The Day Nazi Germany Died An Autobiography:

The Day Nazi Germany Died Beate Wilder Smith, 1990 **This Day in American History, 4th ed.** Ernie Gross, Roland H. Worth, Jr., 2018-01-16 This up to date fourth edition of the most important and interesting data on a day by day basis throughout American history includes more than 1 400 new entries with information on a wide variety of subjects both the important matters Supreme Court decisions war events scientific breakthroughs etc and the lesser known but thought provoking incidents and phenomena societal changes unexpected events that add richness and depth to American history **Political Memoir** George W. Egerton, 1994 Wesley Wark and John Naylor analyse the proliferation of intelligence memoirs and government efforts to protect official secrets from the revelations of the candid memoirist The principal findings reached by the contributors in their study of this problematic but influential genre are set out by the editor in the concluding chapter **Storm on the Horizon** Sylvia McKelvey, 2019-08-19 Is there a covert plan for humanity Are we on the brink of discovery Every day huge cumbersome radio telescopes around the world scan the farthest regions of space listening probing waiting Waiting for that one tone that one ring that one sound that would set the world ablaze with unbridled excitement never before seen on this planet We will have made contact with Extraterrestrials Some say they are already here Some say they have already made contact Some say they have a plan Is there a Mastermind behind them Could Extraterrestrials be part of the largest deception ever to take place on this Earth Some theorist say yes and this may be how they do it **This Day in American History** Ernie Gross, 1990 This is a meat and potatoes reference work garnished only with a brief preface a one page bibliography and an index The text is organized by day of the month listing in chronological order events that occurred in American history This logical layout will make the book easy to use for librarians and patrons alike Entries are written in a telegraphic curt style that in some cases may require clarification The 70 page index is useful but flawed lacking comprehensiveness and containing some incorrect citations The Encyclopedia of American Facts Dates HarperCollins 1987 8th ed while less current is more thorough and better indexed for less money Recommended with reservations as a secondary source for public and school libraries James Moffet Baldwin P L Birmingham Mich Library Journal *Chase's Calendar of Events 2021* Editors of Chase's, 2020-10-27 Find out what s going on any day of the year anywhere across the globe The world s date book since 1957 Chase s is the definitive authoritative day by day resource of what the world is celebrating and commemorating From national days to celebrity birthdays from historical anniversaries to astronomical phenomena from award ceremonies and sporting events to religious festivals and carnivals Chase s is the must have reference used by experts and professionals a one stop shop with 12 500 entries for everything that is happening now or is worth remembering from the past Completely updated for 2021 Chase s also features extensive appendices as well as a companion website that puts the power of Chase s at the user s fingertips 2021 is packed with special events and observances including National days and public holidays of every nation on Earth The 400th anniversary of the Plymouth
