A. Wilson,1993-02-01 *A Darkling Plain* Philip Reeve,2010 Agents for peace are bringing an end to the devastating conflict between the roaming Traction Cities and their fanatical enemies while Wren and her father Tom travel the Bird Roads in their airship trying to forget that Hester has betrayed them In the ruined wreckage of the city of London they make a discovery that will change the world while Hester must face an implacable foe with the means and the will to destroy the entire human race Letters from the Darkling Plain Howard W. Fulweiler,1972 The works of these two writers are especially appropriate for linguistic and epistemological study because we find in them an unusually large amount of theorizing about the function of poetry and language implicit in their poetry and explicit in Arnold's formal criticism and in Hopkins letters and journals It is a striking fact that their theorizing is itself as internally divided as the obvious polarities within each man's career The general thesis of this book is that the racking conflicts and painful doubts of Arnold and Hopkins about the role of poetry in the modern world and in their own lives were brought about in large part by the philosophical dilemma we have been discussing and further that their careers illuminate the problem with enormous and sometimes horrifying clarity *The Darkling Plain* John Heath-Stubbs,1950 *Review of The Darkling Plain* Michael Goodwin,1950 *Politics in Africa* Dennis Austin,1978 *A Darkling Plain* Philip Reeve,2017-05-30 While dealing with people from their past and treachery from unexpected sources Tom Hester and Wren return to save the world **Darkling Plain** Gary Tillery,2013-03-26 Saigon 1968 Crossroads on the Darkling Plain of War Gordon Hunter begins his tour of duty and soon encounters the very real war behind the images on the evening news the Marine with a twisted heart the soldier who has seen too much and goes sane the boy who must grow up too soon the old Buddhist ennobled by his suffering the enchanting Vietnamese girl who conceals a bitter secret Unconventional in structure *Darkling Plain* is a novel like series of short stories revealing the impact of the Vietnam War on a young American *On a Darkling Plain* Wallace Stegner,1940 The Future of Merit James P. Future of Merit reviews the aims and rates the accomplishments of the 1978 law and assesses the status of the civil service How has it held up in the light of the National Performance Review What will become of it in a globalizing international system or in a government that regards people as customers rather than citizens Contributors examine the Senior Executive Service whose members serve between presidential appointees and the rest of the civil service These crucial executives must transform legislative and administrative goals into administrative reality but are often caught between opposing pressures for change and continuity In the concluding chapter Hugh Heclo many of whose ideas informed the 1978 reform act argues that the system today is often more responsive to the ambitions of political appointees and the presidents they serve than to the longer term needs of the polity On the other hand the ambition of creating a government wide cadre of career general managers with highly developed leadership skills has not been fulfilled Other contributors helped to frame the 1978 act helped to implement it or study it as scholars of public administration Dwight Ink Carolyn Ban Joel D Aberbach Bert A Rockman Patricia W Ingraham Donald P Moynihan Hal G Rainey Ed Kellough Barbara S Romzek Mark W Huddleston Chester A Newland and Hugh Heclo Six former directors of the Office of Personnel Management commented on early versions of these chapters at a 1998 conference Darkling Plain Sara Bard Field,2013-10 This is a new release of the original 1936 edition *Darkling Plain* John DeMers,1976
