The Dark Interval Towards A Theology Of Story:

The Dark Interval John Dominic Crossan, 1988 Eagle books Bibliography p 107 111 Includes index Christology as Narrative Quest Michael LaVelle Cook, 1997 How central is narrative to human experience to Christology What is the significance of Mark's turn to narrative in the development of the Christian Scriptures and of the return to narrative in liberation theology as exemplified in the Mexican American experience How does the move toward more conceptual language in the Creed and in Aquinas Summa theologiae relate to the foundational priority of narrative In exploring such questions this book maintains the primacy and centrality of narrative in communicating the significance of Jesus Mark and Guadalupe both communicating through the power of narrative frame the Creed which is a symbolic evocation of John's narrative and the Summa which even in its systematization assumes the foundational narratives Thus the Fathers of the Church and Thomas Aquinas no less than the Gospel authors and Juan Diego's heirs are seen to be on a narrative quest *The Bonds of Freedom* Garry Devereaux, 2008-12-01 This book proposes that Christian worship is a key source for any theology seeking to understand the covenant between God and human beings in the Christian tradition Through a detailed examination of phenomenological biblical and theological sources the author seeks to write a theology in which the selfhood of both God and human beings is seen as essentially vowed or covenantal This claim is then explored through a detailed examination of Eucharistic worship which is understood as a non identical performance of the covenant established between God and human beings in baptism Here then is a theology that understands Christian worship not simply as form or event but more radically as a mutual act of promising and commitment between God and human beings *Adventures of an Itinerant Imagination* Bernard Brandon Scott, 2025-06-25 John Dominic Crossan is the most important scholar on the historical Jesus since David Fredrick Strauss in the nineteenth century Both his scholarly *The Historical Jesus The Life of a Mediterranean Jewish Peasant* 1991 and the more popular *Jesus A Revolutionary Biography* 1994 made the bestsellers list But the scope of his work goes well beyond the historical Jesus to studies on the death of Jesus and anti-Semitism Christianity and empire archaeology the apostle Paul the Pharisee and recently apocalyptic and the environment He addresses both scholarly and popular audiences ancient sources and contemporary concerns The essays in this volume explore and access the range of his work for his various audiences Some of the essays are scholarly in tone while others are quite personal A feature of this book is Crossan's complete curriculum vitae *The Origin Tradition of Ancient Israel* Thomas L. Thompson, 1987-01-01 **How Do Stories Save Us?** Scott Holland, 2006 The postmodern turn in theology reminds us that religion is imaginative before it becomes prosaic or propositional Theologians are now joining literary critics novelists and poets in asking the question How Do Stories Save Us Claiming that the truth of religion like the truth of its nearest analogue art is primordially a truth of manifestation this book explores the question in constructive conversation with the hermeneutics of David Tracy With Tracy's analogical imagination as a guide Scott Holland takes the reader on an intellectual adventure through narrative theology

literary criticism poetics ritual studies and aesthetics in the composition of a theology of culture **Parables for Our Time**
Tania Oldenhage,2010-04-10 Over the centuries New Testament texts have often been read in ways that reflect and encourage anti-Semitism For example the parable of the wicked husbandmen who kill the son of their landlord in order to seize the land has been used to blame the Jews for the death of Christ Since the Holocaust Christian scholars have increasingly recognized and rejected this inheritance In Parables for Our Time Tania Oldenhage seeks to fashion a biblical hermeneutics that consciously works with memories of the Holocaust New Testament scholars have not directly confronted the horror of Nazi crimes Oldenhage argues but their work has nonetheless been deeply affected by the events of the Holocaust By placing twentieth century biblical scholarship within its specific historical and cultural contexts she is able to trace the process by which the Holocaust gradually moved into the collective consciousness of New Testament scholars both in Germany and in the United States Her focus is on the scholarly interpretation of the parables of Jesus She sets the stage with the work of Wolfgang Harnisch who exemplifies the problems surrounding Holocaust remembrance in the Germany of the 1980s and 1990s She then turns to Joachim Jeremias's eminent work on the parables first published in 1947 Jeremias's anti-Jewish rhetoric she argues should be understood not only as a perpetuation of an age-old interpretive pattern but as representative of German difficulties in responding to the Holocaust immediately after the war Oldenhage goes on to explore the way in which Jeremias's approach was challenged by biblical scholars in the U.S. during the 1970s In particular she examines the turn to literature and literary theory exemplified in the works of John Dominic Crossan and Paul Ricoeur Nazi atrocities became part of the cultural reservoir from which Crossan and Ricoeur drew she shows although they never engaged with the historical facts of the Holocaust In conclusion Oldenhage offers her own reading of the parable of the wicked husbandmen demonstrating how the turn from historical to literary criticism opens up the text to interpretation in light of the Holocaust If the parables are to be meaningful in our time she contends we must take account of the troubling resonances between these ancient Christian stories and the atrocities of Auschwitz **Sick Religion or Healthy Faith?**

Ryan Ahlgrim,2016-05-10 Is it time to get rid of religion Not so fast says Ryan Ahlgrim It's time for us to define and demand healthy faith Despite the dysfunction and divisiveness seen too often in religion we continue to need a community of love and we yearn for a transcendent encounter that can heal us So instead of abandoning religion Ahlgrim outlines twelve characteristics of a healthy religious community and describes what a healthy Christian community of faith believes and practices Along the way he reveals the power of story the genius of Jesus and the path to wholeness In the end we are faced with the most daring and fulfilling choice of all to embrace a community of love that trusts in God **Secular Theology**
Clayton Crockett,2021-12-24 Secular Theology brings together new writings by some of America's most influential theological and religious thinkers on the viability of secular theology Critically assessing Radical Orthodoxy and putting American radical theology in context it provides new resources for philosophical theology Themes covered include

postmodern theology ethics psychoanalysis the death of God and medieval theology In the Way of the Story Huw Thomas,2021-12-08 You ll be doing all the work You ll be picking apart plots analyzing characters exploring the setting of biblical narratives and engaging with narrative levels and reader response theory And you ll be doing all the work This is a book about you the reader Drawing on narrative theory this book places readers in the way of the story reading biblical narrative through fresh eyes Using entertaining explanations of literary theory it liberates readers to read their own chosen Bible stories with a fresh understanding of how narratives work Practical activities will inspire the reader to develop their own understanding of stories and in doing so this book tackles hallowed and authoritarian interpretations that can sometimes get in the way of the story This is a book of clear explanation and practical application **Learning the Language of the Fields** Daniel G. Deffenbaugh,2006-12-25 Deffenbaugh calls us to live in a reciprocal relationship with our biotic communities the plants animals and other non human cultures that share our particular places in the world By rerooting our global lifestyles in the ecological knowledge of our homes we may truly begin to mend the health of our planet Deffenbaugh marries Christian theology and spiritual disciplines with Native American mythology and the practice of organic gardening to deepen our engagement with the places in which we live Theological Reflections Elaine Graham,2013-01-08 Following the same topics as the Methods volume this reader is aimed at postgraduates and academics interested in the expanding volume of work and research surrounding theological reflection Brought together in this second volume are materials relating to the same topics and dealt with by the same divisions descriptions and features The identified models being The Living Human Document Constructive Narrative Theology Canonical Narrative Theology Corporate Theological Reflection The Correlative Method Performative or Praxis Theological Reflection and Theology in the Vernacular or local theologies Volume one described and identified the various models whilst this new second volume fleshes out these descriptions by allowing the reader access to a variety of sources and examples of writings within these models Stories of God at Home Jerome W. Berryman,2018-04-15 A method for families to share the biblical story at home and learn the practice of sharing one another s stories as part of God s Story Using Godly Play methods Jerome Berryman offers families a way of nourishing faith in the home while supporting children s spiritual growth through the practice of storying our most ancient way of making meaning This book offers storying rituals and techniques from Godly Play for exploring the meaning of Christmas Easter Creation the Parable of the Good Shepherd Pentecost and the Trinity to give sustenance to the family s flow play love and spirituality Stories of God at Home follows the rhythm of life s cycles birth death earth life God and depth in telling biblical stories and shows how parents and caretakers can grasp their role with children using classic children s literature

A Rationale for Religious Communication Christopher John Arthur,1988 **Ethnography as a Pastoral Practice** Mary Clark Moschella,2023-02-28 Ethnography is a way to tap the deep undercurrents in a community through a process of gathering analyzing and sharing data Fully revised and updated for this second edition Ethnography as a Pastoral Practice

has quickly become the go to textbook for those in or training for ministry who want to discover how they can use ethnography to help them hear the stories of those to whom they minister Setting forth the case for ethnography's ability to galvanize aspirations and heal communal hurt this book presents the helpful pastoral practice of ethnography in a clear step by step manner and includes many compelling case studies of transformational leadership Ethnography as a Pastoral Practice invites us to open our eyes ears and hearts to those in our congregations **Narrative Dynamics in Paul** Bruce W.

Longenecker, 2002-01-01 Are Paul's letters undergirded and informed by key narratives and does a heightened awareness of those narratives help us to gain a richer and more rounded understanding of Paul's theology The last two decades of the twentieth century witnessed an increasing interest in the narrative features of Paul's thought A variety of studies since that period have advanced story as an integral and generative ingredient in Paul's theological formulations In this book a team of leading Pauline scholars assesses the strengths and weaknesses of a narrative approach looking in detail at its application to particular Pauline texts Parables of the Kingdom Melissa Lynch, 2012-07-31 Parables of the Kingdom is a language arts

curricular unit on the New Testament Parables for seventh grade and up The unit correlates to state standards and outcomes and the curriculum calendar provides over 30 hours of content material Each session is accommodated with a full lesson plan as well as the accompanying worksheets and keys The narrative unit investigates the parables as literature and provides historic critical and sociological background of the text This unit is based on best practices in teaching and learning and it is enriched by socratic circles story maps role plays as well as relevant reading and writing assignments and creative productive projects *The Christian Moral Life* Timothy F. Sedgwick, 2008-11-01 A book to enjoy and savour As a gentle and reverent depiction of whole practice of Anglican moral theology and practice it is splendid The Anglican Theological Review

Written in a style accessible to non specialists this book provides teachers pastors counselors and general readers with an ideal introduction to Christian ethics It renews the topic of Christian ethics by showing readers that faithful moral living is achieved through the daily practices of grace and godliness The author first explores the foundations of Christian ethics as seen by both Catholics and Protestants and then develops a constructive view of morality as a way of life Taking into account the central themes of Christian ethics he shows that effective piety is built on spiritual disciplines that deepen our experience of God prayer worship self examination simplicity and acts of hospitality Teaching as a Sacramental Act Mary Elizabeth

Moore, 2004-11-01 Moore asserts that Christian vocation and the teaching vocation in particular can be best understood as sacramental mediating the grace of God through ordinary creation for the sanctification of human life and the well being of all creation She develops her argument through three important factors a historical theological analysis of the Christian sacraments and sacramentality a phenomenological study of teaching events and a description of six sacramental movements and corresponding teaching practices informed by Jewish Christian traditions and Eucharistic practices The nine detailed chapters include Searching for the Sacred Sacred Teaching Education as Sacrament Expecting the Unexpected

Remembering the Dismembered Seeking Reversals Giving Thanks Nourishing Life Reconstructing Community and Repairing the World and Mapping the Future of Sacramental Teaching Teaching as a Sacramental Act is ideal for students pastors Christian educators spiritual directors and pastoral caregivers who want to rethink and reshape the teaching ministry of the church Representing Religion in World Cinema S. Plate, 2016-04-30 Religious traditions have provided a seemingly endless supply of subject matter for film from the Ten Commandments to the Mahabharata At the same time film production has engendered new religious practices and has altered existing ones from the cult following of The Rocky Horror Picture Show to the 2001 Australian census in which 70 000 people indicated their religion to be Jedi Knight Representing Religion in World Cinema begins with these mutual transformations as the contributors query the two way interrelations between film and religion across cinemas of the world Cross cultural and interdisciplinary by nature this collection by an international group of scholars draws on work from religious studies film studies and anthropology as well as theoretical impulses in performance gender ethnicity colonialism and postcolonialism
