Finding Stinko Michael de Guzman, 2007-04-17 Newboy hasn't spoken in three years One morning he opened his mouth and nothing came out He doesn't know why he stopped talking but what he does know is that he's through with the state child care system In twelve years he's lived in eleven foster homes and the Knoxes are the worst of the bunch Now with no voice no family and no exact plan Newboy is running away for good Living on the streets means danger and excitement around every corner but the one thing Newboy never expected to find is a companion in the form of an old ventriloquist dummy lying in a Dumpster a puppet with no hands backward feet and a chunk of its nose missing Amazingly this beat up doll whom he dubs Stinko possesses a kind of magic that helps Newboy rediscover his ability to communicate This is a fast paced adventure about a runaway kid figuring out not just what he's searching for but also what he has to say Finding Stinko is a 2008 Bank Street Best Children's Book of the Year

Last Dance in Havana Eugene Robinson, 2012-11-20 In power for forty four years and counting Fidel Castro has done everything possible to define Cuba to the world and to itself yet not even he has been able to control the thoughts and dreams of his people Those thoughts and dreams are the basis for what may become a post Castro Cuba To more fully understand the future of America's near neighbor veteran reporter Eugene Robinson knew exactly where to look or rather to listen In this provocative work Robinson takes us on a sweaty pulsating and lyrical tour of a country on the verge of revolution using its musicians as a window into its present and future Music is the mother's milk of Cuban culture Cubans express their fondest hopes their frustrations even their political dissent through music Most Americans think only of salsa and the Buena Vista Social Club when they think of the music of Cuba yet those styles are but a piece of a broad musical spectrum Just as the West learned more about China after the Cultural Revolution by watching From Mao to Mozart so will readers discover the real Cuba the living breathing dying yet striving Cuba Cuban music is both wildly exuberant and achingly melancholy A thick stew of African and European elements it is astoundingly rich and influential to have come from such a tiny island From rap stars who defy the government in their lyrics to violinists and pianists who attend the world's last Soviet style conservatory to international pop stars who could make millions abroad yet choose to stay and work for peanuts Robinson introduces us to unforgettable characters who happily bring him into their homes and backstage discussions Despite Castro's attempts to shut down nightclubs obstruct artists and subsidize only what he wants the musicians and dancers of Cuba cannot stop much less behave Cubans move through their complicated lives the way they move on the dance floor dashing and darting and spinning on a dime seducing joy and fulfillment and next week's supply of food out of a broken system Then at night they take to the real dance floors and invent fantastic new steps Last Dance in Havana is heartwrenching yet ultimately as joyous and hopeful as a rocking club late on a Saturday night
