The Dandelion Mother Goose, 1979 Includes 37 well known rhymes accompanied by illustrations **The Mother Goose Letters** Karen Clavelle, 2019-03-19 The Mother Goose Letters comprises the annotated correspondence between Mother Goose and her cohorts in Britain concerning migration to the Canadian Prairies The letters reveal both her attempts to wheedle her fellow nursery rhyme characters to settle in the Prairies with her and their mixed responses to her plans Responding to a cease and desist command from No 10 Downing St M Goose categorically makes her case for the out migration and re migration of her stories She supposes they will continue to live if she gives them leave to change as time place and experience dictate She is after all a runaway Mother Goose In print for the first time The Mother Goose Letters presents scrupulously collated research in the form of hitherto unseen letters and previously unknown revisions of the best known Mother Goose nursery rhymes and fairy tales These collected works are used as the framework whereby a story of modern day immigration can be told **The Poetry Book** Herbert Bascom Bruner, 1926 A poetry collection including works by Whitman Stevenson Lear and De la Mare A Brief afterword describes the curriculum experiment which preceded the publication of the original nine volumes Course of Study for the Common Schools of Illinois Illinois Education Association.
