Overcoming Doubt Neil T. Anderson, 2004-02-27 Everyone has doubts. Doubting is a normal part of the process of arriving at an ultimate decision of belief or unbelief. Persistent doubting, however, can affect your mental health, keeping you from living a productive life. The answer is to be assured of what you believe and start living by faith in God. Dr. Anderson explains the nature of doubting and the nature of faith, leading you to go beyond your doubts to live a fruitful life. You will come to understand the spiritual battle waged daily for your mind, as it is here where many doubts are formed. You are God's dear child, and He has promised to guide you into truth. Remember that God is truth, and He cannot lie, and learn to overcome your doubts by choosing to believe in Him and His timeless Word.

Beyond the Shadow of Doubt Mark Chironna, 2001 Chironna tells readers how to acquire doubt-busting faith in order to discover God-given capabilities, competence, and significance. He draws upon years of pastoring experience and prophetic insights to take readers from doubting to believing, from victim to victor.

#NoFilter: Unmasking the Woman God Created You to Be Jodi Hendricks, 2024-05-21 The reflection in the mirror was unknown to me. Who was this broken woman staring back at me? I didn't recognize her through all of the filters that she'd donned. Filters that years of toxic relationships, societal lies, and insecurities had grown and adopted, effectively distorting the original masterpiece into something far from its original intent. In *NoFilter: Unmasking the Woman God Created You to Be*, Jodi Hendricks helps you challenge the filters that have enslaved you, discover the calling to which you've been called, and to bask in the truth that as creatures of the Creator Himself, you need no filter. The Almighty Who created you has had a plan and a purpose for you since you were knit together in your mother's womb, and He has called you to walk in a manner worthy of this calling. It's time to let go of the filters and unmask who God created you to be: imperfections and all.

Enduring a Crisis of Faith Rico Maranto, 2023-03-22 A crisis of faith may feel like the death of our testimony. But what if it is not the death of our testimony, but a rebirth of it? After a lifetime of being a devoted Latter-day Saint, Rico Maranto unexpectedly suffered a

severe and devastating crisis of faith that plunged him into what he now calls the dark night of the soul. Overcome with doubt and uncertainty, he began to feel abandoned by God and all that He has taught. But through the years of his dark night, Rico transitioned from nearly losing his faith to rediscovering rebirth. Now Rico shares his story and explains how his crisis transformed him and entirely changed his perspective on faith. In this inspiring book, Rico reframes our perception of doubt and alleviates the shame and guilt that many feel when experiencing similar faith crises. With his loving understanding and knowledge gained as someone who has been through the storm and come out stronger than ever, you will discover the five stages of faith as a template for spiritual development strategies and toolsets for enduring a crisis of faith, how to help others who are struggling with their own doubts. If you or a loved one are struggling with your faith, know that the dark night of the soul is not reason to despair; it is a divinely designed spiritual chrysalis intended to transform us into all the Lord needs us to become the best version of ourselves.

You Believe In God, But You Don't Trust Him Jacobs Obamedo, 2023-02-27

Do you know that without faith, your existence has no place in God? Doubt's desire is to void your destiny with God. Until your faith is the same under all circumstances, there will still be room for doubt and anxiety in your life. How are you with His Word? Are you still wrestling with doubt, fear, anxiety, or unbelief? You need to urgently break the backbone of doubt and unbelief in your walk of faith. Doubt is a thief of your blessings and an enemy of your destiny. Doubt and worry are offensive to God and spiritually oppressive to His children. The only way to change a person is to change the way he thinks and eats. Think on the Word and learn to eat His Word.

About the Author: Dr. Jacobs Obamedo is a graduate from the University of Nigeria, Nsukka, with a bachelor of science degree in economics and sociology. He attended Hampstead Bible School, London, and was pastor of Hither Green Gospel Assembly, Lewisham, in London, England. He holds a master's degree in theology from Lighthouse Christian College in Beebe, Arkansas, and a doctoral degree in theology from Christian Outreach Bible Institute College Seminary in Fayetteville, North Carolina. He is married to Felicia with four adult spirit-filled children.

Doubt, Atheism, and the Nineteenth-Century Russian Intelligentsia Victoria Frede, 2011-09-08

The autocratic rule of both tsar and church in imperial Russia gave rise not only to a revolutionary movement in the nineteenth century but also to a crisis of meaning among members of the intelligentsia. Personal faith became the subject of intense scrutiny as individuals debated the existence of God and the immortality of the soul. Debates reflected in the best-known novels of the day, friendships were formed and broken in exchanges over the status of the eternal. The salvation of the entire country, not just of each individual, seemed to depend on the answers to questions about belief.

Victoria Frede looks at how and why atheism took on such importance among several generations of Russian intellectuals from the 1820s to the 1860s, drawing on meticulous and extensive research of both published and archival documents, including letters, poetry, philosophical tracts, police files, fiction, and literary criticism. She argues that young Russians were less concerned about theology and the Bible than they were about the moral, political, and social status of the individual.
