The Day The Decorators Came:

A Decorator's Tales By The Yard Roseann Kearney, 2011-10-07 Roseann wrote this book years ago but has always been so busy decorating that she didn't have time to look for a publisher. The time has finally come. The book consists of short tales about her most memorable clients. All names were changed, of course, to protect the innocent Roseann. She has decorated hundreds of homes and offices in New Jersey, all over the Jersey Shore, New York, Connecticut, Florida, Colorado, Washington, D.C., Williamsburg, Virginia, etc. etc. Wherever her clients want her to go, she goes. Some of these stories are funny, some are sad, some are very emotional, and they are all very true. Roseann hopes you put her pretty little book on your cocktail table to share with your family and friends. THE DECORATOR WHO KNEW TOO MUCH Diane Vallere, 2017-04-18 When Interior Decorator Madison Night accepts an assignment in Palm Springs with handyman Hudson James, she expects designing days and romantic nights. But after spotting a body in the river by the job site, she causes a rift in the team. Add in the strain of recurring nightmares and a growing dependency on sleeping pills, and Madison seeks professional help to deal with her demons. She learns more about the crime than she'd like, thanks to girl talk with friends, pillow talk with Hudson, and smack talk with the local bad boys. And after the victim is identified as the very doctor she's been advised to see, she wonders if what she knows can help catch a killer. An unlikely ally helps navigate the murky waters before her knowledge destroys her, and this time what she doesn't know might be the one thing that saves her life. THE DECORATOR WHO KNEW TOO MUCH by Diane Vallere. A Henery Press Mystery. If you like one, you'll probably like them all. The Painter and Decorator, 1912

Oh, to Be a Decorator Janice W. Hughes, 2010-12-30 The book is about the highlights of a young Janice growing up in Alabama during the sixties. The book describes her family and tells of the outings such as boating trips up and down the river. Her father became very wealthy, and the family had several homes as a result of his success. The author describes the decor as a child. Others believe the home and surroundings influenced her. She describes her grandmother as well as her aunt and how important they were to her. She mentions family gatherings during the holidays. The author tells of her Downs Syndrome brother and marries at an early age and becomes a teen mother. The author had a few professions before discovering she had the desire to become a decorator. The book tells of her and her husband owning and operating a furniture business. *Oh To Be A Decorator* is a delightful story about family, decorating, and surroundings. Heart of a Wife Helen Jacobus Apte, 1998 This new book reflects Apte's unorthodox, complex, and independent spirit during a very conservative time. Her shockingly frank opinions are offered on sex, marriage, children, religion, and her native South. Crafted in the heartwarming yet heart-wrenching style of *Angela's Ashes* and *A Midwife's Tale*, *Heart of a Wife* allows the reader a unique glimpse at significant events that gripped the world during the first half of the twentieth century: the Great Depression, the World Wars, and the sinking of the Titanic are but a few. *A World for Julius* Alfredo Bryce Echenique, 2004 Julius was born in a mansion on Salaverry Avenue, directly across from the old San Felipe Hippodrome. Life-size Disney characters and cowboy movie heroes romp across the

walls of his nursery Out in the carriage house his great grandfather s ornate moldering carriage takes him on imaginary adventures But Julius s father is dead and his beautiful young mother passes through her children s lives like an ephemeral shooting star Despite the soft shelter of family and money hard realities overshadow Julius s expanding world just as the rugged Andes loom over his home in Lima This lyrical richly textured novel first published in 1970 as *Un mundo para Julius* opens new territory in Latin American literature with its focus on the social elite of Peru In this postmodern novel Bryce Echenique incisively charts the decline of an influential centuries old aristocratic family faced with the invasion of foreign capital in the 1950s Winner of the Outstanding Translation Award of the American Literary Translators Association and the Columbia University Translation Center Award **The Furniture Trade Review and Interior Decorator** ,1920
