult Education and the Burden of the Future and Adult Education and World View Construction He lives in Indianapolis R Michael Harton has authored several articles on local church adult education and contributed to A Church s Ministry to Adults and Handbook on Adult Religious Education A former

Prayer and Practice in the American Catholic Community Joseph P. Chinnici, Angelyn Dries, 2000 This volume offers glimpses of how practicing faith living a life of prayer and finding a way in a new land come together in forming the American Catholic experience From a 1792 manual on devotion to the Sacred Heart through a 1910 passion play in the West to a 1965 street re enactment of the stations of the cross the reader can see changing styles of prayer and a living tradition renewing itself

Mystic Bonfires Kevin Goodrich, 2022-06-08 For centuries people have been drawn to the Christian mystics women and men who have known God in powerful and experiential ways Mystic Bonfires is for students scholars and practitioners of ministry theology and spiritual formation It explores theology and theory and shares insights for practice and prayer Readers will encounter classical concepts about the spiritual life and how to apply these concepts to their ministries in faithful and creative ways Mystic Bonfires includes questions for students in academic and formation settings as well as project ideas for congregations Mystic Bonfires explores the intersection of spiritual theology and practical theology Walter Hilton a 14th century English mystic and a contemporary of Julian of Norwich serves as a case study for the intersection of these fields called practical spiritual theology

Western Mysticism Butler, 2012-10-12 A renewed interest in the spiritual with an increasing number of people today wishing to incorporate the contemplative in their active lives prompts the reissue of this classic work a doctrine that is at once elevated and practical The writings are meant to be studied from three distinct points of view religious philosophy material for the study of those states between mind and body such as ecstasy and trance and for the sake of their mysticism Drawn from the writings and teachings of Saint Augustine Saint Gregory and Saint Bernard the writings form a coordinated body of doctrine with what three great teachers of mystical theology in the Western Church have written concerning their own religious experience and the theories they based on it In addition the book discusses such important topics as speculative contemplation what mysticism is the characteristics of Western mysticism the practical and the contrasts between the contemplative and active lives No student of mysticism can possibly afford to neglect a volume so full of valuable suggestions and real insight into spiritual conditions

Christians Talk about Buddhist Meditation, Buddhists Talk About Christian Prayer Rita M. Gross, Terry C. Muck, 2003-04-29 This book adopts the format of the editors previous book Buddhists Talk about Jesus Christians Talk about the Buddha In that book eight scholar practitioners four of them Buddhist and four Christian explored their relationship to the great religious figure of the other tradition Then the remaining contributors two from each tradition addressed themselves rebuttal fashion to the views expressed In the new book the subject is the differences and similarities between Buddhist meditation and Christian prayer What can a Christian for example learn from the mental and physical rigor of Buddhist meditative practice What can a Buddhist learn from traditional Christian prayer
