The Dark Figure:

The Dark Door Alan E. Nourse, 2016-03-10 It was almost dark when he awoke and lay on the bed motionless and trembling his heart sinking in the knowledge that he should never have slept For almost half a minute eyes wide with fear he lay in the silence of the gloomy room straining to hear some sound some indication of their presence But the only sound was the barely audible hum of his wrist watch and the dismal splatter of raindrops on the cobbled street outside There was no sound to feed his fear yet he knew then without a flicker of doubt that they were going to kill him *The Kingdom of Arke* Michael Bergman, 2016-01-22 In the midst of a vast sea there lies an island There a kingdom has forgotten and forsaken their king Shadows lengthen over the island threatening to consume it in absolute darkness The fate of the kingdom resides in the actions of a boy who will go through many trials that could break him Only he can shed the desperate light on The Kingdom of Arke *Riemann Zeta* Nicholas B. Beeson, 2011-12-06 You dont know what it is to be methe drug that I am the drug I will be the pure ecstasy Here let me cook up some of me The world is not as it seems But forget the world for now The City stands alone as the only haven from government oppression intentionally left so to serve mankind through its technological advances The price this paradise pays for its creative freedom is deeper in cost than its denizens could ever fathom The driver has been assigned a position at Civil Central Command a relatively simple commission in a city with few regulations However this job requires much more work to investigate numerous unexplained deaths People are dying everywhere With hardly any trail to go on the driver is chasing a wraith The Citys light of advancement is darkened by death and destruction as two travelers set upon the City and square off in a showdown The killer is restless How many more must litter the floor

Dark Legends Joshua Stevens, 2022-09-16 In a system far from Earth a vast republic reigns with compassion and fairness Though the republic is at peace an ancient cold war is heating up The pirate clans have begun a resurgence since their defeat in the Pirate Wars Their new leader hidden in the shadows rules the clans with an iron fist His second in command a ghost from the past is scared by the clans Both men are destined to bring an end to the home world fulfilling the prophecy that created the clans ten thousand years ago They watched as their world and those who shunned them were obliterated in the blink of an eye The only man that can stop them is the only son of a long lineage of heroes This man is linked both to the past and the clans in ways he does not realize He is in command of the most advanced starship the republic has ever constructed to help find a new home His crew is the best of the best brave and loyal willing to do the right thing regardless of the consequences Both sides will face off with each other reveal hidden secrets that no one suspected It is a battle between good and evil that will span the known universe in a quest for revenge Will our hero stop another world from burning or fall like his **National Institute of Justice Journal** , 1997 *Hybrid Perovskite Solar Cells* Hiroyuki Fujiwara, 2022-01-10 Unparalleled coverage of the most vibrant research field in photovoltaics Hybrid perovskites revolutionary game changing semiconductor materials have every favorable optoelectronic characteristic necessary for
