Been Coming through Some Hard Times Jack Glazier,2013-03-30 This book is a unique study of race and racism across two centuries in the hinterland of the upper South Its implications are at once depressingly familiar and distinctly fresh W Fitzhugh Brundage author of *Lynching in the New South Georgia and Virginia 1880-1930* From the earliest days when slaves were brought to western Kentucky the descendants of both slaves and slave owners in Hopkinsville

Kentucky have continued to inhabit the same social and historic space Part ethnography and part historical narrative *Been Coming through Some Hard Times* offers a penetrating look at this southern town and the surrounding counties delving particularly into the ways in which its inhabitants have remembered and publicly represented race relations in their community Neither Deep South nor Appalachian this western Kentucky borderland presented unique opportunities for African American communities and also deep lasting tensions with powerful whites Glazier conducted fieldwork in Hopkinsville for some ten months examining historical evidence oral histories and the racialized hierarchy found in the final resting places of black and white citizens His analysis shows how structural inequality continues to prevail in Hopkinsville The book s ethnographic vignettes of worship services school policy disputes segregated cemeteries a dressing like our ancestors day at an elementary school and black family reunions poignantly illustrate the ongoing debate over the public control of memory Ultimately the book critiques the lethargy of white Americans who still fail to recognize the persistence of white privilege and therefore stunt the development of a truly multicultural society Glazier s personal investment in this subject is clear *Been Coming through Some Hard Times* began as an exploration of the life of James Bass an African American who settled in Hopkinsville in 1890 and whose daughter Idella Bass cared for Glazier as a child Her remarkable life profoundly influenced Glazier and led him to investigate her family s roots in the town This personal dimension makes Glazier s ethnohistorical account especially nuanced and moving Here is a uniquely revealing look at how the racial injustices of the past impinge quietly but insidiously upon the present in a distinctive understudied region JACK GLAZIER is a professor of anthropology at Oberlin College He is the author of *Dispersing the Ghetto The Relocation of Jewish Immigrants across America and Land and the Uses of Tradition among the Mbeere of Kenya* [Guide to Books on Black Americans](#) G.
