Awaken the Dawn David Bradshaw,2021-07-06 What if the presence of God became so real in people s hearts that it revived the church and ushered in the next Jesus Movement From the Upper Room in Jerusalem to the Moravian community in Germany God s personal presence always changes everything Awaken the Dawn chronicles the story of a movement of day and night worship prayer creativity and mission that is impacting America and the nations by bringing the presence of God into our cities and campuses This story is part of the same movement David pioneered when he served as the greatest king in Israel s history and that the Book of Acts chronicles as God s presence filled communities It s time for a generation to find their voice in the symphony of creative worship prayer and gospel proclamation that God is orchestrating Jesus way of changing the world is surprising and exhilarating and is certainly the opposite of the systems of the world This book will help you find your part in Jesus plan by discussing What God s presence is and how it changes our hearts Incredible stories of God s activity in the nation and what He is saying through them God s values and how He brings transformation and mercy Why Jesus is central to all that the Holy Spirit is doing This book will equip you to be a part of Jesus astounding storyline for a great spiritual awakening It will give you hope and keys on how God is unfolding his mission of mercy and transformation and how you can be a part of it The Eternal Woman Gertrud Von Le Fort,2010-02-02 Foreword by Alice von Hildebrand When The Eternal Woman was first published in Germany Europe was a battlefield of modern ideologies that would sweep away millions of lives in war and genocide Denying the Creator who made male and female Nazism and Communism could only fail to appreciate the true meaning of the feminine and reduce woman to a mere instrument of the state In the name of liberating her from the so called tyranny of Christianity atheism in any form leads to woman s enslavement With penetrating insight Gertrud von le Fort understood the war on womanhood and consequently on motherhood that always coincides with an attack on the faith of the Catholic Church which she embraced at the age of 50 in 1926 In The Eternal Woman she counters the modern assault on the feminine not with polemical argument but with perhaps the most beautiful meditation on womanhood ever written Taking Mary Virgin and Mother as her model von le Fort reflects on the significance of woman s

spiritual and physical receptivity that constitutes her very essence as well as her role in both the creation and redemption of human beings Mary's fiat to God is the pathway to our salvation as it is inextricably linked with the obedience unto death of Jesus her son Like the Son's acceptance of the Cross Mary's acceptance of her maternity symbolizes for all mankind the self-surrender to the Creator required of every human soul Since any woman's acceptance of motherhood is likewise a yes to God when womanhood and motherhood are properly understood and appreciated the nature of the soul's relationship to God is revealed The Complete Works of Friedrich Nietzsche: The dawn of day, tr. by J. M. Kennedy Friedrich Wilhelm
